Redistricting Of Five Siskiyou Supervisorial Districts Voted Friday

YREKA, Calif., March 24—Redistricting of Siskiyou county's five supervisorial districts was voted Friday by the county board of supervisors in an attempt to head off a proposed charter election. March 30 was set as the date for the first in a series of public hearings.

The action followed a spirited discussion during which tempers flared at times between the supervisors and a citizens committee representing the Siskiyou County Improvement association.

F. M. Barnum, Weed, heading the committee appearing before the board, explained at length that the principal idea behind the committee's appearance was to promote harmony in the county.

Dr. Dudley B. Mason of Mount Shasta, who got into an argument with W. T. Davidson, chairman of the board, said residents of the southern end of the county feel they do not want two supervisors representing 60 per cent of the population and three supervisors representing the remaining 40 per cent.

He said the board had had two years, lacking 10 days, to keep a former promise to redistrict.

"If you had done what you promised in April, 1946, "Dr. Mason told the board, "then it would not have cost us $6000 to hold the charter election a year ago."

The election to which he referred ended in the defeat of the charter proposal, but the movement was revived in Dunsmuir early this year.

"We are tired of being kicked around," Dr. Mason continued. "We do not have fair representation."

He could not answer Davidson, however, when the board chairman interrupted him, and pointing a finger, demanded:

"You just tell me one thing on which you haven't had a fair deal."

Others interrupted and the argument ended when Dr. Mason said the county should be one big, happy family, all working toward bringing people into this area.

"I don't see why the supervisors can't arrange it," he said.

District Attorney Fred Burton reported to the board that the five supervisorial districts may be changed by a two-thirds vote of the board, taking into consideration topography, geography, cohesiveness, community of interests and assessed valuation.

Barnum, when he opened the discussion during the afternoon session, said there has been a tremendous change in population and that generally residents of the county would be satisfied if the board would redistrict "as provided by law."

At the first vote Friday afternoon on the motion by Supervisor Fred Burton of Yreka to redistrict, Supervisor Fred Wolford of Etna voted against. His vote was changed subsequently, however, when Supervisor Gordon Jacobs pointed out there is a better chance now to redistrict than at any time in the past.

County Surveyor Albert Parrott was instructed to have a tentative plan and map for new districts prepared for the March 30 meeting. This will give the board and citizens something definite to consider.

UN Palestine Action Stalls

LAKE SUCCESS, March 24 (AP)—United Nations action on Palestine was stalled today by a last-minute decision of the United States to withhold its proposal for a special UN assembly.

The UN security council had been called with expectations of acting on a U. S. resolution which had been promised by Chief American Delegate Warren R. Austin last Friday.

Without explanation, however, Austin dropped his plans to submit a proposal today. The council found itself with no specific resolution to debate.

Dr. T. F. Tsiang of China, council president for this month, appealed several times for speakers. But he found the delegates reluctant to take the floor. Austin did not offer to speak.

Canadian Delegate Gen. A. G. McNaughton finally read a brief statement saying Canada was not prepared to declare itself on the American plan for a Palestine trusteeship until there is some evidence of agreement among the parties concerned—Arabs and Jews.

McNaughton did not commit himself on the proposed special session of the general assembly.

LEGAL NOTICE

NOTICE OF SALE OF REAL PROPERTY

Notice is hereby given that from and after the 23rd day of April, 1948, Frank Atwood, Executor of the Estate of Clara A. Moore, Deceased, will, pursuant to an order of the Circuit Court of the State of Oregon for the County of Klamath duly entered on the 22nd day of March, 1948, proceed to sell at private sale for cash, subject to the approval of the above-entitled Court, all the right, title and interest of Clara A. Mrs. Rose Geer Passes At 54

DUNSMUIR, March 24 — Mrs. Rose Geer, 54-year-old Dunsmuir matron and widow of Clayton B. "Pop" Geer, died Monday at the Weed hospital. Final rites will be held Thursday at 2 p. m., from Ficker's Funeral home in Red Bluff, Calif.

The family is well-known in Northern California and Southern Oregon, especially to railroad people. "Pop" Geer was a long-time employe of the Southern Pacific company and as engineer on the Shasta division run for many years between Klamath Falls and Dunsmuir. He died in 1926. Survivors include a daughter, Mrs. George Banich of Dunsmuir, two sons, Clayton B. of Dunsmuir and Edward L. of Los Angeles.

FUNNY BUSINESS

"He insists on eating breakfast that way—the morning paper didn't come!"

Minute quantities of gold are found in almost all rocks, all copper and lead ores, and even in vegetation.

Suburban Firemen To Host Dance

Temporary officers were appointed and plans made for a benefit dance at a meeting of the suburban fire department. Appointed by Fire Chief Buster Gordon were Russell Cotter, president; John Hamstreet, vice president; Prince Koberg, secretary, and O. F. Pretzel, treasurer.

C. P. Nelson, Lee Hunter and Bob Jones were named to the executive committee.

A benefit dance will be sponsored by the department in conjunction with dedication of the fire station when it is equipped. Present indications are that the station will be completed and ready for use in late April. Proceeds from the dance will be used toward purchasing additional equipment and furnishing the fire station's recreation room.

Clyde Williams, director of the suburban fire district, outlined plans for the department and progress of construction on the station.

John Hamstreet, chairman of the bylaws committee, will be assisted by Jack Bothwell, W. C. Lindmeier, Clarence West and Chief Gordon.

A new coliseum is planned for North Carolina State.

Power Group Works On Testimony

TACOMA, March 24 (AP)—Testimony to be presented before a house appropriations committee will be completed here Thursday at a meeting of the Pacific Northwest utilities conference.

Funds for Foster Creek dam on the Columbia river is a major item of the group's request.

Bonneville power administration officials, the bureau of reclamation and army engineers are expected to attend the session, as well as representatives of eight Washington and Oregon utility groups.

Wooden Mother Saves Puppies

PASADENA, Calif., March 24 (AP) Six deserted puppies are thriving today with their "wooden mother."

It's a rack designed by Mrs. Peggy McGarvin of the Humane society, who frequently had trouble finding foster mothers for pups whose canine parent died or deserted them while lunch time was still an extremely important business.

The rack holds six nippled nursing bottles at just the right angle. The present batch of setter-shepherd puppies have discovered that it delivers milk with practically natural facility.
