WHEAT RALLY FOLDS UP

CHICAGO, May 11 (AP)—Corn and oats prices advanced on the board of trade today, but rallies in wheat were not sustained.

Light country offerings of corn combined with shrinking visible supplies to develop short covering in the yellow cereal.

Wheat was under pressure during the greater part of the session. The commodity credit corporation reduced its buying price a half cent at Kansas City, and traders had reports of more liberal country offerings of old crop grain.

A closing rally in wheat brought prices up and the bread grain finished unchanged to ⅛ cent higher than the previous close, May $2.43¾-$2.44. Corn was 1⅞ to 4½ cents higher, May $2.25¾-$2.26. Oats were 1¼ to 2⅛ higher, May $1.15¾-¼. Soybeans were 2½ to 8 cents higher, May $3.93.

Wheat—	Open	High	Low	Close
May	2.42½-2.43	2.44	2.42½	2.43¾-2.44
July	2.31½-¾	2.32¾	2.30¾	2.32½-¾
Sept.	2.30	2.31	2.29½	2.30¾-2.31
Dec.	2.30¾-½	2.31¼	2.29¾	2.31-2.31¼

Selling Hits Some Stocks

NEW YORK, May 11 (AP)—Stocks had to contend with "selling on the good news" in today's market although many leaders were able to extend their recovery.

The averting of the rail strike inspired early buying all around. Reports that Russia is willing to discuss differences with the United States propped sentiment but armament issues, such as the aircrafts, were depressed. Steels enjoyed a late upward flurry.

Gains running to a point or more were reduced or erased here and there by mid-day. Slightly mixed tendencies prevailed near the close.

The turnover of about 1,700,000 shares was one of the best since April 23.

On the losing end the greater part of the time were Boeing, Douglas Aircraft, United Aircraft, Northern Pacific (reflecting a March net loss), Anaconda, Kennecott and Gulf Oil.

Peaks for 1948 were touched by Rock Island preferred (on a pleasing dividend), Southern Pacific, Standard Oil (Ohio) (on an earnings jump) and Radio Corp.

Bonds were selectively improved and commodities uneven.

Some Political Gleanings

By HALE SCARBROUGH

Harold Stassen will wing his way into the Klamath country aboard not one but two DC-3 transport planes when he comes down to make people forget about Tom Dewey the 18th of this month. . . . How is he going to travel in two planes is one of those things his advance publicity hasn't pointed out with any clarity. . . .

However, Ernie MacBeth, young GOP leader here in town, assures us that Harold will be down in two planes, flitting in from Ontario. . . . Phil Hitchcock is toying with the idea of having a few local planes fly out and meet the Stassen armada and convoy it into Klamath. . . .

Stassen's primary adversary, New York's Thomas Dewey, came into town via chartered Greyhound, but went out via chartered United Air Lines. . . .

A few weeks ago it seemed that local republicans were panting with sentiment for Stassen, but Dewey's magnetic personality and pointed talks have swung the pendulum toward the New Yorker. . . .

Stassen gets in the last licks, however, and he might be able to swing public favor back his way. . . .

Pete Driscoll, local attorney, has been appointed Klamath county chairman for the "George H. Flagg for secretary of state" committee, assisted by Ivy Propst and Bill De Cew. . . . Pete reports that he is all fired up and intends to really raise the Flagg here. . . .

George H. Pete continues, is a good man, a good republican and will make a good secretary of state. . . . In case you've forgotten, Earl T. Newbry is Flagg's opponent for the GOP namination. . . .

When the roll is called out yonder they'll all be there. . . . Mrs. Opal Hammond Manning, Klamath's woman candidate for sheriff, was unheard from for a long time after she filed for the office, but today put in an order at a local printing company for campaign posters and cards. . . .

All 18 aspirants will have their paper-work out before long. . . . Some of the places around town are arranging rather tasteful displays of campaign posters, but most of the arrangements run stronger to quantity than to neatness. . . .

Local democrats have a big session planned for Friday night at the courthouse circuit courtrooms, with Gene Ingels as chairman. . . . The demos have been rather quiet thus far in the campaign, not having many issues or contests for the primary, but if they get out the vote they can still carry Klamath county. . . . They have the voter majority but apparently not the burning ambition right now. . . .

Stunt Flyers Slated Here

The Sammy Hawks air circus from Los Angeles has been signed for the professional part of the Klamath Progress Days air show here May 30-31, Charlie Stark, manager of the chamber of commerce, has announced.

The professional stunt fliers will perform at and over the Klamath Falls airport May 31, second day of the show. Local amateur fliers will have a show of their own the day before.

Lapel buttons, good for admission to the show both days and to all events of the Progress Days celebration, are now being sold for $1.20.

Fence Busting Draws Charge

Arnold L. Huffman, 19, of 3320 Bristol, was due for a justice court hearing Tuesday afternoon on a charge of disorderly conduct. The young man is held in the county jail.

He was arrested last night by state police on complaint of Walter Ducat, 4015 Austin, who told police that Huffman created a disturbance at the Ducat residence Saturday night, tearing down a yard fence.

Also in the county jail starting a 10-day sentence for petty larceny is Nolan Collins, 28.

Mill Worker Loses Eye In Accident

Lee Wheeler, 34-year-old Ewauna Box company employe, suffered the loss of his right eye in an accident at the planing mill at mid-afternoon yesterday.

Wheeler was working on the moulding machine when a knot flew from the machine with full force. Wheeler underwent surgery at Klamath Valley hospital where the eye was removed. His condition was said to be satisfactory today.

600 Attend Model Show

The first showing of model trains by the Klamath Model Railroad club over the week-end attracted 600 people. Half the proceeds, about $57, will go to the local cancer drive. The exhibition was in the club's headquarters in the basement of the United States National bank building.

Models were exhibited by both the Klamath and Medford clubs. Don Robertson, a former Klamath member, and R. L. Watson, represented the Medford group.

Fifteen locomotives, 100 cars, a complete circus train made by Russell Hamer and a complete gay '90s' train made by Charles A. Johnson, were on display.

Because several members are leaving Klamath Falls, those interested in becoming members are invited to call Dr. Merle Swansen or Ted Reeves for further information.
