## Peyton Ups OVS Loan Fund

OVS, April 2—The Oregon Vocational school student loan fund was enlarged by \$500 Friday when Cal Peyton, Klamath Falls businessman, donated that sum to the school.

The \$500 will be known as the Peyton fund, Director Winston D. Purvine said today. It is the largest contribution made so far by an individual.

Total money in the fund is now \$1950. Purvine said that because of the large increase in enrollment, the school needs \$5000 in its total student loan fund. Enrollment is now about 500 students.

Other donors are Fred C. King of Portland, Ward's Funeral home, the Lions club, Business and Professional Women's club, the Soroptomist club and the Disabled American Veterans auxiliary, all of Klamath Falls.

## Mental Patients Riot At Sea

BREMERHAVEN, Germany, April 2 (AP)—A riot at sea by 40 soldiers being returned to the United States as mental patients forced an army transport to turn back to this port, army authorities disclosed today.

"The group, which was being returned under guard, became violently unruly," the army report said. "Considerable damage was inflicted to furniture in their wards as they attempted to beat their way out," it added.

The army said nobody was hurt. Troops being deployed to the U. S. helped guards quell the rioting.
