Anti-Red Bill Stalls In Senate

WASHINGTON, May 21 (AP)—Senate republican leaders Thursday promised discussion—but no early action—on the anti-communist bill banched through the house by a 319 to 58 vote.

Chairman Wiley (R-Wis.) told a reporter there "certainly" will be judicial committee hearings on the measure sponsored by Reps. Mundt (R-S.D.) and Nixon (R-Calif.).

It is designed to curb communist party activities as a "clear and present danger" to the United States.

The Mundt-Nixon bill says an international communist movement is plotting to set up a dictatorship in this country through Moscow-controlled organizations. It tabs the communist party here as one of such controlled groups.

With stiff fines and imprisonment, the measure makes it illegal to try to create a foreign controlled dictatorship in this country.

Senator Taft of Ohio, who heads the republican policy committee, said he thinks the measure needs "serious study" before the senate acts on it.

"As I read the bill," Taft said, "it requires the registration of anybody who is trying to set up a dictatorship. But that would be an admission of what becomes a crime under the bill. So there would be no registration. I'm afraid it would merely drive communism underground."

Three Tulelake Students Take Valedictory Honors

Three girls, members of Tulelake high school's senior class, will divide honors as valedictorians of their class as each maintained "A" grades so close that neither had a shade on the other. Honor students are, left to right, Peggy Terry, Pat Terry and Shirley Heck. The Terry twins are daughters of Mr. and Mrs. S. F. Terry and Shirley is the daughter of Mr. and Mrs. Earl Heck. Commencement is scheduled for Tuesday, June 1.

Valedictory Honors Split Three Ways Among Three Girls With High Grades At Tulelake

TULELAKE, May 21—Valedictory honors will be divided three ways in the senior class of the high school this year with a trio of girls, including twin sisters, qualifying. Each had 42 "A" grades out of a possible 48 for four years of high school work. The honor students are Patsy r d Peggy Terry, twin daughters of Mr. and Mrs. S. F. Terry, and Shirley Heck, daughter of Mr. and Mrs. Earl Heck.

All have been active in extracurricular school activities and in the Tulelake assembly, Order of the Rainbow for Girls. Patsy and Peggy v i jointly share honors as worthy advisor of the assembly during the term of office which began Wednesday. All three also have plans for college next fall.

No decision has been reached on the salutarian and it is possible because of the unique three-way valedictory honors that none will appear on the commencement program, it is announced by Norman Eiler, principal.

Those coming in late are void. Klamath county absentee ballots this year went as far back as New York, but none was requested or sent overseas to military service personnel.

Absentee ballots returned were put into the ballot boxes for the proper precincts and will be counted right along with regular ballots. No record is kept of how absentee vote.

The juniors entertained the seniors at the annual banquet which will be at Sari's Thursday evening.

The senior prom is planned for th high school gymnasium Friday evening, May 28, with Bakdy's band to play from 10 p. m. until 2 a. m. A desert scene will background the dance which is semi-formal. Invitations have been mailed.

Baccalaureate services will be Sunday evening, May 30, in the high school gymnasium with Rev. Hugh Bronson, pastor of the Tulelake Community Presbyterian church speaking. There will be special music.

Commencement on Tuesday, June 1, is planned around a student program, also scheduled for the high school gymnasium.

The class in caps and gowns will be presented by the faculty sponsor, Mrs. Josephine Converse.

Diplomas will be presented by W. C. Hagelstein, Dorris, member of the Siskiyou joint union high school board and the special awards by Principal Esser.

Charles K. Wiese, president of the

170 Absentee Ballots In

Only 170 absentee ballots will be counted with the regular Klamath county ballots Friday night.

The county clerk's office put out 194 absentee ballots for this primary election, but 24 of them either were not returned or were returned so late that they will be discarded. Deadline was "five full days before election"—or last Saturday.

Those coming in late are void. Klamath county absentee ballots this year went as far back as New York, but none was requested or sent overseas to military service personnel.

