### Schools Slate Music Show

The music department of the public schools is presenting a program from station KPLW Tuesday, from 7:30 to 8 p. m. This program is built around stories of the great composers and will also include musical numbers by the combined Fairview and Fremont choruses under the general direction of Margaret Steenson.

The broadcast will be a practical lesson in music appreciation and all music teachers and principals have been asked to have music students listen to the broadcast for its particular value.

### PCA Chapter Opposes Hall

PORTLAND, March 8 (AP)—Oregon's Progressive Citizens of America chapter will oppose Governor Hall's bid for election and has endorsed the third party bid of Henry Wallace.

Delegates at the week-end convention left to the board of directors any decision to sponsor petitions to put the Wallace-Taylor ticket on the state November ballot, or merge with other political groups in the elections.

Opposition to Governor Hall's gubernatorial candidacy came after Irvin Goodman, Portland attorney and a PCA director, criticized Hall's failure to commute the death sentence of Wardell Henderson. The negro recently was executed.

Nels Peterson was re-elected chairman of the directors. Frank Patterson was re-elected vice chairman.

The convention, the first convocation of the Oregon chapter, also denounced the arrest of Gerhart Eisler, an alien once termed America's No. 1 communist by the house un-American activities committee. Eisler was released on bail Saturday from Ellis Island.

### Gas Furnaces Prove Fatal

NEW YORK, March 8 (AP)—William Curl, 62, and his wife, Hattie, 61, were found overcome by gas in their apartment above the Wesleyan Methodist church in Brooklyn yesterday shortly before the morning service.

While emergency crews worked over the unconscious couple, the congregation of 30 prayed steadily for an hour and a half that they might survive.

Curl never revived, but his wife responded to treatment. She was taken to a hospital in critical condition.

Again last night, the congregation met to pray for her recovery. Police said a pan of soup had boiled over in their apartment, putting out a gas flame and allowing the fumes to escape as they dressed for the morning service.

### Dam Hearing To Be Held April 6

PORTLAND, March 8 (AP)—A public hearing for arguments on the proposed construction of a dam on the Columbia river at the mouth of the John Day river will be held in Arlington April 6.

Col. O. E. Walsh, district army corps engineer, said the dam at a site less than a mile below the John Day river mouth on the Columbia would raise the water level 225 feet.

The reservoir will inundate portions of the towns of Arlington, Boardman, Castle Rock, Iririgon, Umatilla, Alderdale, Roosevelt, Luzzon and Plymouth. Col. Walsh said an estimated 26,000 acres of privately owned land would be under water on completion of the structure.
