Wishful Neutrality Threat Seen

NEW YORK, April 19 (AP)—Lord Rothermere, British newspaper publisher, said today "a cloud of wishful neutrality" is forming in Europe and can grow to such proportions as to endanger the safety of the United States.

Lord Rothermere, who spoke at the 100th anniversary luncheon of The Associated Press in the Waldorf Astoria hotel, urged more newsprint for Europe so that the "battle for freedom" can be fully reported.

"The news must be reported," he said. "Ignorance, as you know better than anybody, breeds isolationism. Isolationism breeds neutrality. Look eastwards across the Atlantic and you will see forming on the horizon a cloud of wishful neutrality. Today no bigger than a man's hand perhaps, but capable tomorrow of assuming menacing proportions."

Truth In News
The AP board of directors said in an anniversary statement that "in this land of free-free freedom, The Associated Press knows but one master—truth in news."

The directors noted in their statement the growth of the cooperative news gathering organization since 1848 and the evolution of the "principle of factual, unbiased reporting of news as a great public service." It described this news principle as of "transcendent importance."

In a separate annual report to the membership, the directors said that "in a world gripped by tension and conflicting political ideologies, the association's responsibility for its news coverage becomes ever greater."

"As the byline, 'By The Associated Press' is launched on another century," the directors said, "the staff is dedicated to one ideal: to present facts truthfully, impartially, accurately—and interestingly."

Civil Contempt Charge To Be Heard Friday

(Continued from Page 1)

ent agents and free to continue idle. No strike had been called, Lewis reminded the 400,000 soft coal miners.

Hopkins remarked "it was strange" that the government had failed to mention Lewis' April 3 letter.

Hopkins charged "political motives" on the part of the government.

Morison rose and objected. He said he didn't want to cut off Hopkins but "I won't stand for that sort of thing."

Goldsborough ruled that Hopkins' remarks went "beyond the scope of an orderly argument." He ordered them stricken from the record.

Summer Cabin Break-Ins Probed

State police Monday were investigating the burglary of two cabins on Upper Klamath lake near Harrison lodge after John L. Stewart advised officers that prowlers had broken into his place sometime Sunday night.

Stewart said his cabin and one owned by Fred Young had been entered.

Poe Valley

Mr. and Mrs. Clarence Webber entertained on Tuesday evening with a birthday dinner honoring Helen and Leland. Guests were Mr. and Mrs. Jack Holzhauser and Glen, Mrs. Bessie Holzhauser, Jimmy Hope, Mr. and Mrs. Pete Holzhauser and Jean Holzhauser.

The next Grange card party will be held at the home of Mr. and Mrs. Glen Kester on Saturday evening, April 24, with Mrs. Wilbur Relling as co-hostess.

Melba Tubach, second grade pupil at Henley, is recovering at her home from a case of mumps.

Mrs. Emil Wells and Mrs. Maynard Murdock have returned home after spending several days at Cave Junction and Grants Pass, visiting with friends and relatives.

On Sunday evening a group of friends met at the home of Mr. and Mrs. Emil Wells to listen to a number of their favorite recordings. Refreshments were served as a late hour to Mr. and Mrs. H. M. Tucker, Mr. and Mrs. Billy Morley, Mr. and Mrs. Wilbert Anderson, Mr. and Mrs. Clarence Webber, Mary Wells, Helen and Leland Webber.

Dean Tucker is recovering from an injury received when he broke his glasses and cut his eye quite severely.

Don Storey, young son of Mr. and Mrs. Russell Storey, has returned to school after being confined to his home with the mumps.

Mr. and Mrs. Clarence Cornett, Dwight and Jean Cornett were visitors at the Clarence Webber home on Saturday.

Members of the Grange Home Economics club met on Tuesday at the Community hall to paint road signs, one of the club's projects for the year. At a later meeting road markers, to be placed at these markers to be put along the main road pointing out various ranches. Many of the ranches are being given very interesting and original names. Among these are Seven Springs, Green Random, Valley View, Dry Spring, Rezelta Dairy, Pine Crest and Mountain View.

This is another major project undertaken by this club. The Bedford cemetery improvement work was started by this group and met with the approval of the community so favorably that the Grange members and the Community club combined efforts which resulted in the improvements made.

