## New Draft Proposal Presented

WASHINGTON, April 28 (AP)—A program for drafting 161,000 youths from 18 through 19½ years for one year training service was outlined Tuesday for the senate armed services committee.

Chairman Gurney (R-S.D.) said the newest administration defense program also covers these points:

1. Drafting for two years' service of men 19½ through 25 years with 190,000 expected to be inducted the first year. Most of these will be non-veterans.
  2. Holding the air force to 66 groups instead of the 70 urged by congressional air enthusiasts.
  3. Abandonment of the original plan for a separate universal military training program for youths 18 and 19 in favor of a "military training plan with the regular forces that is not universal."
  4. Re-establishment of the nation-wide selective service on a basis similar to that during the war with local boards handling both trainees and draftees.
- Gurney said he has directed his committee staff to sit down with army, navy, air and draft experts and "have a revised bill ready within three or four days."
- If congress goes along with the plan, Gurney said both the trainees and the draftees might be on duty "60 days after the bill is passed."
- He predicted prompt senate action on the measure.

## Vandenberg Hints At US Anti-Red Aid

WASHINGTON, April 28 (AP)—Senator Vandenberg tossed out a fresh hint to Russia Tuesday that the United States may join Western Europe in a military alliance against communist aggression.

The Michigan senator—chief republican exponent of this country's bi-partisan foreign policy—at the same time served this warning on Americans:

"We are suicidal fools if we do not root out and destroy any treason at home which may dream of bringing world revolution to the United States."

Above all, Vandenberg said, Premier Stalin should understand that "we shall not surrender to communist conspiracies in the United States."

The chairman of the senate foreign relations committee made his pronouncements in a surprise speech last night at a dinner given by Michigan chambers of commerce and trade associations for the state's congressional delegation.

He declined afterwards to expand on his remarks. But Vandenberg appeared to be adding his own support to mounting indications that America will throw its military as well as its economic weight against communist expansion in Europe.

Tapping what he called Russia's uncompromising refusal to let the United Nations perfect its own peace machinery, the senator declared:

"We have not yet even scratched the surface of the possibilities of its (the UN's) regional arrangements, as exemplified in the Rio treaty. There can be vital progress in this procedure—and I venture to predict there will."

## Ankeny Trial Progress Slow

Trial of Lewis H. Ankeny on an indictment charging him with larceny by bailer got off to a slow start Tuesday in circuit court and by noon only a few prospective jurors had been examined.

Twenty members of the regular panel of jurors showed up in court today and a special venire may have to be called before the trial jury is chosen.

Ankeny, former bond broker accused of mishandling funds deposited with him in the performance of his business during 1946, is represented by Attorney Ben Anderson of Portland. U. S. Balentine is acting as special prosecutor, assisted by J. H. Napier.

## Pilot Butte Inn Sale Reported

SEATTLE, April 28 (AP)—Bill Corbett, Seattle hotel owner, announced Tuesday he bought the Pilot Butte Inn and the Colonial Inn at Bend, Ore., for \$500,000. He said his son, Frank, would manage them.

Corbett, who owns the Claremont hotel and Corbett apartment motel here, said he would take over May 1. Corbett also announced sale of the four-in-one motel on the Tacoma-Seattle highway to S. B. Davidson of Tacoma for \$325,000.

## Suspect Quizzed On Check Count

Leonard Powers, 20, of Frazier's cabins, was arrested by city police Monday on a vagrancy charge and has been questioned about numerous bad checks passed here in recent weeks.

Police said Powers had admitted cashing several bad checks and his case is being turned over to the district attorney. A charge of obtaining money under false pretenses may be placed against him today.

## Youths Arrested For Car Theft

Two Indian boys, aged 16 and 14, were in the county jail Tuesday, charged with larceny of an automobile from Chiloquin Saturday night. The automobile was a 1947 pickup truck belonging to F. G. Markwardt. It was located near the home of one of the boys on route 2. The boys were picked up by state police Monday night.

