

# Six Squads Forming Junior Ball League

## Merrill, Tulelake, Four Locals Enter

A six-team league made up of teams from Merrill, Tulelake, Mills, Conger, Altamont and Del Moro districts is planned for the American Legion Junior baseball program this summer, under direction of Hal Shidler. The six teams will play a 10-game schedule and begin playoffs the last two weeks in July. Games will start June 9 and will be played each Wednesday and Saturday until each team in the circuit has played every other team twice.

In addition to the six league squads, there will be a seventh team made up of larger boys who have had Junior Legion baseball experience in the past. That team will play an independent schedule and will be the summer.

Players for this team are picked on performances in Junior Legion baseball last summer but additional players from local league teams can be added before June 30.

Jack Bothwell will coach the composite team, and will announce his players and practice plans later. Uniforms to be worn by that squad are furnished by the Balsiger Motor company, local Ford dealer. It is national Ford company policy to aid the Junior Legion baseball program.

The six districts for the league are:

**Conger**—All territory north of Washington and Crescent avenues. Earl Brooks is coach and can be contacted by phone at 5144 or 9912.

**Del Moro**—Area south of Washington and Crescent to Old Fort road and Main street to the SP tracks. Ernie Bishop is the coach, phone 8450.

**Mills**—Territory lying south of the Del Moro area to the city limits and north of Shasta way. Jim Crane is coach, phone 6157 or 3824.

**Altamont**—Area outside the city limits in the Altamont suburban district. Jack Bothwell is coach.

**Merrill**—Area south of the Altamont district to the California line. Harold Hendrickson is coach.

**Tulelake**—That city and surrounding territory below the Altamont line. Don Dysart is coach, phone 2601.

All players not living in one of the city districts may play for a team in any district. For instance, it is permissible for boys from Chilquin or Bonanza to hook on with one of the teams.

Schedule of games is flexible in that special arrangements can be made between coaches for dates and playing time.

The schedule:

**First Half**  
June 9—Mills at Altamont  
Merrill at Conger  
Tulelake at Del Moro  
June 12—Altamont at Merrill  
Conger at Del Moro  
Tulelake at Mills  
June 15—Merrill at Tulelake  
Conger at Altamont  
Del Moro at Mills  
June 20—Altamont at Tulelake  
Del Moro at Merrill  
Mills at Conger  
June 23—Del Moro at Altamont  
Merrill at Mills  
Conger at Tulelake

**Second Half**  
June 26—Altamont at Mills  
Conger at Merrill  
Del Moro at Tulelake  
June 30—Merrill at Altamont  
Del Moro at Conger  
Mills at Tulelake

July 7—Tulelake at Merrill  
Altamont at Conger  
Mills at Del Moro  
July 10—Tulelake at Altamont  
Merrill at Del Moro  
Conger at Mills  
July 14—Altamont at Del Moro  
Mills at Merrill  
Tulelake at Conger  
July 17—Playoffs.

### Pheasant Eggs Ready For Use

Six hundred pheasant eggs are now in town and ready for distribution to persons who will agree to have them hatched and release half the young birds.

The eggs were obtained from the state game commission by Klamath Sportsmen's association and will be distributed by Win Southwell. Information on hatching and care of the young birds can be had from Southwell or from Tom O'Dwyer.

Persons interested in hatching pheasants for their own use and for the betterment of hunting in this area can get the eggs from Southwell on Summers lane.

Turn those no-longer-used articles into cash now! Herald and News Want Ads are inexpensive and bring quick results.

## All Eyes On Patton In Coast Track Meet

LOS ANGELES, May 27 (AP)—Five meet records are in danger when the Pacific Coast conference stages its first postwar track and field meet here tomorrow night.

As athletes from the 10 member schools gathered today for the cinderpath renewal, experts predicted new marks would be established in the 100 and 220 yard dashes, the two hurdles and the shotput.

The sprint records should fall before Mel Patton of Southern California. Craig Dixon of UCLA has beaten both records in the high and low hurdles in other events this year, and three shotputters, Bill Bayless of USC, Otis Chandler of Stanford and Jerry Shipkey of UCLA have tossed the iron ball over 53 feet this season.

Stan Andersen of Stanford holds the shot mark of 52 feet 8 1/2 inches. Patton has claimed a world record for the 100 yards of 9.3 seconds and has skipped the 220 in 20.4. The conference meet record for the century is 9.6, shared by Clyde Jeffrey of Stanford and Hal Davis of California. Jeffrey and Charles Borah of oldtime USC fame hold the 220 record of 21 seconds flat.

