Candidates Dance Slated

For the purpose of giving candidates an opportunity to get acquainted with voters of the southeast suburbs Shasta View grange is sponsoring a community dance at Shasta school Saturday evening, May 15.

Grange officers state that on account of impossibility of candidates being able to contact all of the voters in this thickly populated suburb that the grange would do its bit in assisting the voters to make decisions for the primaries on May 21. The fact that there are so many candidates, especially for the office of sheriff, the voters are confused in making decisions, and the grange feels that many will refrain from voting, or may vote wildly without adequate knowledge and acquaintance of candidates.

The tickets will be \$1 with any net proceeds going to the community hall association to apply on construction of a suburban community hall.
