# Solons Hear Truman Plea For Housing

WASHINGTON, June 2 (AP)—President Truman made a new plea to democratic congressional leaders today for passage of housing, reciprocal trade and education legislation.

Mr. Truman's appeal was made verbally at a White House conference as the senate stretched out its working hours in a bid to dispose of one of three bills labeled "must" by GOP leaders aiming at a June 19 adjournment.

House Minority Leader Rayburn told reporters that the president also discussed some of the highlights of the five major speeches he is to make on a cross-country tour starting Thursday night.

Rayburn was accompanied to the White House by Senator McGrath of Rhode Island, democratic national chairman; Senator Lucas of Illinois, democratic senate whip, and Rep. McCormack of Massachusetts, party whip in the house.

Prospects Asked

Rayburn was asked by reporters what the prospects were for house passage of the long-range housing bill which has cleared the senate.

"It looks like they (the republican leaders) are more interested in adjourning than they are in passing legislation," he said.

Legislation extending the reciprocal trade program has been passed by the house and hearings are under way in a senate committee.

The federal aid to education bill has passed the senate and is pending in the house.

Rayburn said the three measures are considered particularly urgent by Mr. Truman, although other phases of the legislative picture were gone over in the conference, lasting nearly an hour.

Cancelled — The Toastmasters meeting slated for 8:30 p. m. at the Willard Wednesday has been cancelled due to KUHS graduation exercises that night. The meeting set for the following Wednesday will be held as usual.

Rotary Speaker — The Rotary club will hear Murel Long at the luncheon meeting on Friday in the Willard at noon. Long will address the club on insect control through dusting by plane.

# Rail Unions Talk Problems

WASHINGTON, June 2 (AP)—Union and railroad representatives discussed their long deadlock with presidential assistant John R. Steelman Tuesday but there was no immediate prospect of a settlement.

The heads of three rail unions who are working under court order left the White House without a definite appointment to return. They said they were "on call" of Steelman.

Steelman renewed the government's search for a way out of the rail dispute after a Memorial Day week-end recess.

The unions, with about 120,000 members, were forced to call off their proposed May 11 strike after the government seized the roads and then got a temporary restraining order from Justice T. Alan Goldsborough.

Goldsborough twice has extended the brief restraining order, which now runs until June 11. On June 10 he will hear arguments on a union motion to throw out the whole injunction proceeding.

# Pilot Safe In Dive In River

A student pilot apparently misjudged his distance and overshot a barley field a quarter of a mile from Keno late Tuesday morning and his Piper Cub landed in the Klamath river about 10 yards from shore.

The student pilot, Arthur Warren Holloway, had taken the plane up at 10:25 a. m. for a one-hour flight, according to Oregon Aircraft. The accident is thought to have occurred at about 11:10 when Holloway was able to climb out of the plane uninjured.

The plane is partially submerged in about four and one half feet of water.

Witnesses at Keno said the plane came over the school, looked like it was going to land in a barley field, but went in the river.

Holloway's address was unknown here. He was apparently unharmed except for a good ducking.

# Solons Work On Flood Relief

WASHINGTON, June 2 (AP)—Oregon's congressional delegation worked over the Memorial Day week-end to assist in getting government aid for the state's flooded areas.

Senator Cordon and Reps. Angell, Ellsworth and Norblad were in touch with the White House. They urged President Truman to take all possible action to give relief for the stricken areas.

They also conferred with Reo Cross, army engineers, housing and war assets administration officials. Angell said he hopes there will be quick action to get housing for the victims.

# Home Economist To Visit Here

Sara Cina, who is Swift and company's Martha Logan, home economist, will be in Klamath Falls Thursday and Friday and will hold a cooking school demonstration both days at 2 o'clock in the banquet room of the Winema hotel.

Martha Logan, who was here a couple of years ago, will demonstrate up-to-date methods of cooking, baking and frying and the public is invited to these lectures. Her home is in Los Angeles.

CHANGES  
BAKER, June 2 (AP)—Baker will follow the pattern being set by other Oregon cities and change over to daylight saving time.

The city commission voted to make the change at a regular meeting yesterday afternoon. Daylight saving time will become effective here at 11:59 Sunday night, June 6.

# Small Plane Down In Klamath River

A Piper Cub, piloted by Arthur Warren Holloway, plopped into the Klamath river near Keno just before noon today. Holloway, a student flyer, was soaked but unhurt. The plane lies partly submerged just a few feet from the river bank.

# CITY BRIEFS

Visitors — Mrs. Harold Clapp and daughter Carolyn of Redmond were holiday week-end visitors to the air show. They came down to be with Harold Clapp who divides his time between the World Wide Travel Bureau offices in Redmond and Klamath Falls.

Cancelled — The Toastmasters meeting slated for 8:30 p. m. at the Willard Wednesday has been cancelled due to KUHS graduation exercises that night. The meeting set for the following Wednesday will be held as usual.

Rotary Speaker — The Rotary club will hear Murel Long at the luncheon meeting on Friday in the Willard at noon. Long will address the club on insect control through dusting by plane.

