## Grain Prices Remain Steady

CHICAGO, March 30 (AP)—Price changes were small in the grain future pits at the board of trade today. Grains opened generally lower, and prices drifted downward until there were indications that the government had purchased some cash wheat.

The commodity credit corporation was credited with purchase of 600,000 bushels at Kansas City during the morning. This lifted wheat prices above yesterday's closing level, but selling pressure was encountered on the advance.

At the close wheat was 1/4 higher to 1/2 lower, May \$2.43 1/2-1/4, corn was 1 cent to 2 cents lower, May \$2.18 1/2-1/4, oats were 1/4 higher to 1/2 lower, May \$1.09 1/2-1/4. Soybeans were 3 cents to 7 cents higher, May \$3.63.

Wheat—	Open	High	Low	Close

### Stocks Show Some Gains

NEW YORK, March 30 (AP)—Leading stocks took a turn on the recovery side of today's market despite a lot of handicaps.

Favorites showed gains of fractions to 2 points near the close. Amusements came to life in good advances.

Transfers ran around 1,000,000 shares against 760,000 the day before.

Brokers still contended that operations were "more or less normal" in the face of occasional outbursts of violence in the Wall Street strike and heavy picketing of the exchange.

American Tobacco common and "B" rallied after recent weakness.

Attracting bids were Paramount Pictures, Loews, U. S. Steel, Bethlehem Steel, Goodrich, Chrysler, International Harvester, Great Northern Railway, American Smelting, Union Carbide and a Dow course.

Bonds held to the finish, was up 90 cents a bale to off 10 cents. At Chicago wheat ended up 1/4 to down 1 1/2 cents a bushel, corn off 1/4 to 1/2 and oats up 1/4 to off 1/4.

## Land Mine Kills Boy

MANILA, March 30 (AP)—An 11-year-old boy was killed today by a land mine explosion in the Philippines. The boy, who was playing with a group of other children, was struck by a mine that had been planted by retreating American forces in December, 1941, to slow the Japanese.

Twenty-two Filipinos were killed Saturday on Corregidor when they entered a sealed tunnel and touched off a Japanese booby trap. They were members of a Philippine army bomb disposal unit.

Sixteen Philippine soldiers and six civilian laborers were killed, none of whom had been authorized to enter the sealed tunnel in which the Saturday blasts occurred, Brig. Gen. Calixto Duque announced. One injured soldier was rescued. The tunnel, used as a shelter by U. S. naval personnel in early days of the war, was sealed after Americans recaptured Corregidor in 1945.

### Lower Freight Rates Protested

PORTLAND, March 30 (AP)—Seattle and Tacoma millers believe Puget Sound will suffer if lower rail-freight rates are posted for the Columbia river area.

R. L. Shepherd, Seattle traffic association manager, said yesterday a lowering of rates a few cents would result in diversion of grain shipments to lower Columbia ports.

He told an interstate commerce commission examiner that Puget Sound millers might even be put out of business.

John L. Locke, manager of Fisher Flouring Mills, Seattle, said he doubted that the proposed bargain-rail rates would help the grain producers. He said the millers would save money on shipping costs, but doubted it would result in a lower selling price for Columbia river flour.