Absentee ballots returned were put into the ballot boxes for the proper precincts and will be counted right along with regular ballots. No record is kept of how absentee vote.

Dog Statue To Be Built Again

TOKYO, May 21 (AP)—Dog lovers have arranged for a new statue of Hachiko, Japan's most famous dog. Hachiko became famous in the '20s. Each night he met his master at the busy Shibuya railway station here. When the master died, Hachiko did not understand. Nightly he met the commuter trains for 11 years looking for his master.

After he died in 1934, a statue was raised by commuters to his memory, they grew accustomed to meet "in front of Hachiko."

During the war the statue was melted down for the army. People made much ado over Hachiko going to war and a farewell ceremony was held.

Now they are bringing him back.

Vaccination May Prove Expensive

WASHINGTON, May 21 (AP)—An army doctor's vaccination of Miss Sylvia M. Mitschich of Portland, Ore., will cost the government \$4000 if a house-approved bill becomes law.

Miss Mitschich, a civilian employe of the army, asked for \$7500, saying she was unable to use her left leg for a year as a result of an infection which developed from the smallpox vaccination. The house reduced the amount to \$4000 in sending the bill to the senate.

A report accompanying the bill said she was vaccinated in January, 1944, pursuant to an order affecting military personnel at the Portland support of embarkation. She was hospitalized for several months, first in Barnes General hospital at Vancouver, Wash., and then in St. Vincent's hospital in Portland.

Milk Order Due Around June First

Representatives of the milk control section of the state department of agriculture told Klamath dairymen Thursday that a new order setting the minimum price of milk in Klamath county will be issued around June 1.

Melvin Conklin of Portland and Fred Hutton of Bend were the two state men conferring with members of the county dairymen's association and the Dairy Herd Improvement association. The meeting was held in County Agent C. A. Henderson's office.

In Benton county today a one-cent quart retail price increase was set for that area.

Election Returns To Be Announced

Election returns will be announced between acts at tonight's showing of "The Show-off," the Community Players' production at the Oregon Vocational school theatre.

Returns will be obtained directly from The Herald and News for announcement to the play audience.

"The Show-off" is sponsored by the Kiwanis club and proceeds will go to the Kiwanis park in Mills addition. The curtain is at 8 o'clock.

One pound of smelts is sufficient for two people. They may be fried in deep fat, broiled or baked. They should always be served with wedges of lemon.

Blind Flying Crash Cause

WASHINGTON, May 21 (AP)—The civil aeronautics board said Thursday an aircraft in which Gov. Earl Snell of Oregon was killed last October 28 probably resulted from the pilot's inability to fly "blind."

The CAB said its inquiry showed the small plane, en route from Klamath Falls to Adel, Ore., flew into a heavy rain which limited visibility. The pilot, Clifford W. Hogue, lacked "training and experience required to safely control the airplane without reference to the ground," the board said.

All four persons aboard the Beachcraft Bonita plane were killed, including Robert S. Farrell, Oregon secretary of state and Marshall E. Cornett, president of the state senate.

They were going from Salem, Ore., to Adel for a hunting trip and stopped at Klamath Falls because of bad weather.

The pilot had flown 5900 hours. His record showed five previous accidents and two penalties for violating rules.

The board reported that the plane was in a sharp dive when it struck the ground.

Pilot's Kit Available

A commercial pilot's examination kit is available to fliers studying for commercial licenses through the civil aeronautics authority.

The kit, giving detailed information on the written examination, has been prepared by the office of safety regulations of CAA.

Included is a guide of the material to be studied, how the exam is given and graded. It also contains sample questions, a world aeronautical chart to be used for navigation problems and an approximate United States weather bureau map.

The kit may be ordered from the Superintendent of Documents, United States government printing office, Washington 25, D. C., and costs 30 cents.

Grosvenor Square Site Of Beefs

LONDON, May 21 (AP)—Grosvenor Square, beautiful to be a fitting setting for the newly unveiled statue of Franklin D. Roosevelt, has become infested with lovers, according to complaints to the ministry of works.

