Red Revolt Threat To U.S. Hinted

(Continued from Page 1)
that they are advanced a couple of years."
Hillenkoetter said Jorge Galtan, the Colombian liberal leader whose assassination touched off the revolution, was a figure "like Henry Wallace in our country"—a man who played along "with the extremists left and the communists."
Wallace was not immediately available for comment. But C. R. Baldwin, his third party campaign manager, called Hillenkoetter's assertion "contemptible."
"When an assistant to Secretary Marshall, even though he is another militarist, joins the chorus of hate," Baldwin said in a statement, "it demonstrates that the state department is following the Truman-Forrestal-Parnell Thomas line of smearing all opposition."

In The Day's News

(Continued from Page One)
arms depot 50 minutes before the explosion occurred.
Damage runs around a million dollars. The explosion was so fierce that walls crumbled a mile away.
THE Cominform (communist high command for world conquest) claims that there are 200,000 communists in Brazil. Presumably they are there for a purpose. UNQUESTIONABLY they take their orders from the Cominform.
A COMMITTEE of the U. S. congress begins today to dig into the Bogota business. The purpose is to find out who started it and why. These are things we need to know. One thing this writer would like to know is WHO SHOT GALTAN. Did the communists shoot him to start a ruckus between the liberals and the conservatives?
There has been a lot of hinting, but no facts. Somebody must know who fired the shot.

Lake Teacher Resigns Post

LAKEVIEW, April 16—Miss Laura Waterman, who has been in the Lakeview school system for 23 years, has tendered her resignation effective at the close of the current school year. She announced that she has no plans at present.
Miss Waterman has been principal of the Lakeview high school for the past 10 years, and prior to that she taught high school mathematics. She taught mathematics in conjunction with her duties as principal, also.
In a letter to Superintendent David Bates and the school board, Miss Waterman said that growing enrollment and expanding high school program here were the reasons for her resignation since she does not care to assume the added responsibilities at this time.

Honest Thief Loots Grocery

LAKEVIEW, April 16—Honesty of thieves—a certain amount of it—was displayed here this week by the person or persons unknown (at present) who forced entry into Ahlstrom's grocery last Sunday night.
Sheriff Henry Casiday said entry was made by removing boards from the rear of the store building. The safe was opened and money and checks were taken. Casiday did not know the amount.

Grazing Office Back In Lakeview

LAKEVIEW, April 16—E. G. Bailey, newly appointed grazer for the Lakeview office of the Taylor Grazing service, last week returned the grazing office here from Burns. The office was closed temporarily last fall after the resignation of Howard Campbell, grazer, who left to work his Madras homestead.
Bailey was transferred here from Salmon, Idaho. The Lakeview office is in charge of the western half of the Burns grazing district, and a strong movement is now under way to have this area set up as a separate grazing district.

Lakeview Lions Slate Talent Show

LAKEVIEW, April 16—The Lakeview Lions club will stage a local talent variety show next May 17 and 18 to benefit the club's eye-glass fund for deserving cases.
They will hold try-outs and first rehearsal next Monday night.

"Sack Bandit" Suspect Arrested

PORTLAND, April 16 (AP)—Several hold-up victims identified an arrested man as Portland's "sack bandit." While police questioned him last night, another service station was robbed by a "sack bandit."
The arrested man, booked as Norman Douglas Moore, 38, denied the recent series of sack robberies—so-called because the bandit placed his loot in a paper sack. Moore is charged with assault with intent to rob.
In last night's robbery, the bandit produced a canvas sack. He got \$100.

National DAV Commander On First Klamath Falls Visit

National Commander John L. Golob of the Disabled American Veterans organization (second from right) visited Klamath Falls Wednesday for the first time and was escorted on a tour of the Oregon Vocational School. With him are Robert L. Hugelstam, adjutant of chapter 12, DAV (left), Lynn Skeen (standing) and Dick Meek, commander of chapter 12.

