Negligent Homicide Count Filed

A felony charge of negligent homicide was placed against Alfred Jerome Crump Thursday morning as a result of an automobile accident near Midland Sunday night which took the lives of two women, Mrs. Ruby Augusta Crump and Mrs. Emma Ellen Huffman.

Crump, a Coos Bay resident, was brought over to justice court from Klamath Valley hospital for arraignment. He heard the charge from an ambulance stretcher. He said he intended to plead not guilty.

Said Driver

State Police Officer William Christensen signed the complaint against the 35-year-old Crump and officers said they had witnesses to show that Crump was driving his car at the time of the accident.

Crump's machine, a club coupe, collided head-on with a sedan driven by Norman Benjamin Huffman of Fort Jones, Calif., killing Mrs. Crump and Mrs. Huffman instantly. Rodney Earl Schneider, also of Coos Bay and a passenger in Crump's car, was also seriously injured.

Admit Drinking

When questioned at the hospital the night of the accident, Crump told officers that Mrs. Crump was driving and he admitted that he and Schneider had been drinking at Dorris, state police said.

The investigation was carried farther and state police came to the conclusion that Crump himself and not his wife was at the wheel.

Crump was released from the hospital today and was to have been taken to Coos Bay by Kaler ambulance. However, he was placed under arrest at the hospital and brought into court. He has a broken leg, injured back and other hurts. Schneider and Huffman remain in the hospital.

Bail for Crump was set at \$5000 cash or \$10,000 property and he was committed to the county jail. He said he expected to make bail.

Pheasant Egg Offer Made

Klamath basin sportsmen are being offered 600 pheasant eggs free of charge.

These eggs have been shipped by the state game department through the auspices of the Klamath Sportsman's association with the purpose of increasing pheasant population in this area.

Anyone accepting these hatching eggs must agree to release half of the birds and may keep the balance for food or breeding stock.

Eggs can be obtained in the evening from Win Southwell, 2815 Summers lane and during the day from his office, 951 Main. They can be hatched by broody hens or in an incubator.

Information on hatching, pens or food can be obtained by calling Tom O'Dwyer at 7711 days, or 8069 evenings.

These eggs have been in transit for a week and should be set as soon as possible. Those desiring eggs should pick them up without delay, O'Dwyer advises.

Linman Up For School Board

Jack Linman, well known Klamath Falls businessman, Thursday filed nominating petition with School Clerk A. W. Heston for the position of director of School Board No. 2, Klamath Union high school.

Ten names are necessary on the petition and Linman's petition carried 15.

Linman has filed for the position now held by K. G. Klahn who has indicated he would not be a candidate for re-election.

Heston said he had not received petitions for directorship on Board 1, elementary, the post now held by Howard Barnhiser who has also advised the clerk he would not be a candidate.

Petitions for Board 2 must be in the hands of the clerk by June 17, the election June 28. Board 1 petitions must be in by June 12, election June 21.

GAR Ranks Thin To Three Score

WASHINGTON, May 26 (AP)—The fast thinning ranks of the Grand Army of the Republic will number less than three score on Memorial Day.

Rolls of the veterans administration disclose that as of May 26 there were only 52 known survivors among those who wore the blue in the war between the states.

The youngest is 97-year-old James Crugon, Chicago; the oldest is Albert Hard, Rochester, N. Y., who will be 106 next July 15.

No records are kept by the government of Confederate veterans, but their number is estimated to be slightly under that of the men who served in the Union army.

Most of the GAR veterans receive about \$120 monthly from the government, a few get less.

UO Librarian To Go To Stanford

EUGENE, May 28 (AP)—Dr. Roy C. Swank, head librarian at the University of Oregon, has resigned to become head librarian at Stanford university. He will leave here September 1, President Harry K. Newburn announced here Thursday.

Swank, now on leave of absence in Los Angeles to assist in a survey of the public library system there, came here in 1946 from the University of Minnesota, where he was chief catalogue librarian.

