Siskiyou Political Set Quiet

YREKA, Calif., March 16—Siskiyou county's deadline for filing for the June 1 primaries is slated for Saturday, March 27, but at noon Monday the only contests appeared in districts 1 and 2 for the post of supervisor from those two districts.

Of the five Siskiyou county districts, only three will appear on the ballots as in districts 3 and 4 there is no election scheduled.

In district 1, Gordon Jacobs of Hornbrook took out nomination papers last Thursday but had not filed today. Jacobs is the incumbent and his district embraces Hornbrook, Tulelake, Dorris and Macdoel. Word has been received here that George G. Yost of Tulelake will oppose Jacobs, but he had not filed for the office today.

In district 2, comprising Mt. Shasta and Dunsuir districts, a spirited contest was promised. W. A. Barr, Mt. Shasta dairyman, has filed for the offices and three others, Edward C. Baker of Mt. Shasta, Florin F. Kohlhauser and Hugh Corwin, both of Dunsuir, had taken out nomination papers. The incumbent, T. R. Douglas, has indicated he would seek the post again. Douglas is from Mt. Shasta and was named to fill the unexpired term of the late Charles Pendleton of Dunsuir.

W. T. Davidson of Fort Jones, member of the board of supervisors for the past 20 years and present chairman of the board, has filed for district No. 4, including Fort Jones, Greenview and the Scott Valley area. He is unopposed to date.

The 3rd district incumbent is Fred C. Burton of Yreka, father of District Attorney Fred W. Burton, and 5th district incumbent is Fred M. Wolford of Etna. Neither district has an election this year.

The posts of supervisors are the only ones to come up at the June election. The Yreka city election is scheduled for April 13 and the only interest in this election is the selection of two councilmen at large. The incumbents, Eldore Riffel and Adair Wilson have filed and they will be opposed by Maurice Dailey of Yreka. The two receiving the greater number of votes get the jobs. Neither the city clerk nor the city treasurer is opposed. Kathryn M. Brown is the present city clerk and Ernest Johnson is city treasurer. Deadline on filing for city officers was March 4.

Camp Fire Week Starts

Nearly 100 Camp Fire Girls and Blue Birds attended church services in uniform Sunday starting the National Birthday Week observances for the organization. Uniforms were also worn by both groups at school Monday.

Tuesday afternoon leaders will meet with the girls in the girls' gymnasium at Fremont school to rehearse for the Grand Council Fire which will be held Thursday at 7:30 p. m. in the armory. All parents and friends of both groups are invited to attend the ceremonies.

A tea in honor of Mrs. Bert Thomas, first Camp Fire Girls guardian in Klamath Falls, will conclude the week's observances Saturday in the First Presbyterian church parlors between 3 and 5 p. m.

Scrap Drive Under Way

Despite unfavorable weather, members of the K club of Klamath Union high school were on the job collecting scrap for the teen-age center over the week-end.

About 10,000 pounds of scrap metals and clothing were collected over Saturday and Sunday. The drive will continue for about three weeks, and proceeds will finance the teen-age center's program and remodeling of the teen-agers building.

The county drive will start later this week. Anyone having scrap to donate is asked to call Bill Procter, 7112, director of the teen-age center, and scrap will be picked up.

Stearns Heads Newell Group

TULELAKE, March 16 — James Stearns has been elected president of the Newell Homesteaders to succeed Paul Rogers, first leader of the group organized last year for the promotion of interest in roads, mail routes and other development in the new homestead area which includes this year's additions.

The vice presidency was left open to be filled by one of the winning applicants of the 1948 drawing. Elected secretary was G. McCracken and the new treasurer is L. D. Toler.

Meetings are held in the old theatre building at the former WRA center which is being used as a community hall.

Keno Group To Sponsor Dance

Keno Community Enterprises, a newly organized service club, is sponsoring a dance in the Keno school gym Saturday night.

Proceeds from the affair will go toward sponsoring other community service projects, including payment for movies which are shown by the club to residents of Keno. Movies are financed at present on a donation basis.

Bob Arrington and his Rhythm-makers will furnish the music. Dancing will begin at 9 p. m., and refreshments will be served.

In The Day's News

(Continued from Page One)

If his story was sincere and to the point, he'd probably get as far as if he spent \$50,000.

THERE'S a nasty one in the news this morning.

