## Palestine Mail Service Cancelled

**WASHINGTON, April 28 (AP)**—The post office department Tuesday suspended all mail service to Palestine.

It said the action was taken at the request of Palestinian authorities.

Before the order, only air mail service was going to Palestine. The U. S. - Palestine mail service began a series of curtailments about six weeks ago due to disturbed conditions in that country.

The department first suspended money order service and then parcel post.

# All-New MERCURY

The All-New 1949 Mercury

You've seen a lot of "new models." Once in a long, long time you see a new car. Today is one of those times. The 1949 Mercury on our floor is the car.

With your very first look you'll know Mercury is new, all-new. From the front? Mercury is wider, with strikingly handsome grillwork, and exciting new fender treatment completely enclosed in a sleek, graceful, curved-arch silhouette. From the side? Mercury is longer and lower, with a poised-for-flight look that gives an illusion of motion even when the car is standing still. From the back? Mercury has all the luxurious styling you expect to find only in a car far above Mercury's price class.

This 1949 Mercury is a product of 1949-plus engineering. It has a big, rugged frame—with safety, stamina and down-to-earth roadability in every inch of it. There's all-new spring suspension, with a lullaby ride above it.

New safer, wider rims—with new, bigger

super-balloon tires—make shocks and side-sway a thing of the past. There are all-new super-brakes with velvety "STOP" in 'em, and a new 8-cylinder, V-type power plant with get-up-and-"GO" in it—a power plant designed and built exclusively for Mercury! There's even a new, fog-free, leakproof "Fingertip Weather Control" so you can flood the car with fresh, outside air at your will.

It's here, waiting for you to see. All-new beauty, all-new comfort, all-new performance. Every inch and pound is all-new—inside and out, top to bottom, front to back. Available in a choice of superb body styles, including Mercury's all-new Six-passenger Coupe and Six-passenger Convertible.

So . . . Before you think of buying a new model, see the ALL-NEW Mercury.

That's the only break this 1949 Mercury asks of you!
