Grains Up On Firm Market

CHICAGO, Feb. 28 (AP)—Grains advanced several cents in a firm market on the board of trade today. Soybeans and lard followed cereals higher.

Mills were modest buyers of wheat, apparently reflecting light sales of flour to small bakers. The bread cereal ignored reports of excellent rains yesterday in the western section of the winter wheat belt, which many analysts believe will do much to increase the 1948 harvest.

Major factor in the upturn was a slightly smaller decline in parity prices between January 15 and February 15 than many in the grain trade had expected.

Wheat closed ¼-¾ higher, May $2.37-$2.38, corn was 3 to 3¾ higher, May $2.20-$2.20¼, oats were ½-2⅝ higher, May $1.11¼-⅝, and soybeans were 6 cents higher, March $3.54.

Wheat—	Open	High	Low	Close
March				2.43½
May	2.37-2.37½	2.39½	2.36¾	2.37½-2.38
July	2.22-2.22¼	2.24½	2.22	2.22½-¾
Sept.	2.20-2.20¾	2.22½	2.20	2.21-2.20¾

Stocks Show Modest Gains

NEW YORK, Feb. 28 (AP)—Modest recoveries ruled in today's final stock market session of the week and month.

Some short covering and other timid bidding by professionals was based on the idea the list may have been oversold and had pretty well discounted a lot of disconcerting news. Most brokerage customers continued to hold aloof or trim commitments because of doubts regarding critical international situations, the business outlook, taxes and labor.

The ticker tape loafed during the greater part of the two hours. While declines persisted for assorted leaders, advances of fractions to a point or so were widely distributed near the close. Transfers expanded to around 300,000 shares from 230,000 last Saturday which was one of the smallest aggregates in four years.

Bonds were narrow. Major commodities improved selectively.

"In honor of the need for a trained citizen-soldiery in the state of Oregon and in our sister states and for the defense of the United States, I hereby proclaim National Guard Week," the mayor added.
