

# You're Invited to the Newly Enlarged Suburban Lumber Co.

**OPEN HOUSE**  
 Friday Evening and  
 All Day Saturday  
 Celebrating  
**8th Anniversary**  
 Opening Enlarged Plant

Suburban Lumber Co. was opened January, 1940, by Mr. W. L. (Bill) Bullard, in a 12x20 building. The new, enlarged store and office now occupies 6000 square feet with warehouse and yard covering about three acres.

Suburban now offers complete building materials for all construction jobs, complete line of builders' hardware, sash and door and cabinet work from our own cabinet shop, complete home planning service, and the nationally known Norge appliances and Youngstown kitchen cabinets and sinks.

We invite you to visit us and see our most modern plant.

## GIFTS for ALL . . . Valuable Prizes

In addition to a gift memento that we'll give to each of you who visit our Open House, we have several valuable pieces of merchandise that will go to some of you. They are: Dormire Electric Mixer, Steam-O-Matic Electric Iron, two Electric Toasters, a Sportsman's Lamp complete with batteries,

two Visible Mailboxes, a High Grade Claw Hammer, a gallon of Acme Quality House Paint (you choose the color), a gallon of Kem-Tone (you choose the color), a gallon of Johnson's Glo-Coat, and a Screen Door made to your measure.

### HI-GRADE LUMBER

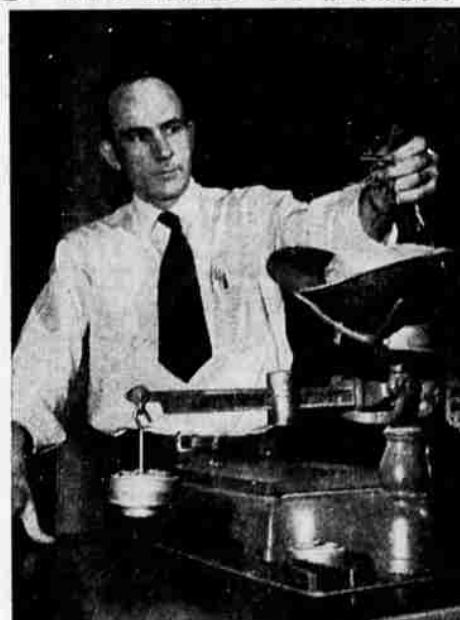

"Suburban customers get the finest of building materials and lumber delivered to them because all merchandise is properly taken care of. It's my job to receive and ship all material handled by us. We have the most modern covered buildings in the whole Klamath Basin to protect the things you buy. Let me show you our warehouse during Open House this Friday evening and Saturday."

Don Liqett

### BUILDERS HARDWARE

"It's Open House this Friday evening and all day Saturday for everyone at Suburban. Our Builders Hardware department is the most modern on the west coast. We are in a position to give you the highest quality material from our wide selection of building material merchandise. Don't fail to see our department when visiting us during Open House."

Geo. Vinson

### ACME QUALITY PAINT

"Being a paint and paint products man for a number of years I've never seen anything that could equal 'Acme Quality' for good paint coverage, high hiding power and long life. We at Suburban feature this top quality paint line along with Kem-Tone, the Miracle Wall Finish for all interior work. Stop in during Open House and let me show you our paint products."

Claude Lent

### HOME PLANNING SERVICE

"I've been in the building business all my life but never have I seen the time when one lumber and building material house had so much to offer. We at Suburban are in a position to make you a complete package sale of your building needs. All you have to do is tell us your wants and we can deliver you a finished job with all finances arranged for. Let me tell you more about this Home Service feature during Open House."

Dwight Galloway

### A Word of Appreciation . . .

"We at Suburban are particularly happy to announce the opening of our new and much larger store and warehouse. This opening marks the completion of eight years of progress and growth. You have played no little part in our past success which leads us to this expansion program. We trust that we may continue to serve you even better than before."

"Our opening is to take place on Friday evening, March 19, and all day Saturday, March 20. During this time we hope to have the pleasure of seeing you and your family. Remember, it's Open House, so just drop in."
