WHEAT TAKES LIMIT LOSSES

CHICAGO, March 8 (AP)—Wheat was down as much as 10 cents and corn 8 cents, the daily limits, as times on the board of trade today. The market opened with a weak undertone. A slight rally developed, but prices did not get back to their previous close. Around midday in the day heavy selling caused a sharp break. May wheat and May and July corn plunged for limit declines.

Weakness in wheat and corn upset oats, which were off several cents. While there was no immediate news item to cause the selling, traders said the accumulation of recent news was pessimistic.

Wheat closed 5 1/2-9/4 lower, May \$2.36 1/4, corn was 6 1/2 to 8 cents lower, May \$2.16 1/2, oats were 2 1/4-4 1/4 lower, May \$1.10 1/2-1/4, and soybeans were 8 cents lower, May \$3.48.

Break Chills Stocks Today

NEW YORK, March 8 (AP)—A sharp break in major commodities put a chill on today's stock market. While selling was relatively slack throughout, and assorted leaders managed to make a little headway, declines of fractions to a point or so predominated near the close. Profits for the full proceedings remained in the neighborhood of 800,000 shares.

Aircrafts enjoyed another runup in the forenoon on expectations of big military plane orders, but some failed to keep in the plus division. Intermittent stumblers included General Motors, Chrysler, Republic Steel, Goodyear, Woolworth, J. I. Case, Paramount Pictures, Standard Oil (N.J.), Union Pacific and Northern Pacific.

Bonds steadied selectively. Cotton, toward the finish, was off \$2.95 to \$3.25 a bale. At Chicago wheat ended down 5 1/2 to 9 1/4 cents a bushel, corn 4 to 8 (the day's limit) and oats 2 1/4 to 4 1/4.

"Teen-age cowboys putting their trained western stock horses through their paces by actually working cattle in the arena will be one of a score of special features of the show."

Girl Scout News

The week of March 8 to 12 will be a big one in the lives of Klamath Girl Scouts, because they will be joining with more than a million members of their organization throughout the nation to celebrate the 36th birthday of Girl Scouting. On March 12, 1912, there were 12 Girl Scouts in the United States—all of them living in Savannah, Ga. Mrs. Juliette Gordon Low, inspired by the formation of the Boy Scout organization the year before, foresaw a similar movement among girls, and guided the troops that sprang up all over the country.

Lake County Library Eyed

LAKEVIEW, March 8—A resolution establishing a Lake County public free library was adopted by the county court Thursday and a library board will be appointed shortly.

In the Thursday session the court had not decided which method of raising funds for the library they would adopt. They have two choices: 1. They can place the needed amount within their budget, then, if the budget exceeds the six per cent limitation, ask the taxpayers voters of the county to vote to exceed the limit.

Under either method, the court said, they will act on the special election to coincide with the primary election on May 21 rather than having a special election at a later date, bearing in mind the greater cost of a separate election date.

Proponents of a county library have been seeking such a unit for several years to replace the present library which is owned by the Lakeview Library association and financed by the city of Lakeview.

Under either method, the court said, they will act on the special election to coincide with the primary election on May 21 rather than having a special election at a later date, bearing in mind the greater cost of a separate election date.
