

Coal Contempt Case Dropped

WASHINGTON, May 18 (AP)—The civil contempt conviction against John L. Lewis and the United Mine Workers was dismissed today at the government's request.

Federal Judge T. Alan Goldsborough, however, took under consideration a government request to end the anti-strike injunction against Lewis and the union.

Goldsborough said the plea for dropping the injunction came as a surprise and he was not prepared to rule on it immediately.

Goldsborough added he is not convinced that there is no danger of a new coal strike.

The injunction was issued by

Goldsborough April 24. It replaced a temporary restraining order of April 3.

It was obtained under the Taft-Hartley act to end a six week's coal strike, touched off by a dispute over pensions for elderly miners.

NAMED
BATON ROUGE, La., May 18 (AP)—Governor Earl K. Long today named William C. Peazel, independent oil and gas producer of Monroe and Shreveport, United States Senator from Louisiana to succeed the late Senator John H. Overton.