CHICAGO, May 27 (AP-USA)—Potatoes: Total U. S. shipments 1140; arrivals 121; on track 214; supplies moderate; demand slow for California market weaker; for Alabama Triumphs demand good, market stronger; Alabama Bliss Triumphs 4.60; California Long Whites \$2.25-3.00; old stock: Minnesota-North Dakota Red River valley Bliss Triumphs \$2.10; Wisconsin Katahdins \$3.00.

Stocks Go Into Decline

NEW YORK, May 27 (AP)—The stock market went into a long slow decline today after an early short-lived burst of demand.

The market closed with losses of fractions to a point or so in the majority. In the morning the industrial group had hit a new peak since August 1946.

Activity slackened soon after the opening but expanded a bit late in the session when selling pressure became more aggressive.

Sales were credited mainly to profit-taking operations.

Turnover was at the rate of about 1,800,000 shares.

Taking the worst beating—off a point or more—were Nickel Plate Railroad, U. S. Steel, and U. S. Rubber.

Among the gainers were General Motors, Chrysler, Montgomery Ward, J. I. Case, Eastman Kodak, U. S. Gypsum, Standard Oil (N.J.), and Electric Power & Light.

On the losing side were Willamette Industries (after reaching a 1948 high); Douglas Aircraft, Northern Pacific, Allied Chemical, Schenley, and Packard.

In the bond market selected rails improved. In over-the-counter trade some U. S. government bonds tacked on new gains.

High Center Structure To Rise On Hill

Plans for a pyramid-shaped building which will rise eight stories at its center section were approved in Washington Thursday as the main structure of the Klamath Falls veterans hospital to be constructed on a site back of Hot Springs overlooking the city.

R. H. Smith, head of the hospital section of the army engineers in Portland, was in town this morning to report the approval to Mayor Ed Ostendorf.

Drawings Okayed

At Portland, the army engineers office said that Washington officers had okayed the line drawings on the big building, and working drawings will be prepared immediately by the architect. Construction of the hospital is expected to start this year, probably in the fall.

The over-all plan is for a 200-bed hospital, with a maximum height of eight stories at the center section. It is to be built in steps with the center the high point.

Smith conferred with Mayor Ostendorf on the site of the construction project. As a result of the meeting, the mayor said that steps must be taken immediately by the city and county toward the development of an approach road to the highlands location.

Drilling is now under way on the site in connection with foundation investigations.

Test Well

The mayor said also that a test well will be drilled to determine if hot water heating can be arranged for the building. He said he understands this is still the plan, although some time ago the engineers called off bids for the test well, indicating they had given up hot water heating. "They've apparently revived that idea," said the mayor.

Smith returned to Portland on the noon train.

Adler Top In Coroner Race

Dr. George H. Adler, the democratic coroner incumbent, won both the democratic and republican nomination at the recent primary, a check of the records showed Thursday.

Dr. Adler ran without opposition for the democratic nomination. In the write-in contest on the republican ballots, he received 287 votes to 79 for his nearest rival, Dr. J. Martin Adams. Dr. Adams was not a declared candidate but received considerable support, indicating some quiet activity in his favor for the nomination.

In precinct 26, which votes at Roosevelt school, the contest was most in evidence. There Dr. Adler received 24 votes and Dr. Adams 16 votes.

Others who received a smattering of votes for the republican nomination on write-ins were Dr. Paul Sharp, Earl Whitlock, Marvin Albee, Dr. Cecil Adams, Dr. Samuel Earhart, Dr. F. E. Trotman, Dr. G. V. Rugh, and several other doctors.

Memorial Day services will be held on Monday at 9:30 a. m. veteran sources announced here Thursday. There had been some question whether the ceremonies would take place Sunday or Monday, but a decision for Monday has been made. Services will be held at the Link river bridge and the Memorial Shaft on the courthouse lawn.
