WHEAT SHOWS SMALL LOSS

CHICAGO, June 7 (AP)—Rapid expansion of winter wheat harvesting in the Southwest caused an easier undertone in the bread cereal today. Much of the selling came from the Southwest and was of a hedging nature. Prices held not far above the government loan level.

In contrast to wheat, feed grains were firm most of the day. Wheat closed ¾-1¼ lower, July $2.29-2.29¼, corn was ½-1½ higher, July $2.16¼-¾, oats were ⅜ lower to 1 cent higher, July 93¼-¼, and soybeans were 1¼ higher, July $4.17½.

Wheat:	Open	High	Low	Close
July	2.29½-⅝	2.30⅝	2.29	2.29-29¼
Sept.	2.29¼-29	2.29⅝	2.28¼	2.28¼

Buying Aids Stock Price

NEW YORK, June 7 (AP)—Late buying braked an early decline in the stock market today.

Losses of fractions to around a point were still in the majority but some morning minus signs were eliminated or changed to plus.

Volume contracted to around 900,000 shares, slowest in a couple of months.

Among the losers were General Motors, U. S. Rubber, Kennecott Copper, American Smelting, Phils Dodge, Southern Pacific, Union Pacific, Standard Oil (N.J.), and United Aircraft.

Several issues responded to special situations. Wesson Oil & Snowdrift jumped 3 points following announcement of a proposed split in the common stock.

Steel shares stayed close to the previous finish.

Bonds and commodities didn't do much of anything.

Absentee Vote To Be Counted

ALTURAS, Jue 7—Absentee ballots in the primary election were to be opened here this afternoon, but the county clerk's office indicated there was virtually no chance they would change the outcome of elections.

Most of the absentees are in the fourth supervisor district, where Charles Fitzpatrick and John O. Cummings hold votes of 531 and 218 respectively. Third man is Dr. E. F. Auble, incumbent, with 123 votes. Whether Fitzpatrick or Cummings holds the lead will be decided by absentees, but both are nominated and will run it off in the fall.

In the first district, Paul Robinson has been elected over Harvey Darst by just four votes, but there are no absentee ballots. In the third district, George Perkins, incumbent, and Larry Smith, have been nominated, with little chance of change, with only two absentee ballots.

Lewis Blasts Operators

WASHINGTON, June 7 (AP) — John L. Lewis opened soft coal contract talks today—with a blast of denunciation at the operators.

He called them "fat cats x x x magnificently opulent x x x digging deep and without restraint into the national purse."

He made two points clear about any agreement replacing the contract expiring June 30:

1. The United Mine Workers have no wage proposals, but they "expect improvements."

2. They want guarantees under the 1947 miners' welfare fund which has paid out nothing because it is tied up in a legal dispute.

He put the next move up to the operators. The miners will consider any offer "which you may persuade yourselves to utter," Lewis said.

This was in a statement with which Lewis opened the negotiations.

He scornfully told the operators they had reduced collective bargaining "to mockery."

Collins Death Learned Here

Mrs. Annie Ryan Collins, 83, mother of Mrs. A. J. McDonald of Klamath Falls, died in Vallejo, Calif., Sunday, June 6. Mrs. McDonald was at her mother's bedside at the time of her passing. McDonald plans to leave tonight for final rites which will be conducted at 9:30 a. m. Thursday from St. Vincent's church where a requiem high mass will be said.

Detective Opens Office

Mel Lombard, recently of Portland, has opened a private detective office in Klamath Falls at 208 Underwood building. Lombard disposed of his interest in the DuBois Detective agency at Portland before coming here.

The ex-Portlander said that he was surprised to learn there was no private detective agency in an area as large as this. Explaining the nature of his work, he said he cooperated and works with regular police authorities, but that most of the cases in which his agency works do not involve the police.

Lombard said that the most common cases handled by a private detective include location of missing persons, proving or disproving suspicions in domestic cases, proving fitness or unfitness for retaining custody of children, apprehension of shoplifters, checking on honesty or dishonesty of employes, and so on. Lombard said he would even find a place for a person to live.

Two Children Hurt In Wreck

Two children were hospitalized Sunday afternoon following a two-car crash at a crossroads in front of the Midland grange hall.

The two girls, aged six and three, were said to be only slightly injured, but were kept for observation and x-rays at Hillside hospital.

The accident occurred at about 5:15 p. m., when a sedan operated by James Melvin Day, 3301 Derby, and a second sedan operated by Orville Miles, 207 Nevada, were entering the intersection, Day eastbound and Miles southbound.

State police said that apparently neither driver was aware of the other, and they collided almost in the center of the intersection.

Day's two daughters, Carolyn and Linda, were moved to the hospital by a passing motorist. Carolyn, 6, remained in Hillside for treatment of a back injury but Linda was dismissed.

Both cars were considerably damaged. No arrests were made.