KILLED

PORTLAND, April 19 (AP)—Clay McNemar, 37-year-old mechanic, died yesterday after a fight at the plant where he was employed.

Detectives held, on a manslaughter booking, a man whom they said admitted fighting with McNemar.

Seated at tables decorated to follow the Oregon territorial centennial, the senior girls from all over the county were entertained Monday night by the Business and Professional Women's club. The dessert is an annual affair given each spring for the graduating girls. Pie and coffee were served, while the girls enjoyed written games, sang and heard a talk on Oregon by Mrs. Geneva Duncan.

In the track queen race, it looks as if the underclassmen are exerting a little more energy when it comes to selling tickets. Standings at the last count placed freshman Betty Pinniger in the lead with 8370 points. Following her were sophomores Sandra Moore, 6510, and junior Beverly Young and senior Trudy Bennett, both with 120.

Literally covering the halls and walls of KU are the posters advertising the various candidates for student body officers. Many nominees have even gone to the trouble to have cards and notices printed. At the present, it's anybody's race, but opinion usually settles after the speeches of the candidates. The time set for these speeches is Monday. Voting will take place Tuesday and Wednesday.

A preview of the music department's contest numbers was given the student body today in a music assembly. The groups that will be performing in the district contest at Ashland Friday and Saturday participated in the assembly. John O'Connor's girls glee and orchestra, and Andrew Loney's AC choir and band were the four groups.

Promise of a free evening of dancing and eating are two of the attractions at the Elks' dance being held this Wednesday night at the Elks temple. In past times this dance has proved to be one of the best of the year, with couples only admitted. Dancing will be from 9 to 12, to the music of Baldy's band.

Safe Driving Seals To Be Sold Here

Safety seals urging careful driving are being issued for sale by the Disabled American Veterans organization, sponsoring a safe driving campaign.

Comdr. H. D. Meek of Klamath Falls chapter 12, said proceeds from the sale will go into the chapter's welfare fund.

The seals may be used on correspondence or as windshield stickers.

LONG-RANGE

TOKYO, April 20 (AP)—A black-footed albatross from the Hawaiian chain has been captured by a Japanese bonito fisherman 1600 miles west of its home base.

Dr. Oliver L. Austin Jr., chief of the occupation natural resources section, reported the catch, saying the albatross swallowed a sardine-baited hook some 700 miles north of Marcus island.

The bird had been banded by the U. S. fish and wildlife service at Midway January 12, 1941.

French Mine Blast Kills 11

LILLE, France, April 20 (AP)—At least 11 miners died in a dust explosion at a coal mine at Sallaumines last night, officials announced today.

They said the fate of six other persons remains unknown. Two girl workers, who were at the pithead when the blast occurred, are missing, as are four German prisoners of war who were at work deep in the pit. Eyewitnesses said they saw the girls enveloped in flames.

Thirty miners were hospitalized for their injuries. Five of them were described as in serious condition. Sallaumines is 15 miles from here.

Officials said 363 men were at work in the mine at the time of the explosion.

A violent storm swept down on the valley during the night and rescue workers labored under sheets of lightning.

Many of those trapped were brought out quickly through an adjacent shaft.

"Dead" Spot
There is a place where nothing has weight, where there is no "up" or "down." This place is about 100,000 miles from the earth's surface, in the direction of the sun. The gravitational pull of the earth and the sun are equal at this point.

Mrs. Haskett Dies At 64

Mrs. David C. (Marie Frances) Haskett, 64, mother of Mrs. J. K. McAndrews, of 613 High, died at the McAndrews home at 8 o'clock Saturday evening following an illness of the past four months.

Mrs. Haskett had made her home in Klamath Falls since September, 1928, when the family moved here from Eugene. She leaves many friends to mourn her passing. Mr. Haskett died October 17, 1945. He was a long-time employe of the city school system and for the past two years Mrs. Haskett had also been connected with the schools.

Born April 12, 1884, in Grand Forks, N. D., Mrs. Haskett lived much of her life in the Middle West. She was a member of Sacred Heart Catholic church and a charter member of Court Klamath, Catholic Daughters of America. She is survived by her one daughter, Mrs. McAndrews, and two grandchildren, Peggy and Ken McAndrews.

Final rites will be held at 9:30 a.m. at Sacred Heart church with interment in the family plot in McCalvary cemetery, the Earl Whitlock home in charge.
