

Truman, In A Breezy Mood, Predicts He Will Be In The White House 4 Years More

WASHINGTON, April 15 (AP)—President Truman said today that he confidently expects to spend four more years in the White House.

In a breezy news conference, the president also told reporters that he had conferred this week with New York's Ed Flynn, democratic national committeeman, and Paul Fitzpatrick, New York state party chairman.

He told reporters the two party leaders went away happy.

"Was the picture rosy or gray?" a reporter asked.

Mr. Truman remarked that none of the newsmen who regularly cover

the White House had seen Flynn or Fitzpatrick come or go from the grounds.

No Answer

Mr. Truman chuckled. He said he didn't intend for them to be seen.

The remark about spending four years more in the White House came during a discussion of the newly completed, south portico balcony.

Mr. Truman said that he did not order the balcony for his own use, but to improve the White House's appearance. He said it follows the design Thomas Jefferson had in mind for the White House.

A reporter recalled that the fine arts commission (a Washington advisory body on development of the city) had criticized the project.

Mr. Truman said they got scared when a public controversy got started and the people began throwing bricks at them.

As for himself, he said he did not scare as easily.

A newsman asked whether that statement could be interpreted politically. The president replied that the reporters could use their own judgment.

He said he anticipated using the porch during the next four years if he had the time to do so. He said he put in a pretty full day and did not know when he could find time, but, he added:

"I'll be there to use it."

Connecticut Safest State

CHICAGO, April 15 (AP)—Connecticut today was again named the "safest state in the nation" by the national safety council.

Washington state was the Western division winner.

Oklahoma City, Okla., and Wilmington, Del. shared honors as the safest cities participating in the council's 1947 safety contest.

Connecticut is the only state to win the grand award more than once. It previously had won the 1940, 1944 and 1946 contests.

Thomas H. MacDonald, commissioner of the U. S. public roads administration, judged the contest.

He noted that Connecticut's traffic mileage death rate (deaths per 100,000,000 vehicle miles) is 4.3—just one-half the national rate.

Besides taking the grand award, Connecticut was the Eastern division winner among the states. Virginia won in the Southern division. No award was made in the Midwestern division.

Cities placing first in their population groups were: over 500,000 population, Cleveland; 200,000 to 500,000, Oklahoma City; 100,000 to 200,000, Wilmington, Del.; 50,000 to 100,000, St. Joseph, Mo.; 25,000 to 50,000, Dubuque, Ia.; 10,000 to 25,000, Logan, Utah.

Local Man Takes Own Life

Clarence Theodore West, 64-year-old resident of 1520 Hope street, died of self-inflicted wounds at Klamath Valley hospital at 8:05 a. m. today, Thursday.

West left three notes, one addressed to Sheriff Lloyd L. Low, and in one said he had been out of work for the past year and a half, and had become despondent. He shot himself in the back of the head with an H&R .38 calibre revolver. West was found in his chicken house near the residence at 7:30 a. m. He was moved by Kaler's Ambulance Service to the hospital where he expired a few minutes later.

The body is at Ward's.

Valley Lumbermen Get Pay Boost

EUGENE, April 15 (AP)—A wage increase recommendation of five cents an hour for A.F.L. lumber workers in the Willamette valley and Oregon coast operations has been signed here.

The hourly rate would be \$1.45 minimum, the pattern set in earlier negotiations involving union councils and operations elsewhere in the big fir industry.

The agreement is retroactive to April 1 and must be ratified by the union locals. It was signed yesterday by G. A. Metzger for the Willamette Valley Lumber Operators association, and Howard Hayes and Ralph Barkley for the two union district councils.

Taft Plans For All-Out Ohio Drive

WASHINGTON, April 15 (AP)—Senator Robert A. Taft laid plans today for an all-out effort to choke off Harold E. Stassen's delegate-winning streak when the two battle in Ohio's May 4 republican presidential primary.

The Ohio senator told a reporter he frankly is both puzzled and disappointed by his poor-third showing in Tuesday's Nebraska ballot battle.

"But I'm quite confident that things will be different in Ohio," he added.

There Stassen is bidding for 23 of Ohio's 53 votes to the Philadelphia nominating convention.

Drive Starts

The former Minnesota governor headed into Taft's territory today after promising at Minneapolis to carry on the work of "developing a vigorous, forward-looking and humanitarian republican party."

Taft plans to leave Washington tonight for a week-end of campaigning in Ohio, where Mrs. Taft already is busily engaged in a vote-seeking tour.

New York's Gov. Thomas E. Dewey, who ran second to Stassen in the cornhusker popularity test,

meets the former Minnesota governor again in the May 21 Oregon primary.

The Nebraska count, with only 47 of the state's 2024 precincts missing, gave:

Stassen 78,810, Dewey 62,444, Taft 20,680, Senator Arthur Vandenberg 8863, Gen. Douglas MacArthur 6679, Gov. Earl Warren of California 1772 and House Speaker Joseph W. Martin 886.

The returns gave Stassen 13 of the state's 15 votes on the first nominating ballot at Philadelphia.

While politicians generally regarded MacArthur's Nebraska showing as washing out his prospects for the nomination, backers of the supreme commander insisted the general will not quit.

MacArthur himself was silent in Tokyo.