Two Special Votes Called By County School District

Two special votes to raise money for the Klamath county school system were okayed Wednesday by the school board's citizen budget committee, one to ask the voters to pass on a special serial levy to raise about a million and a quarter dollars over the next five years.
Meeting Wednesday to work out the school system's budget for 1948-49, the committee reached a total estimated expenditure of \$1,243,909 for the school year. That amounts to about a 30 per cent increase over estimated expenses of the current school year of \$876,210.
Basic Fund
Of that amount, the committee and school board can see \$636,916 income from the basic school support fund, from the county school fund and from other odds and ends of revenue sources.
That leaves \$608,916 to be raised by direct taxation in the county.
And of that amount, \$239,013 can be levied on county school taxpayers without a vote, within the statutory limitation of a 6 per cent increase over the top figure levied involuntarily in the highest of the past three years.
But the remainder, some \$369,902, will be asked for at a special tax levy election. Date for that budget election will be May 17.
However, those figures do not include any part of the proposed financing of a 10-year building program the school board has in mind. Another election will be called June 21 and county school voters will be asked to take on a levy that would bring in about \$1,250,000 over a period of five years for building purposes.
On present assessed values of property, a levy of approximately 10 mills a year for five years would be needed to raise that million and a quarter dollars.
With it the school board intends to do considerable building, including an elementary school in the southeastern suburb of Klamath Falls and a new high school at Henley. A start on the elementary school can be made with money already on hand.

Library Board Eyes Budget

LAKEVIEW, April 16—The new Lake county library board met Wednesday to budget for use of \$8000 included in the new county budget to finance a county library. The new unit will supercede and take over the present Lakeview library which is owned by a library association and operates on \$1000 per year from the city budget.
On the board are Mrs. John Blair, Mrs. Walter Dykeman, Mrs. Rolla McDonald, and Cressler Robinson, all of Lakeview. Raymond Fisher of New Pine Creek was named to the board but cannot serve.
When plans are completed and the change-over is made, the county will take title to the building, books and equipment now owned by the library association and a county library will be set up to serve the entire county instead of Lakeview only.

Masons Name Horace Getz

Horace E. Getz of Klamath Falls was elected grand high priest Wednesday night at the 87th annual convocation of the grand chapter Royal Arch Masons, held at Pendleton.
Getz, long affiliated with the Klamath Lumber and Box company, has been active in Masonic circles here for many years.
The Rev. Victor Phillips of Klamath Falls was elected grand chaplain of the grand chapter.
Albany was named site of next year's convocation of the York rite bodies of the Masonic lodge.
Lodge officers said an attendance of 163 at Wednesday's concluding sessions was the highest at any state convocation of the lodge since before World War 2.

Fish Business Proves No Good

SEATTLE, April 15 (AP)—Don Miller, chief deputy U. S. marshal, is in the fish business and business is bad.
Miller said he offered 11 tons of confiscated halibut for sale yesterday and didn't get a nibble. The government confiscated the fish because they had been caught illegally.
To make matters worse, Miller is scheduled to acquire 4233 additional pounds of illegally taken halibut shortly.

Three Hurt In Chemult Crash

An automobile turned over an eight-foot embankment near Chemult early Thursday, injuring three residents of Wocus.
Harry Totten, route 3 box 1120, was driving the northbound car, accompanied by his wife, their 5-year-old son, LeRoy, and Ray Ness of Redmond.
The machine veered off highway 97 a half mile south of Chemult and went down the embankment, striking a tree.
Totten has a serious head injury, facial lacerations and a lacerated leg. Mrs. Totten has facial cuts and injuries to her left leg. The child sustained a broken left leg.
Ness was uninjured and summoned help. The Professional Ambulance service brought the injured to Klamath Valley hospital.
A faulty steering gear is believed to have caused the accident, which occurred about 6:30 a. m.

The Mayor's Proclamation

WHEREAS the prayer of every man and woman of good will in the world today is for peace and security and the peace of the world depends upon a strong and prepared United States of America, and
WHEREAS a sound and stable economy is essential to a strong America and this is the urgent concern of business, industry, labor and management, government and consumer alike, and
WHEREAS the soundness and stability of our economy depend in the end upon the productive effort of each citizen and the thrift of each individual and family, and
WHEREAS the savings bond program of the United States treasury department encourages thrift and regular saving, works against further price increases and builds up buying power for the future, and
WHEREAS the SECURITY LOAN campaign for United States savings bonds begins in this community and across the nation on April 15th and runs until June 30th,
I, therefore, as mayor of Klamath Falls, call upon all citizens to examine personal and family finances with the idea of buying as many extra bonds as possible during the security loan campaign. I urge all who can take advantage of the payroll savings plan where you work or the bond-a-month plan where you bank, to sign up for regular, systematic bond saving. I commend the school savings program which implants the habit of thrift in our children. Finally, since the security loan campaign and the savings bond program depend upon the volunteer aid of public-spirited citizens, I call upon all who can help sell bonds to others to offer their services to the local savings bond committee.
America's security is our security. Let us build it together.
(Signed) ED OSTENDORF.
