Wheat Slightly Higher Today

CHICAGO, May 19 (AP)—A combination of heavy cash corn sales from the country and splendid Midwest planting weather knocked corn prices down a few cents today. Other grains held fairly steady. Soybeans and lard were firm most of the day.

Wheat closed ¼-½ higher, May $2.47-$2.47¼, corn was ⅞ to 2 cents lower, May $2.31¾-$2.32, oats were ⅛ lower to ½ higher, May $1.13¾-½, and soybeans were 5 to 8 cents higher, May $4.25.

Stocks Hold Ground Today

NEW YORK, May 18 (AP) — The stock market held its ground today but aggressive selling blocked a try for higher price levels.

A few groups—notably oils, rails and metals—slanted to the plus side throughout the session. Most others wobbled back and forth in a fractional range.

Buying increased during mid-morning and for a time prices advanced. A relapse followed almost immediately.

Volume expanded when the market started ahead but later dwindled. Total for the day was at the rate of about 1,800,000 shares.

Even the oils were not immune to the selling. Standard Oil (NJ) and Texas Co. each slipped a trifle but gains of around a point were posted for Sinclair and Mission Corp. Also improved were Western Union, Montgomery Ward, Southern Railway, Anaconda, Westinghouse, American Smelting and Twentieth Century-Fox.

On the losing side were Youngstown Sheet, General Motors, General Electric, Eastman Kodak, Chesapeake & Ohio, Union Pacific and Goodrich.

Neuner Hands Down School Ruling

SALEM, May 19 (AP) — A county rural school board cannot bring court action to recover funds from tax property sold below the actual value, Attorney General George Neuner ruled today for the state department of public instruction.

The question arose in Lane county, where it has been charged that the county lost more than $2,500,000 through sale of timber lands which had not been appraised and where the timber had not been cruised.

The Lane county rural school board wanted to sue the county, because 80 per cent of funds from the sale of tax lands is given to schools. But Neuner said the board can't sue.

Power Company Gets Stock OK

SALEM, May 19 (AP)—The Mountain States Power company was granted permission from Public Utilities Commissioner John H. Carkin to issue $3,500,000 worth of first mortgage bonds and to issue $1,000,000 worth of stock.

The money will be used to improve the company's system.

The bonds will bear 3⅜ per cent interest. John Hancock Mutual Life Insurance company will buy $2,500,000 of the bonds and the Massachusetts Mutual Life Insurance company will buy the other $1,000,000. The two companies also will take the stock in about the same proportion.

Sisters Hold Top Honors

CHILOQUIN, May 19 — Sisters hold the two top grade averages in the 1948 class of graduates from Chiloquin high school. Jean McKell was named valedictorian and her sister, Ann McKell, is salutatorian. Both are daughters of Mr. and Mrs. G. D. McKell. The record of the younger girl, Jean, is the more remarkable in view of the fact that she is a three-year student in high school. The sisters have lived in Chiloquin all their lives.

Ann and Jean have been active in school activities and were the first and second winners of the Robert Muskrat memorial trophy, presented first in 1946 to the outstanding freshman or sophomore of the year on the basis of grades, citizenship and activities.

This year each sister has held offices in her class, drama club, journalism club and in the student body. They had parts in the play "June Mad," form two-thirds of the girls' trio, participated in the speech festival and work in the Girls' Athletic association.

In the past no one family has placed a valedictorian and salutatorian in one year, but the honors have been held over a period of years. In 1942 John Monks was salutatorian, in 1944 Bob Monks was valedictorian and their sister Mary Monks was valedictorian in 1947. Bill Floyd in 1945 and Rose Marie Floyd in 1946 were each valedictorians. Norma Lee Gienger in 1945 and Bonnie Gienger in 1947 were valedictorian and salutatorian respectively.