# H. J. Donnell Death Told

Word of the death of Harvey J. Donnell, 46, pharmaceutical chemist and partner in the Frank Nau pharmacy in Portland, was received here over the week-end. Donnell died at his beach cottage at Wecoma. Death was believed due to a heart seizure.

Donnell was well known here among doctors and druggists. His wife, Lucille, is a niece of Mrs. Andrew Loney Jr., and Mrs. Loney left Sunday night to be with Mrs. Donnell.

Final rites will be held Thursday at 2:30 p. m. in Portland, with arrangements by J. P. Finley and Son.

# State Offices To Be On Local Time

SALEM, June 2 (AP)—State offices will operate on local time, whether it be daylight saving or standard time, the state board of control ordered Tuesday.

Branches of state departments in Portland were instructed to comply with daylight saving time. The state offices here were on standard time, but the Salem city council is expected to meet Wednesday night to consider adoption of daylight saving time.

ILL.  
SALEM, June 2 (AP)—David O'Hara, head of the state elections division and Salem city councilman, was taken to a hospital Tuesday with a serious stomach disorder.

# Youth Jailed On Vag Count

Robert L. (Bob) Morris, 22, of 3220 Delaware, was sentenced to 30 days in the city jail by Police Judge Howard Stroe Tuesday morning on a charge of vagrancy.

Morris was arrested late Monday night at a Main street pool room less than 24 hours after he had paid a municipal court fine of \$10 on a drunk count. He had been arrested early Sunday morning on the drunk charge.

Also getting a 30 day sentence was James Murray Gallahan, 39, charged with drunk and disorderly.

Holls Edward Dortch, 42, 1317 Adams, was fined \$25 with the option of five days in jail on a charge of reckless driving. He was arrested Monday night at 6th and Washington and posted \$50 bail for his court appearance.

Olney Templeton Duncan, 42, of 330 Hanks, arrested early Tuesday morning on a charge of disorderly conduct, posted \$15 bail to appear in court Wednesday.

# Horse Betting Abolishment Sought

SALEM, June 2 (AP)—A preliminary initiative petition to abolish horse race betting was filed with the state department Tuesday by V. V. Gordon of Aloha.

A similar petition to ban dog race betting has been filed. The measures will go on the November ballot if 18,960 signatures of registered voters are obtained.

# Dewey, Jester Offer Condolences

SALEM, June 2 (AP)—Governors Thomas E. Dewey of New York and Beauford H. Jester of Texas telegraphed Governor John H. Hall Tuesday their sympathy to Oregon's flood victims.

Both also offered their assistance.

# Showers Hit Basin Over Week-End

The three-day Memorial Day week-end saw the Klamath basin and especially the mountain area well drenched by intermittent showers.

Total precipitation for Saturday reached .14 inches; Sunday, .16, and Monday, a scant .01.

The season's figure to date is 11.85 inches as compared to the normal of 11.13. Last year at this time, precipitation was chalked up at 8.61, but the summer months were particularly rainy and made up for the comparatively dry spring.

# Calipatria Man Sought

City police Tuesday received an urgent request for the whereabouts of Thomas Riddough, 37, of Calipatria, Calif.

A wire from Mrs. Riddough told morning on a charge of disorderly conduct, posted \$15 bail to appear in court Wednesday.

Anyone knowing his whereabouts is asked to contact city police or Mrs. Riddough, box 351, Calipatria, Calif.

The ancient "Neanderthal man" was short and walked in a stooping posture, with his head thrust far forward.

One cubic foot of solid coal will furnish power to a steam railway locomotive to move a passenger car 4 1/2 miles.

The Missouri river basin covers one-sixth of the United States.

# No Changes In T-H Law Slated

WASHINGTON, June 2 (AP)—The joint congressional labor-management committee decided Tuesday not to recommend any changes in the Taft-Hartley act this year.

The committee, headed by Senator Ball (R-Minn.), instructed its lawyer, however, to explore the possibility of speeding up plant elections authorizing "union shop" contracts.

Bills have been introduced to eliminate such elections.

Ball told reporters the committee didn't vote on these bills directly because they all realized there was no chance of enacting the proposal at this session of congress.

"The consensus," he said, "was that it would be impossible to pass an amendment."

There is still a chance that the committee may recommend a change in the railway labor act next week. But Ball said it is a slim chance indeed.

The committee, composed of senators and representatives, will continue its daily hearings on proposals to change the labor laws.

# Israel Okays Cease Fire

LAKE SUCCESS, June 2 (AP)—The state of Israel announced Tuesday it had accepted the United Nations appeal for a Palestine cease-fire.

A spokesman for Israel described the acceptance as unconditional. He said, however, the communication from Tel Aviv contained a Jewish interpretation as to what Israel understood the cease-fire to mean.

The deadline for replies from the Jews and Arabs is 6 p. m. eastern standard time, today. Arab league leaders were meeting at Ammon, Trans-Jordan, to decide on their course.

The Israeli spokesman said: "Our acceptance is being communicated to the secretary-general of the United Nations as soon as possible. It is unconditional. It does contain our understanding of the terms of the cease-fire."

The cease-fire appeal was voted by the security council last Saturday.

It is estimated that motorists pay \$1 of every \$3 collected by the government.