They sit on the grass in great numbers, and even lie on it, to the disgust of some Mayfair neighbors. One of the neighbors is the United States embassy but, according to a spokesman, no complaint has come from there.

"The state department has taken no notice, but as individuals we have of course noticed a few things," he said.

The works ministry has assigned uniformed attendants who chase all the lovers into Hyde park.

Chained Dog Is Election Issue

PORTLAND, May 21 (AP)—An elector complained today that voters were being influenced by a chained dog at a residence used as a polling place.

Portland is voting on whether dogs must be leashed when off their owners' property.

The chained dog was an ornamental china figure, but the district attorney's office said it would have to go. Landon Penne, the owner, said it would be back in its accustomed place tomorrow.

Accounting Work Finished At OVS

OVS, May 21—Work on an accounting system and budgetary controls set-up has been completed by two state men at Oregon Vocational school.

Work has been done for several days by Edward Ross, accountant with the state department of vocational education, and Raymond Fields, accountant with the state department of auditions, both of Salem.

Diesel Electric Bus Goes To OVS

OVS, May 21—A diesel electric bus has been allocated to Oregon Vocational school by the federal works agency of Seattle, Wash.

The 44-passenger vehicle will be converted by the diesel class into a straight diesel but for use on field trips, inspection tours and in the athletic program.

Blind Flying Crash Cause

WASHINGTON, May 21 (AP)—The civil aeronautics board said Thursday an aircraft in which Gov. Earl Snell of Oregon was killed last October 28 probably resulted from the pilot's inability to fly "blind."

The CAB said its inquiry showed the small plane, en route from Klamath Falls to Adel, Ore., flew into a heavy rain which limited visibility. The pilot, Clifford W. Hogue, lacked "training and experience required to safely control the airplane without reference to the ground," the board said.

All four persons aboard the Beachcraft Bonita plane were killed, including Robert S. Farrell, Oregon secretary of state and Marshall E. Cornett, president of the state senate.

They were going from Salem, Ore., to Adel for a hunting trip and stopped at Klamath Falls because of bad weather.

The pilot had flown 5900 hours. His record showed five previous accidents and two penalties for violating rules.

The board reported that the plane was in a sharp dive when it struck the ground.

Movie Writers Get Jail Term

WASHINGTON, May 21 (AP)—Movie Writers John Howard Lawson and Dalton Trumbo were each sentenced to a year in jail and fined \$1000 today for contempt of congress.

Federal District Judge David A. Fine sentenced Trumbo, script writer of "30 Seconds Over Tokyo." Judge Edward M. Curran imposed the penalty on Lawson, author of such films as "Smashup" and "Blockade."

The sentencing came after both were denied new trials. Lawson was convicted April 18 and Trumbo May 5.

Both were accused of refusing to tell the house unAmerican activities committee last fall whether they were communists. Eight other Hollywood figures were indicted on similar charges.

All have announced plans to appeal their cases to higher courts.

Olympia Gets New Traffic Tickets

OLYMPIA, May 21 (AP)—The state's capital city is welcoming its cut-of-state visitors with a new type of traffic ticket. It permits them to park as long as they like.

Sponsored by the police department and junior chamber of commerce, the tickets, signed by Police Chief Roy L. Kelly, read:

"This ticket is to tell you as a visitor to our capital city you may park as long as you like, but please be reasonable and please do not park in safety zones or near fire hydrants.

"We hope your stay here will be a pleasant one. If there is anything we can do to make it so, or any information you desire please call on us."

For At Low As \$10 Per Month On Our Budget Plan

We've Multiplied Our Market by 5

We've Multiplied Our Market by 5
—with Stinson Planes

Frank Query, fence manufacturer, Los Angeles

"With this 4-place fly-anywhere plane, the jobs 500 miles away are more profitable than jobs 100 miles away used to be," says Frank Query, who learned to fly at 44. "Soon after buying our first Stinson, we decided we needed two of them!"

