

Vet Bonus Petition Circulated

An initiative petition to put on the ballot in the forthcoming general election an Oregon World War II veterans' bonus measure is in circulation in Klamath Falls.

The proposed measure, if approved by the voters, would amend the Oregon constitution to authorize a cash payment to honorably discharged persons who served actively in the armed forces of the U. S. or any of its allies between December 7, 1941, and September 5, 1945, and who were Oregon residents one year before and at the time of entry into such armed forces. Also

payment would be made to the unmarried widow, or child, or dependent father or mother of any person who died in service and who would have been otherwise eligible to receive payment had he lived.

Payment, not exceeding a total of \$500 would be made at the rate of \$15 for each month of service, with an additional \$10 for each month of service outside the continental limits of the United States. A fund for payment would be created by the sale of bonds limited to 3 per cent of the value of assessable property in the state.

The signatures of 18,969 registered voters, certified by the county clerks of the counties in which they were obtained, are necessary in order to introduce the proposed measure in the November elections; such signatures must have been filed with the secretary of state by July 1.

The petition was initiated by Yank Legion post of Portland, Ore. The petition is available for signing at several local business firms, as well as from individual circulators.

Foreign Speculation Figure Said High

WASHINGTON, May 26 (AP)—Congressional investigators urging tighter tax rules on foreign brokers Tuesday estimated foreigners profited by \$65,500,000 to \$129,000,000 speculating on U. S. commodity markets during 1946 and 1947.

A special house committee looking

into speculation for the period said none of the total estimated capital gains was subject to taxes.
