More people drive...
More people want
CHEVROLETS
than any other make of car

True for years—and truer than ever today—with the advent of this newer, smarter, finer Chevrolet for 1948! Official registration figures prove that more people drive Chevrolets—and seven independent surveys prove that more people want Chevrolets—than any other make of car! The reason, of course, is more value. And now Chevrolet value is made all the more outstanding by the smart new styling, brilliant new colors, and even more luxuriously appointed interiors which have been added to all the other advantages of Chevrolet's famous BIG-CAR QUALITY AT LOWEST COST. Be sure to see the new 1948 Chevrolet, and you'll know why more people drive Chevrolets than any other make!

You'll find there isn't any other car in its field that gives the Big-Car comfort of Chevrolet for 1948—direct result of the utilized Knee-Action Gliding Ride.

Chevrolet's world's champion Valve-in-Head engine gives an unequalled combination of performance, endurance, dependability and economy.

Chevrolet brings you the triple safety of Fisher Unisteel body-construction, the Knee-Action Ride and Positive-Action Hydraulic Brakes.