Personnel is tentative now, but athletes by number entered are: USC, 18; UCLA, 18; California, 26.

## Pirates Down Klamath 11-7 To Square Set

SANTA ROSA, May 27 (Special)—Santa Rosa's Pirates lumped seven runs and seven hits in the fifth inning last night to knock down an early Klamath Falls lead and beat the Gems 11-7. By the win the Bucs regained a little of their balance at the top of the now 100-steady Far West league standings.

The Gems started right to work on Pitcher Dick Kinslow, scoring two runs in the first frame and adding another in the second. By the end of the fourth the Oregonians were leading 4-3 as Santa Rosa picked up one tally in each of the second, third and fourth.

In the fifth Santa Rosa sent 13 men to bat, knocked starter Lou Vitous from the hill, followed up by blasting Forrest Schottengen and got a couple of hits and a run off John Lopeman before he retired the side.

Catcher Ed Conforti, a newcomer to the Santa Rosa lineup, led the attack with a triple, double and single in five times at bat. Billiard Beeson got the only extra-base blow for the Gems, a double driving in two runs in the first frame.

Rain is coming down in Santa Rosa today and tonight's scheduled game may be called off.

The fastest man to date in the 440 is Washington State's Joe Nebolon, with 47.5, fourth fastest in the nation. Oregon State's Bob Laidlaw has a broad jump of 34 feet 2 inches to his credit. Dave Dalby of Washington has thrown the discus 157 feet 2 1/2 inches.

Don Wold, Washington (9:33.4) may give SC's Roland Sink (9:14.9) a run in the two mile and Eischen (4:17.6) appears likely to press Sink (4:13.2) in the mile run.

The first three finishers in each event qualify for the coast conference team against the Big Nine June 22 at Evanston, Ill.

## Keneston Out, Angelo Is Back On Wrestle Circuit

An unexpected injury to Bob Keneston, forcing him to be taken off the Friday night wrestling card, has broken for the better for Promoter Mack Lillard and local wrestling fans.

Keneston was hurt in an upstate bout and notified Lillard yesterday.

## Sox Meet Beavers Tonight

Manuel Pankrats will toe the slab for the Klamath Falls Red Sox tonight when the semi-pro clump meets the Oakland Beavers, colored traveling team, at 8 o'clock at Gem stadium.

The Beavers are making a swing through the Northwest now, playing almost every night, and have scheduled the Sox for an exhibition. Starting pitcher for the Beavers is expected to be Kenneth Taylor of Los Angeles, who holds some sort of record for having pitched three no-hit no-run games in one baseball season, 1947.

Earl Brooks, business manager of the Red Sox, said that Pankrats will start on the mound for the locals and Amado Pozo will do the catching.

The Beavers are a comedy team of professionals captained by Eddie Burke, one of the best negro baseball players in the game. Burke plays second base. Several other luminaries of colored baseball are on the traveling squad.

The Red Sox, of the Southern Oregon Sunday baseball league, are renting Gems stadium from Klamath Baseball Inc. for games and plan to have several exhibitions here in town this summer.

### Rodeo Goes Collegiate At U of Wyoming

LARAMIE, Wyo., May 27 (AP)—The rodeo—profitable year around sport of cowboys and cowgirls—has gone collegiate.

The past two years have seen a rapid increase in rodeo activity at colleges in Wyoming, Colorado, New Mexico, Texas, California, Nevada, Arizona, Montana, Utah and Kansas.

Organized here in 1946, the University of Wyoming Rodeo association has some 60 members. All regularly enrolled men and women students are eligible to join, but the requirements are tough.

It isn't just a matter of practice for prospective members of the cowboy rodeo team. It takes years of experience to become a performer.

Dale Stiles of Laramie, a ranch-born collegian and one of Wyoming's top riders, says most members of the association are ranch-bred.

"Those who haven't had experience on a ranch, or those who are not ranch bred can't anticipate what a horse will do," Stiles says.

Colleges in the 10 states where rodeo teams have been formed are now organized into the Western Intercollegiate Rodeo association.

The college events are bareback and saddle bronc riding, Brahma bull riding, calf roping, team tying and bulldogging. Each man can enter one event or all of them.
