

Gold Rush Day To Be Held In Yreka Again

One of California's oldest and most colorful celebrations will be revived this year at Yreka, California after a lapse of eight years. It is the Yreka Gold Rush Days that will take place June 24 to 27, inclusive, and the four day program will embrace all the old time features as well as several new ones.

Highlighting the whole affair will be a mammoth historical parade on Sunday, June 27, that will attract entries from many parts of California as well as an equal number from the cities of Southern Oregon.

There will also be a night torchlight parade on Friday, June 25. Saturday, June 26 will be given over to the children who will have a junior pet parade all of their own and a picnic and party at the Gold Way.

The Yreka American Legion is sponsor of the entire celebration and much of the program will be held in the now uncompleted Veteran's Memorial building that will be finished this year following the Gold Rush Days Festival.

Invitations for participation for the many contests, parades, etc., are going forward and the committee in charge extends an invitation to all of California and Oregon to attend and be a part of this Golden Celebration.

Portal Pay Cases Out

SPOKANE, May 13 (AP)—Claims for \$2,211,000 in portal-to-portal pay were dismissed Tuesday by Federal Judge Sam M. Driver who said the union had failed to prove the 1947 act of congress unconstitutional.

The union was given 30 days to file an amended complaint. The dismissal was granted at the request of the Howe Sound Mining company, defendant in a \$612,000 action.

Combined with it, however, for the purpose of argument were suits totaling \$1,599,000 brought against the Permanente Metals corporation, the American Zinc, Lead and Smelting company, Pend Oreille Mine company, and the Metline Mining and Leasing company.

Union representatives contended in their complaints that the portal-to-portal act of 1947 is unconstitutional. But Judge Driver ruled that they failed to produce sufficient facts to show unreasonable or arbitrary action by congress in the law's passage.

Former Prison Inmate Killed

SEATTLE, May 13 (AP)—A former Washington state prison inmate was shot fatally by a policeman after he was surprised in a Montlake district tavern at 4 a. m. yesterday.

Police identified the victim as George Vernon Drake, 38, who was paroled while serving a prison term for robbery. The fatal shooting occurred after a chase into the university arboretum.

The man was killed outright by eight shotgun pellets fired by Patrolman Howard Belka. They hit his head.

Police Capt. Richard F. Mahoney said the dead man was clutching a money bag with \$13.35 in it and another with \$5.35.

Police surprised the man in the tavern after bakery workers next door reported a prowler was inside.
