4-H Club To Have Exhibit

National 4-H Club Week is being observed from March 1 to 7, inclusive, with exhibits of club work and special activities. The 4-H club movement is the largest volunteer youth organization in the world. Many other countries have similar organizations patterned after the 4-H idea.

The club's name is taken from its slogan, "Head, Heart, Hand & Health." Head - instilling in the minds of young people an intelligent understanding and appreciation of nature and the environment in which they live.

Heart - to train them in cooperative action to increase their accomplishments and develop desirable ideals and standards for farming, homemaking, community life and citizenship.

Hands - to afford technical instruction in farming and homemaking.

Health - to develop healthful habits of living.

The club membership is made up of both city and rural boys and girls between the ages of 9 and 21. There are 4-H clubs organized and holding regular meetings in every county of the United States and in Alaska, Hawaii and Puerto Rico.

Active projects in the Klamath county 4-H clubs are clothing, cooking, camp cooking, knitting, room improvement, health, forestry, wood-working, leathercraft, beef, sheep, pig, poultry, rabbit, gardening, crops and canning.

Special local observances of National 4-H Club Week include demonstration day March 6, in the window of The Gun Store, 714 Main; radio plays over KFLW Tuesday at 7:30 p. m. and over KFJI Friday at 8 p. m., and a special display in the window of J. C. Penney company store, 805 Main.

Californians Feel Quake

LOS ANGELES, March 2 (AP)—An earthquake of moderate intensity awakened residents throughout a pie-shaped belt of Southern California early Monday but apparently caused no damage.

The greatest force was felt in the San Bernardino valley, 40 to 60 miles east of Los Angeles.

The quake was felt at 12:13 a. m. (PST). The tremor, which shook homes and rattled windows, was the second in 12 days. A severe quake jolted the Los Angeles area February 19.

The cities of San Bernardino, Riverside, Upland and Pomona all reported a fairly severe jarring tremor this morning.

Hoss Seeks GOP Post

Dave Hoss, former KFJI radio announcer and program director, has filed as a republican candidate for the state legislature from Marion county.

Hoss has been living in Salem for the past several months. He has been connected with station KOCO there and is now working for the Ethan Grant Advertising agency of Salem.

In Klamath Falls he was active in civic affairs and was elected commander of the American Legion, post No. 8. Hoss came to Klamath Falls from the Willamette valley area, with the expressed intention of entering politics. His father, the late Hal Hoss, was secretary of state of Oregon for many years.

Film Figures File Suits

LOS ANGELES, March 2 (AP)—Ten Hollywood film figures under citation by the house committee on un-American activities sued Monday in superior court for \$61,109,775 damages naming most of the movie producing industry as defendants.

The suit seeks a permanent injunction against major film studios and producers to prevent "maintaining any blacklist" which would bar the 10 plaintiffs from their jobs.

It also demands that the studios "refrain from cooperating plaintiffs into adopting any particular course or line of political action."

The largest sum is demanded by Lester Cole, a writer, who asks \$3,133,425 from M-G-M and \$2,145,200 from other studios.

Aldredge Named Police Chief

OREGON CITY, March 2 (AP)—Clarence Aldredge, 59, Monday was appointed police chief at Oregon City.

A member of the force here for 15 years and assistant chief for the last 12 years, Aldredge will serve until September 1, when he will retire.

City Manager Robert A. Finlayson, who made the appointment, also named Glen B. MacDonald, 42, as assistant chief. MacDonald will resign from the state police force. He has been on the state force since 1935 and in the Clackamas county area the last seven years.