In Ludlow, Massachusetts, somebody raided the office of the high school principal, piled the scholastic records on the floor and set fire to them. Students who had failed to make passing grades are suspected. (The scheme didn't work, as the principal had a DUPLICATE set of records.)

It's a nasty one because that isn't the way American young people should act. They ought to be willing to face facts and take the consequences. That takes stamina, but it pays off in the end.

Roosevelt Hits Wallace Party

TACOMA, March 16 (AP)—James Roosevelt says "the only cheering for the third party comes from the Kremlin."

The eldest son of the late president paid his respects to Henry Wallace's third party movement at the Jefferson-Jackson day dinner of Pierce county democrats Saturday night.

Roosevelt said "the biggest fakery expounded by the third party is that there is no difference between Mr. Truman and Mr. Taft."

He asserted that Wallace and his backers claim they are the sole inheritors of the policies of Franklin D. Roosevelt. But, he declared, most of the Wallace supporters wouldn't back the Roosevelt policies if they saw one.

Roosevelt expressed a belief that Hugh Delacy of Seattle, former first district congressman, no longer spoke for democratic party leaders.

He said he supported Delacy in 1946 because of his liberal voting record.

Car Smash-Up Hurts Three

Three Malin bartenders wound up in Hillside hospital early this morning when their car struck a bank at a dead-end road one and one-half miles east of Tulelake. The Tulelake ambulance moved the trio to the hospital and today the three were reported in fair condition.

Injured were Raymond Jump, 35, driver; Lloyd Valsvik, 38, and Rex E. Gordon, 41. All are employed as bartenders by L. E. Thompson of the Malin hotel. Jump has a bad cut under the lower lip, shock and bruises. Gordon has a broken left leg; and other hurts, and Valsvik has a broken nose, facial lacerations, a broken left jaw and sprained left ankle.

It is understood the men had finished work and had gone to Tulelake for supper and were en route home when they took a dead-end side road leading off the main highway.

Diamond Lake Road Opening Delayed

Opening of the Diamond lake road was delayed today when one of the giant Sno-Go's broke down as it was eating its way through a seven-foot pack about one mile from the lake itself. Two Sno-Go's have been erating there, one continued on the job today while parts of the second were being repaired at state highways shops here.

The state highway is opening the road from the junction to a point beyond the lake and the California Oregon Power company will take over from there to the point of operation at Toketee Falls.

Gen. Meyers Gets 20 Month To 5 Year Jolt

WASHINGTON, March 16 (AP)— Maj. Gen. Bennett E. Meyers Monday was sentenced to 20 months to five years in prison.

A federal jury convicted him last Friday on three counts of inducing a former business associate to lie under oath to a senate committee.

Judge Alexander Holtzoff, when imposing sentence, said the 52-year-old retired general was guilty of a "very grave and serious offense." The maximum sentence he could have imposed was 30 years.

Meyers stood erect and apparently unmoved, as Judge Holtzoff told him:

"Bennett E. Meyers, it is the judgment of this court that you be imprisoned in an institution to be designated by the attorney general of the United States for a term of not less than 20 months and not more than 5 years."

Meyers was immediately led from the court room by federal marshals. After the jury's verdict last week, attorneys for the wartime airforce deputy purchasing chief had announced they would appeal the verdict. Holtzoff at that time said he would not allow bond while the case was being appealed.

Just before Holtzoff passed sentence, Robert T. Bushnell, attorney for Meyers, pleaded that the court consider Meyers' "outstanding" war record.

Bushnell said: "I say the punishment this man has already gone through—by being pilloried from coast to coast like a Benedict Arnold—is a punishment greater than it is in this court's power to impose."

Mrs. Sabo Dies At 79

The passing of a former Klamath Falls matron was learned here Monday afternoon with the death of Mrs. Elizabeth Barabas Sabo, 79, at her home in Los Angeles. Mrs. Sabo was the mother of Stephen Sabo, 73, Pine street, and also of Louis A. Sabo of Los Angeles.

Mrs. Sabo was a native of Bokod, Hungary, and with her husband, the late Stephen Sabo Sr., and young son Stephen came to this country in 1901. The family settled in Cleveland, O., and later moved to ranch holdings in Saskatchewan, Canada, where Louis was born. In 1909, the Sabos came to Klamath Falls. They owned a ranch on the Keno road and another in the Swan lake district during the years they spent in this section. Mr. Sabo, who died here in 1927 was also a stone mason and did much of the work on the IOOF building.

Final rites will probably be held here Saturday under the direction of Whitlock's with interment in the family plot of Linkville cemetery.

