New Pine Creek

Twenty-three new members were organized at the Big Pomona grange meet held here last Saturday by the state Grange Deputy Mrs. Mildred Norman of Salem, Ore., who participated in the grange activities during the day.

There were 84 members and regular grangers present at the noonday luncheon and 61 in attendance at the regular Pomona grange which followed the 1 o'clock program put on by each of the five granges. In addition moving pictures that gave farmers valuable information on how to use different implements were shown by the county agent, E. M. Cornett and Alvy Weekly, manager of the Lake County Co-op.

Mrs. Norman also installed the new Pomona grange officers. The new Pomona grange master is Les Elder of Sumner Lake. Fred Fisher of Lakeview is the secretary. Mr. Tracy of Drews Creek, treasurer, and Mary Padgett, of Thomas Creek, musician, were among the officers installed.

Sumner Lake seems to have had the biggest percentage of its membership present and many who attended during the day stayed over and were present at the regular grange meeting during the evening.

The Boy Scouts had charge of the program in the evening and put on a very impressive candlelight ceremony.

A special meeting of the Youth club was called last Saturday morning at which time the club was reorganized into a Y.G.A. The new officers elected were Jack Meas, president; secretary, Jean Michael; treasurer, "Red" White, Mrs. Mildred Norman was present as the organizing officer.

A regular meeting of the Y.G.A. was held Tuesday evening, February 24, with the new officers presiding. Additional staff officers were elected as follows: vice-president, Kenneth Butler, and Opal Turpin, steward. Ten members were present and it was decided to sponsor a dance sometime in March, the date depending upon the availability of the hall which will be announced later. A date preference was given as near to St. Patrick's Day as possible.

The advisability of having the last meeting of the month an open meeting was discussed. This would make it possible to invite non-grangers and interest new young people in the group thus having the way for a bigger growth for the club. The idea being a party affair with refreshments, dancing and games. Nothing definite was decided, however.

The hall decorations were taken down and put away for future use when games were played until nearly 11 o'clock. All grange members in good standing between the ages of 14 and 26 are invited to join the new youth group.

The home Ec club held its regular meeting last Thursday, February 19, in the grange hall. A roll call response was made by each member present telling a very amusing or special event of their childhood days and thus a very interesting meeting was enjoyed by the 18 members and two children present.

At the next regular meeting to be held on March 4, the home demonstration agent, Mrs. Smith of Alturas, will be present. All ladies of the community are invited.

Delicious refreshments of pineapple cream pie and coffee were served by the hostess, Mrs. Patry Hamerley.

Rev. John Blacklock, a missionary from China, will speak again this Sunday at the Baptist church in the absence of Rev. Eugene Barrow.

Midland

Midland grange home economics club sponsored a public card party at the home of Mrs. Edna Travers on Saturday. Pinochle was enjoyed by 20 persons. Awards were presented to H. B. Largent and Minnie Andrieu.

Verland Huff took high score for men and James Flowers second high. Minnie Andrieu took high for women. Loren Andrieu second high. Home-made cakes and sandwiches were served by the women.

Mrs. Emma Lamb will entertain the Midland grange home economics club on Tuesday at 2 p. m. All grange women are asked to attend. Fancy work will be the project of the day so each woman should bring something to do. There are still some year books to distribute.

Midland grange will hold its next regular meeting on Wednesday, March 2. Overseer Ernest Milani will preside in the absence of Master Leon Andrieu who will be in Portland on a business trip.