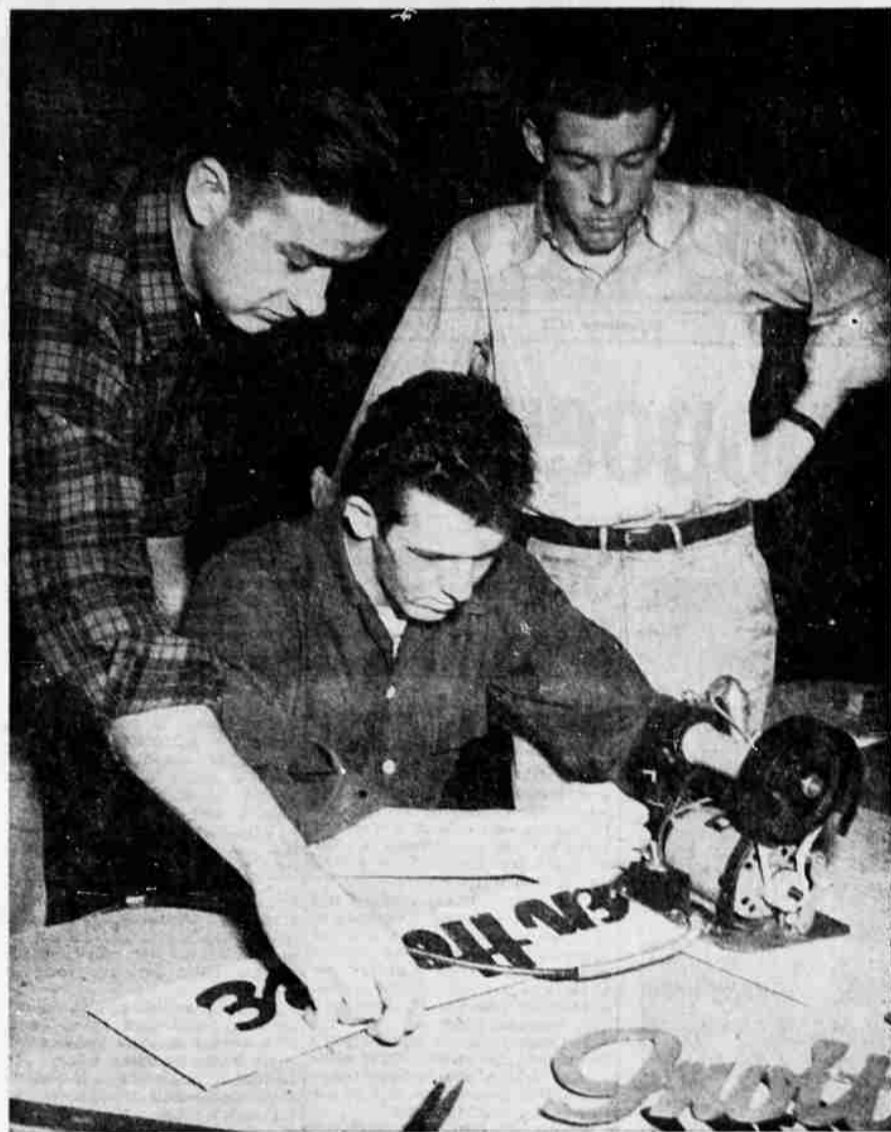

Aldredge, whose salary was placed at \$300, took office at once. MacDonald, who will come in next Monday, will get \$275.

OPERATION BUENOS AIRES, March 2 (AP)—President Juan Peron has had an appendix operation, it was announced officially today.

His condition was reported satisfactory.

Generals Asked For Testimony

WASHINGTON, March 2 (AP)—The house foreign affairs committee Monday invited Generals Douglas MacArthur and Claire Chennault to testify on aid to China.

The two generals were asked to testify either in person or by correspondence. The invitations were

telegraphed by Chairman Eaton (R-N. J.) after a closed committee session.

MacArthur previously had indicated that he probably could not appear in person.

The committee invited the Far East commander to give his views on proposals for aid to China "and other critical areas in the Far East" at his earliest convenience.

IT'S YOUR RED CROSS... KEEP IT GOING

Question — How much does the Red Cross pay its employees?

Answer — The executive scale is comparable to that of other non-profit organizations and below that of commercial organizations. The clerical and stenographic salaries are comparable to the rates paid in the city of employment. A schedule of the salaries paid by the Red Cross is included in the annual report.

The President of the American National Red Cross, Basil O'Connor, is a volunteer. A very large number of those doing the work of the American Red Cross in the chapters also serve without pay.