## Hundreds Of Officers And Delegates Flock To OVS To Attend Opening Day Of PTA Conference

"The World At Our Doorstep" had plenty of snow on it Tuesday morning as hundreds of officers and delegates to the 35th annual session of Oregon Congress of Parents and Teachers awoke to find a late April storm covering the town proper and the hills surrounding OVS where the convention got under way at 10:30 a. m.

The theme of the convention was properly stressed by Mrs. H. H. Hargreaves of Portland, president of the Oregon Congress, as she spoke from the stage of the OVS theatre to the delegation.

Registration figures this morning showed 466 registered delegates including 332 local association delegates, 58 board members and 15 visiting delegates.

**Men Attend**  
Mrs. Hargreaves welcomed the delegation of women, with a generous sprinkling of men folks, and said in part:

"This year we have chosen 'The World At Our Doorstep' for our convention theme—one which we hope will mean much to you when you return to your local units and councils to spearhead an action program which will include the welfare of all children and youth everywhere—today's children, who will administer the affairs of tomorrow's world.

"Since each of us is dependent in some measure on every other person it is well then, that we unite our efforts with appropriate national, state and community agencies working to improve conditions affecting these custodians of tomorrow.

**Basic Unit**  
"Since the home is the basic unit for building strength of character in Young America, parents need all

the help and training our organization can give them to help them do a better job. With the assistance of school personnel and church leaders, we can acquire a unified strength that can and must produce the finest results in strengthening the citadel of America—the home.

"With the world at our doorstep and with our great united strength, we shall assume our responsibility, resolving to strike the blow for broader education, better health, deeper world understanding and a strengthened program of home and family life education."

The delegation heard the report of the nominating committee from Mrs. J. S. Holeman, chairman of that committee and two plans were presented for the re-districting proposal.

**Plan One:**  
Plan 1 includes the following nominations: Vice president, region 7, Mrs. A. S. Williams, The Dalles; region 5, Mrs. Harold Patterson, Cannon City, Ore.; region 3, Mrs. A. H. Publ. Medford; region 2, Mrs. S. A. Warg, Roseburg; region 9, Mrs. C. A. Fratzke, Independence; region 10, Mrs. Helmer Lindstrom, Astoria.

The second or present plan will embrace the same names but listed under region 5, Mrs. Lindstrom; region 6, Mrs. Warg; region 7, Mrs. Fratzke; region 8, Mrs. A. H. Publ.

Registration was under way here both Monday and Tuesday morning with the opening of the general session presided over by Mrs. Hargreaves. On the platform of the theatre were members of the state board of managers including officers, chairmen, presidents of county

councils, city councils and units, along with guest speakers and others.

**Invocation**  
The invocation was given by Rev. David F. Barnett Jr., of the First Presbyterian church of Klamath Falls, with greetings brought for Governor John H. Hall by Errol Rees of Lake Grove, president of the Oregon Education association. Rees told the delegation that:

"The Parent-Teacher association is the only lay organization with the welfare of children at heart and a group that makes children its business." He complimented the organization on the advancement of the lunch program and the program which stresses care and protection of children and youth.

Arnold L. Orslapp, superintendent of Klamath Falls city schools, spoke briefly and greetings were brought by Mrs. Harold Shaffer, president of the Klamath County Council and general chairman of the convention. Councilman Paul O. Landry, acting for Mayor Ed Ostendorf, greeted the group.

At noon there was the national Parent-Teacher and Congress publications luncheon at the OVS banquet hall with a program. At 1:45 the congress re-convened in the Little Theatre and a school of information with the title, "Tools to Build Better Locals," opened the afternoon.

This afternoon there was a tour of OVS and tonight's general session at the KUHS auditorium will include the address of Mrs. J. I.

Garland, vice president of the National Congress of Parents and Teachers. Her topic, "The World At Our Doorstep," will be followed by the showing of the film, "Human Growth," with discussion led by Dr. Adolph Wenzl, director of the division of social hygiene education, University of Oregon medical school.
