

Expert Says Russia Not Ready For War

DAVIS, Calif., March 18 (AP)—An authority on Russian history said Wednesday that Russia is not ready for war, but must be stopped in her tracks if World War III is to be avoided.

Calling for an American-led world wide political coalition to stop the communist world revolution, Dr. Robert J. Kerner told a Charter Day audience at the University of California at Davis that the time for action had arrived.

"The communist betrayal of Czechoslovakia marked a turning point in world politics," said the University of California professor of history.

"For Americans," he said, "the test of the immediate future is whether we have the courage to forget party politics and stand up, not only to defy, but to stop in its tracks the attempt of the Soviet Union to wreck the world in which we live."

"This can be done without a third world war, because the Soviet Union is in no position to consider entering such a war, and will be defeated if it does. x x x

"We should put our house in order, rearm our armed forces, pass the European recovery bill and the universal military training service bill, confirm the fact that the Truman doctrine is our world policy... back the Western European Regional Alliance with military assistance, and inform the Soviet Union that we will challenge and expose any future act in the world revolution in the United Nations."

School District Funds Distributed

SALEM, March 18 (AP)—The state department Wednesday distributed \$7,646,421 to school districts. It is the second half of the annual apportionment under the basic school support law.

Amounts distributed to school districts include: Baker \$51,949, Corvallis \$53,854, Oregon City \$64,688, Roseburg \$55,846, Medford \$70,807, Grants Pass \$88,510, Klamath county \$119,676, Eugene \$198,311, Salem \$178,934, Portland \$1,277,060, Tillamook \$30,203, Pendleton \$47,038.

Cops Capture Hunted Man

SALEM, March 18 (AP)—A nine-month search for a 44-year-old habitual criminal has ended with his capture by Yakima, Wash. officers, state police headquarters announced Wednesday.

The criminal, Glenn Theodore Macomber of Polk county, had been hiding in the hills near Yakima and was caught yesterday.

Macomber, having previously served prison terms for larceny and armed robbery, was received at the Oregon penitentiary October 19, 1939, to serve 40 years as an habitual criminal.

He was released April 16, 1946, by the Marion county circuit court on a writ of Habeas Corpus.

The state supreme court, however, reversed the Marion court on June 20, 1947, and said Macomber must serve the rest of his sentence. Since that time, law enforcement officers over the country have hunted for him.