"Our Stinsons paid for themselves through savings in time, and savings in transportation costs. Now they pay us a steady profit. I can fly direct to any installation job, with a three-man crew and their tools."

Is this a profit-making idea for your own business? Let us check the facts with you.

See America's No. 1 Utility Plane!

New Stinson for '48 carries four people, and baggage, or pilot and 640 cargo-lbs. Spin resistant. Safe, easy to fly. Cruises at 130 m.p.h., at 5,000 ft., with range of 554 miles. Quick take-offs and slow landings, for short-field operations anywhere. See America's best-selling, 4-place plane. Let us give you a demonstration flight.

FREE FLIGHT TRAINING

We offer free flight instruction—up to the point where you fly the airplane alone (solo flight)—to a limited number of qualified business and professional men. Government-approved instructors. No obligation. Inquire now!

SHASTA CASCADE FLYING SERVICE
KLAMATH FALLS, OREGON

CITY BRIEFS

Son Born—Mr. and Mrs. Malvern D. Alcorn of the Edgewood ranch of Swan lake are the parents of a son born Thursday morning, their first child. The birth occurred on the birthday of the child's uncle by marriage, Eddie Simpson. The youngster is the grandchild of Mrs. Helen Hoffmann of the Klamath Union high school staff and grandnephew of Malcolm Epley of The Herald and News.

From Los Angeles—Mr. and Mrs. E. N. Ferrell of Los Angeles spent a few days this week with Mr. and Mrs. W. E. Anderson, 700 Doty. Mrs. Ferrell and Mr. Anderson are sister and brother.

In Town—Harold Franey of Chico, formerly Klamath Falls police judge, has been visiting in Klamath Falls since Saturday. Franey will return south Friday.

Scouts End Big Council

SEATTLE, May 21 (AP)—The National Council of the Boy Scouts of America ended last night with silver buffalo awards to seven men, including Composer Irving Berlin and Lord Rowallan, chief scout of the British commonwealth and empire.

The award is made annually for distinguished service to boyhood of a national or international character.

Others who received the award were Belmore Browne, artist and explorer of Ross, Calif.; Cherry L. Emerson, dean of engineering at Georgia Tech, Atlanta, Ga.; R. B. Hale, San Francisco merchant; Robert F. Payne, New York educator, and Wade W. Thayer, Honolulu attorney.

Amos Houghton, National Boy Scout president, announced resignation of Reinald B. Parsons, Seattle, as a national vice president and member of the national executive board. Kenneth K. Bechtel, San Francisco, and Alton F. Baker, Eugene, Ore., publisher, were elected to replace Parsons as vice president and board member, respectively.

Baker previously was re-elected regional chairman.

Federal Men Attend Meet

Delegates from federal government offices in the Klamath country left today to attend the state convention of the National Federation of Federal Employees in Eugene, to be held Saturday.

Those attending include A. D. Harvey, governor of the local association, and Warren Bennett, both of the bureau of reclamation; W. L. Davenport, soil conservation representative; A. Poole of Klamath Agency and Walter A. Fleet of the internal revenue service. They will return Sunday.

At a meeting Thursday night in the bureau of reclamation recreation hall, members of the association heard a talk on retirement by Earl R. Hooge, national representative of the NFFE.

Kirk Woman Takes Own Life

Kirk in Northern Klamath county, took her life shortly after noon yesterday at the family home.

Mrs. Unruh shot herself through the head with a .765 Mauser, a German pistol. Death was instantaneous.

The woman, who had been in ill health since 1944, was found by her six-year-old daughter Sharon, who ran to a neighbor, Mrs. Albert Stone, crying that her "mother was asleep."

In the meantime, Mrs. Unruh had failed to meet northbound 20 for the mail sack. Mrs. Stone and others investigated and found Mrs. Unruh's body on the davenport in the living room. Sylvester Unruh is section foreman on the Southern Pacific and was working 18 miles north on the line with a crew.

The body was brought to Ward's. Mrs. Unruh had lived in Klamath county for more than 20 years.