Van Vector Is Lunch Speaker

D. E. Van Vector was guest speaker at a regular luncheon meeting of the Merchants Credit Service, Inc., at noon Monday.

Van Vector spoke on the Buchenwald prison camp and urged alertness on the present world situation by the American public. He stressed that the world must not forget the story of Buchenwald and the others of the last war.

Frank Shepherd, vice president of the board, was in charge of the meeting, held at the Winema hotel.

Unopposed

Mrs. Olive Cornett of Klamath Falls, is Oregon's next republican national committeewoman. She is unopposed for the position to be filled at the primary election on May 21. Mrs. Cornett is the widow of the late Senate President Marshall Cornett.

Battle Called-- Snowmen Made

JERUSALEM, March 16 (AP)— A three-inch snow blanketed Jerusalem today. The weather bureau said it was the heaviest fall in a generation.

Police said the snow apparently cooled both Jewish and Arab fighters. Only minor shooting incidents were reported during the night. Arabs, Jews and Britons manning gun posts and road blocks took time out to make snowmen, an occupation not often possible in Palestine.

Seepage Proofing Job Almost Done

The seepage-proofing job in progress on the main canal is almost completed, U. S. bureau of reclamation officials announced today.

Another piece along the canal near Hatfield at the state line is being proofed. Asphalt membrane lining is being put in a thin coating along the banks and bottom of the canal and covered with dirt to prevent seepage.

Posse Wins City Praise

Except for an accident which put Dr. A. G. Goehring out of the show, the Klamath Sheriff's Posse made a smooth exhibition in the San Francisco St. Patrick's Day parade Sunday.

Intermittent rain during the day made the streets slick, causing Dr. Goehring's horse to slip and seriously injure its knee and shake up its rider. The posse was commended on its performance in adverse weather conditions by parade officials.

There were 33 mounted riders in this unit which had a place near the front of the parade, led by Sheriff Lloyd Low and color bearers, Dr. E. Dietzche, William Peck and Louis Hafter. Capt. E. P. Ivory and Lt. Keith Moon called signals for the drill which was executed by six solid squads of four riders each.

Among notables viewing the parade from the grandstand were the ex-premier of Ireland, Gov. Earl Warren and Mayor Robinson.

Filing Veto Upheld Today

SALEM, March 16 (AP)—Attorney General George Neuner today upheld the refusal of State Elections Chief Dave O'Hara to accept the filing of Elton Watkins, Portland, who wanted to run for delegate to the democratic national convention.

O'Hara rejected Watkins' filing last Friday when Watkins' filing to sign the customary pledge that he would vote for the preference of Oregon's democratic voters in the presidential primary.

Oregon democrats will vote for President Truman since he is the

A new record for comet-finding was set in 1947. A final check of new comets discovered, and old ones spotted, shows that a total of 14 were plotted in the 12 months.

Roper Estate Unestimated

The estate of the late John Paul Roper, who died February 26, has been offered for probate and the value is unestimated. Bulk of the estate consists of his share in the partnership business of Roper and Roper, paint contractors.

Mr. Roper left a will dated February 2, 1944, in which he bequeathed \$1 each to his sons, Jack and Donald, and his daughter, Mrs. Anona Gertrude Roberts, and the remainder of his estate to his widow, Mrs. Lola Gertrude Roper.

Clayton J. Burrell is attorney for the estate.

Also offered for probate is the estate of Henry Albert Bailey, who died February 2. The probable value in personal property is \$5000. A will bequeaths the property to a daughter, Carmela Bailey, resident of the Isle of Malta. H. C. Merryman is the attorney.

Battle Called-- Snowmen Made

Klamath county was also well represented in the audience. Capt. Ivory in behalf of the posse acknowledged contribution, made for the success of the trip by Carl Steinsaefer, Marius Petersen, Everett Long and Dale Mattoon.

Men in the United States navy train for careers, either at schools or on the job. It's a good way to get more education and all at the government's expense.

only democratic presidential candidate on the ballot. But Watkins, a former southern democrat, is opposed to Truman. He favors General Eisenhower.

Historic Events in the ADVANCE of Medical Science

There are no street cars in Rochester, Minn., because the whole town is a hospital quiet zone. From the very smallest beginning two country doctors made this quiet little town one of America's most important medical centers. C. W. Mayo, born July 28, 1854, is now the only surgeon left to carry the family name.
