WHY WE SAY "NIAGARA"

The name of America's greatest waterfall is a real American word. It is supposed to be a combination of two Indian words which mean "hark to the thunder," or simply "thunder of waters."

Only a short time remains to get tickets for the 20-30 club's Drama Festival plays. The three plays, the first to be given this Wednesday, were arranged by the 20-30 club through the Civic Drama Guild of New York. All three feature professional casts and direction. The plays are on tour throughout the country.
Tickets will be sold only through Wednesday for the entire series of three dramas. Tickets may be obtained at a 20-30 booth set up in the J. C. Penney store, or requests for reservations may be mailed to Bob Henderschott, 4307 Clinton.
