Green To Give Address At GOP Meet

PHILADELPHIA, April 20 (AP) — Governor Dwight H. Green of Illinois will deliver the keynote address at the republican national convention this summer.

A 32-member GOP arrangements committee yesterday selected Green as temporary chairman of the convention. In that capacity he will delivir the keynote address.

Joseph W. Martin Jr., of Massachusetts, speaker of the house of representatives, was nominated to serve as permanent chairman of the convention that opens in Philadelphia June 21.

Martin's selection must be approved by the convention delegates before it becomes official, but this is merely a formality, a committee spokesman said.

Walter S. Hallanan, national committeeman from West Virginia, heads the arrangements committee which is holding a two-day meeting here.

High Esteem

"Governor Green enjoys the highest confidence and esteem of the people of both parties," said GOP National Chairman Carroll Reece.

In Chicago Green said he appreciated the "signal honor and grave responsibility."

Hurried caucuses between supporters of Presidential Candidates Robert A. Taft and Thomas E. Dewey brought about Green's selection a day before party heads expected committee action.

The arrangements committee resumed its sessions today to pick up remaining convention officials.

A Pennsylvanian, William S. Livengood Jr., state secretary of internal affairs, appeared a leading contender for chief sergeant-at-arms.

Among others who have been mentioned is Vic McKenzie of Oregon.

Fire Destroys Two Buildings

Two small outbuildings were destroyed by fire early Monday afternoon at the Hedrick residence, 1866 Hope, when a grass fire started on the property adjacent to Hedrick's place went out of control.

The county fire department was called but not in time to save the small structures. Residents of the area said men preparing to plow the field next door touched a match to the grass and it roared out of control within a matter of minutes.

Operated by the League of Women Voters, the portable office has been visited by a steady stream of potential voters. Exact figures were not available, but registration at that point has been running about 3 to 2 democratic.

Youth Charged With Theft Of Automobile

A charge of larceny of an auto has been placed against Ralph Weiser, 19, Sprague River Indian who was wounded during an attempted burglary of a tavern at Bonanza last week. Weiser is still in Klamath Valley hospital with a bullet wound in his hip.

The car theft complaint was signed against him Tuesday morning by Mrs. Ruby E. Runnells of Sprague River, accusing Weiser of stealing a truck which was assertedly used by Weiser and a companion, 17-year-old Simeon Buchanan Riddle Jr., in the Bonanza break-in and a similar burglary of a Beatty pool hall.

After Weiser and Riddle were driven from the tavern by gunfire, the truck was abandoned at Sprague River.

The two youths are already named in two felony charges of burglary, and Riddle is in the county jail. Another youth, Lorentine Weiser, 18, brother of Ralph, is held in jail on a charge of possession of stolen property.

Riddle was ordered bound over to the grand jury Monday afternoon.

Managers To Talk Problems At Confab

BERKELEY, Calif., April 20 (AP)—Problems ranging from plant dispersion in event of another war to prices, wages and labor policies will be discussed at the Pacific Coast Management conference opening today.

Speakers arriving for the two-day meeting told the conference planning committee they will remind business leaders about the strategic concentration of some of their most critical plant operations.

They are ready to recommend at least some underground construction in the future, they said, as well as limited decentralization and dispersion.

The conference also will be told, according to advance information, that wartime controls have been worked out in detail and can be clamped on quickly.

Robert D. Gray, director of the industrial relations section of the California Institute of Technology, Pasadena, will give the keynote address. He will speak on "Current Trends in Personnel Management." It is his belief that in event of another war private management doubtless will place still more emphasis on employe relations and constructive personnel policies.

Paul M. Herzog, chairman of the national labor relations board, will speak Wednesday on the board's decisions under the Taft-Hartley act.

William J. Reilly, director, Institute for Straight Thinking, New York, will speak on "Law of Intelligent Action in Business Management."
