Buying Boosts Wheat Price

CHICAGO, April 13 (AP)—Grain futures carried a fairly steady tone at the board of trade session today. Fairly aggressive buying by commission houses with Southwestern connections strengthened the wheat market after an easy opening. The Commodity Credit corporation reported purchases of 2,285,500 bushels of cash wheat yesterday.

Course grains were inclined to show some independent strength.

At the close wheat was ¾ to 2¼ higher than yesterday's finish, May $2.50-2.50¼. Corn was 2¼ to 2¾ higher, May $2.38¾-2.39. Oats were 1 cent to 2¼ higher, May $1.18-1.17⅞. Soybeans were unchanged to 3 cents higher, May $3.88.

Open—	Open	High	Low	Close
May	2.48½	2.50¼	2.48¼	2.50 - 2.50¼
July	2.36¼-2.36	2.39	2.36	2.38¾-2.39

Stocks Vary Widely Today

NEW YORK, April 13 (AP)—Stocks generally straddled the price fence in today's market.

Light offerings were fairly well absorbed in the forenoon. Assorted favorites did better after midday. Fractional irregularity ruled near the close.

Dealings tapered following a fairly active opening and it was the slowest 5-hour session in two weeks. Transfers ran to around 900,000 shares.

Aircrafts enjoyed a rising flurry on prospects of large-scale military orders. Highs for 1948 were touched by Douglas and Grumman. Boeing and United attracted bids.

Ahead most of the time were U. S. Steel, Montgomery Ward, International Harvester, Kennecott, American Can, Pullman, Standard Oil (N. J.) and Gulf Oil.

Intermittent laggards included Goodrich, Firestone Tire, Johns-Manville, J. C. Penney, Philip Morris and Transcontinental and Western Air.

Bonds held to a slim course. Cotton, toward the finish, was up $1.20 a bale to off 60 cents. At Chicago wheat ended up ¾ to 2¼ cents a bushel, corn 2¼ to 2¾ cents and oats 1 to 2¼ cents.

Board Calls Building Bids

SALEM, April 13 (AP) — The state board of control called for bids today on the proposed $2,000,000 five-story state office building in Salem.

Bids will be opened May 14, and construction will begin two weeks after the contract is awarded.

Whitehouse, Church, Newberry and Roehr, Portland, architects for the building, said they believe the bids might be under the estimated cost.

The new building will house the state public utilities commissioner's office, industrial accident commission, state police and board of control.

Solons Okay Plane Funds

WASHINGTON, April 13 (AP)—A $2,376,100,000 dip into next year's military funds for an emergency warplane and guided missile program won quick committee approval in congress today.

Designed as a go-ahead signal for the aviation industry to tool up for still greater output, the surplus money request was okayed in full by the house appropriations group.

The committee's locked-door hearings had been assumed to cover only the $725,000,000 boost in aviation funds asked by President Truman last Thursday.

But the White House followed that with a second request, which remained secret until today. That was because the committee already was in session and the new message went directly to it instead of through normal congressional channels.

Aside from the timing, however, the bigger amount in today's bill represents no increase in the $14,000,000,000 contemplated for military spending in the year beginning July 1 to back up this country's new stop-Russia policy.

Gray Case Back To Jury

The indictment charging Richard Gray, logging truck operator, with negligent homicide in connection with the death last October of Mrs. Christine Huxford, navy officer's wife, was returned to the Klamath county grand jury Tuesday morning after Circuit Judge David R. Vandenberg rejected a motion to quash the indictment.

The motion was presented in court by L. Orth Sisemore, attorney for Gray.

Sisemore argued that the indictment failed to show the names of witnesses appearing before the grand jury.

FOR YOU

IN KLAMATH FALLS

...a money service always as modern as tomorrow—now housed in spacious new offices which offer you even greater comfort and convenience than before.

Local Loan Company, which this month is celebrating the completion of its fortieth year of service to the working men and women of America, proudly invites you to visit and use its new home and its expanded facilities in the Evans Building, Main and Tenth Streets.

Here you may enjoy the privacy and comfort of individual customers' offices while arranging to borrow from $10 to $300 on your signature alone, or on your furniture or up to $500 on your car or truck. Or if you prefer to borrow on your livestock. Local makes that kind of loan too.

You may even arrange for your loan from home by phone and then just stop in for a few minutes, later, to pick up the cash.

But whether you require extra cash now or not, you are cordially assured that it is "open house" to you, today and always, at LOCAL LOAN COMPANY's new fortieth anniversary offices.
