VA Hospital Here To Face Toward Shasta

PORTLAND, May 28 (AP)—Klamath Falls Veterans hospital will be designed to give a maximum view of the valley and Mount Shasta.

Hollis Johnston of the architectural firm planning the structure, said Thursday.

Approval of preliminary drawings was reported yesterday and the firm now is going ahead with detailed plans.

Johnston said the building is to be on a side hill and have a height equivalent to five stories. The central part will be 380 feet long and wings of varying sizes will extend out from it.

The main entrance will be on the upper side and will be reached from a new road to be constructed from the Old Fort road, Johnston said.

The 200-bed hospital will be for general medical and surgical care and in addition rooms will be provided on the top floor for 26 neuro-psychopathic patients.

In addition to the main structure there will be a group of other buildings including apartments for the medical staff, quarters for nurses and building attendants and a boiler house.

Because plan drawing is in a preliminary stage, no exterior view sketch has been prepared, Johnston said.

Cost Of Living Now Jail Issue

WETHERSFIELD, Conn., May 28 (AP)—A municipal judge ruled that the high cost of living had "outmoded" the dollar-a-day rate of working out jail sentences.

Benefitted was a man who had been given a \$25 or 25 days sentence. Judge Herbert Nichols cut the sentence to six days. He said: "Even in jail a man's time is worth more than a dollar a day."

Police Here Kept Busy

City police arrests the past 24 hours included three for traffic violation, five for intoxication and two others for both intoxication and vagrancy.

Ted Bordeaux, 40, 439 High, was sentenced to 30 days in jail on each of two charges of drunk and vagrancy by Police Judge Howard Strode after Bordeaux was arrested at the Consumers Heating company plant on Klamath avenue Thursday night.

There was a small fire at the plant which was believed caused by someone throwing a cigarette into a fuel pile.

Palmer Dixon, 36, Weyerhaeuser camp 6, was booked for drunk and vagrancy after he was arrested at a Klamath avenue tavern Thursday night and given a 40-day suspended sentence.

Talmadge E. Durham, 22-year-old truck driver, paid a fine of \$30 and is spending 10 days in jail on conviction of reckless driving. He was arrested on Blehn street about midnight.

Harold Hampton Ogle, 55, 620 Washington, was fined \$5 for a violation of the basic rule and James H. Phipps, 19, Midland, was due in police court Friday afternoon on a similar charge.

Mrs. C. O. Summers, 414 Oak, and Douglas W. Pence, 234 N. 2nd, each paid \$5 for allowing a dog to run at large.

REAL PLUM PICKER "Little Jack Horner" was a real boy. At the onset of a campaign against monasteries, the Abbot of Glastonbury Abbey sent to Henry VIII the title deeds of neighboring manors. On the way, Horner, the messenger, "stuck in his thumb and pulled out a plum" in the shape of a little deed to the Manor of Mellis, which he kept.

AAF Sign-Up Quota Cut

Enlistments in the air force have been reduced greatly and placed on a quota basis effective June 1.

M. Sgt. John P. Rose, station commander of the Klamath Falls army and air force recruiting station, announced Thursday.

He urged young men contemplating enlistment in that service to make immediate application "to assure themselves a place in the air force" before curtailment goes into effect.

Oregon district has applications pending on more than twice the number of men needed to fill its June quota of 112, Sgt. Rose said, pointing out that higher recruiting headquarters will not permit quotas to be exceeded.

The sergeant said the quota does not affect air force personnel re-enlisting within 90 days of date of discharge. He said that men who wish to be certain of enlistment in the air force should apply before closing time May 31, when the curtailment will go into effect.

OVER-RIPE THOUGH GREEN If left on the tree after becoming ripe, or orange-colored, the Valencia orange often turns back to its original green color; thus, some green oranges are over-ripe.
