GRAINS SHOW SLIGHT LOSS

CHICAGO, May 5 (AP) — May grain contracts displayed relative steadiness on the board of trade today. Price changes were not large. At times deferred futures slipped under the previous close. Dealings were light.

The firm tone of May futures was based mostly on the railroad strike threat. Government flour buying also helped wheat.

Wheat closed 1 cent lower to ¾ higher, May $2.47-$2.46½, corn was 1¼ lower to 1½ higher, May $2.23, oats were 1⅛ lower to 1¼ higher, May $1.12⅝-¾, and soybeans were 1 to 2 cents higher, May $4.05. In wheat, corn and oats only the May contracts ended with gains.

Wheat—	Open	High	Low	Close
May	2.47¼-2.48½	2.48½	2.46¼	2.47-2.46½
July	2.35	2.35¼	2.32¾	2.33-2.32¾
Sept.	2.32¾	2.33	2.30½	2.30½
Dec.	2.33	2.33¼	2.30½	2.30½-⅝

Stocks Head Down Today

NEW YORK, May 5 (AP) — Rails led the stock market lower today.

Carriers were under selling pressure at times because of a threatened strike next Tuesday, and were joined by a number of pivotal industrials.

Despite favorable response of individual stocks to special situations, the general direction was downward most of the day. Transactions were around 1,200,000 shares.

Retreats were made by such issues as Santa Fe, Union Pacific, New York Central, Youngstown Sheet, Studebaker, General Motors, U. S. Rubber, Caterpillar Tractor, United Aircraft and Western Union. New 1948 highs were reached after dividend declarations by Union Carbide and Textron, Inc. Others clinging to gains included Warner Brothers, International Paper (at a new top for the year), and Montgomery Ward (after a record sales report).

Bonds were steady but commodities slumped.

Regatta Set In Mid-June

The annual Junior chamber of commerce boat regatta is scheduled for mid-June on Upper Klamath lake, opening with a boat show on June 11, and climaxing with boat races June 13.

This will be the second post-war regatta sponsored by the Jaycees. Officiating of races will be handled by the Oregon Outboard association.

Entrants are now being lined up for the races, and at least four states are expected to be represented. Several of last year's entrants will also return.

Last year, prize money for four races was given to Bill Plue, Portland; Don Critiser, Oregon City; Tim Reeves, Chico, and Harry Eyerly, Salem. The OOA withheld some of the prize money from one of the contestants, Glen Burke of Chico, because the association believed that he was racing with an engine a fraction too large for the class he entered. The National Outboard association later upheld the OOA's decision.

Aussie Onions Shipped In Here

Australian onions were shipped into this area for the first time this year.

Two carloads were received ahead of the movement of Texas Whites into the district, and went on the local markets where they found a good demand.

The Australians sold at $19 a cwt. before the Whites arrived, but have now dropped to $15 a cwt.

SUFFERERS
The discoverer of this system of relief, The John F. Class Vapo-Bath Mineral Fume Applications, was a wheel-chair invalid. In due time he became a well man.
The special mineral fumes, oils and concentrates used plus elimination of poisonous toxins and acids from the system effect startling benefits in most cases.
