

# Sporting Goods STORE-WIDE SALE!

**MATT**
*Says:*

"Be both thrifty and smart. It's a scoop . . . a real scoop . . . one that happens mighty rarely, and here's how it all happened."

We were overstocked on some items. Some is merchandise we will no longer carry. This, with the opening of fishing and outdoor activities seemed like an ideal time to run a sale and kill two stones with one bird!

We have listed a lot of items, but there are many more and it is impossible to realize the full value of this sale.

Come today and get first choice from a wide selection. This sale will run through May or until all stock on sale is exhausted.
