

Chiloquin Church Scene Of Rites

CHILOQUIN—Under a trelliswork arch entwined with ivy and spring flowers, Helen Michel, daughter of Mrs. Helen Michel, became the bride of Paul Coleman, son of Mrs. Mary R. Coleman, all of Klamath Falls. The double ring ceremony was read by Rev. A. C. Grimes at the Open Bible Standard church on Tuesday evening, June 1, at 8 o'clock. Double candelabra and a graceful arrangement of white daisies and narcissus backed the altar.

The bride wore traditional white satin. Her gown had a sweetheart neckline, long pointed sleeves, and a short train. A wreath of orange blossoms secured the fingertip veil of net. On a silken Testament she had a single white orchid from which fell white satin ribbons and bows.

Marjorie Eagle of Klamath Falls was maid of honor and dressed in a pink chiffon floor-length dress. Also gowned in pink formals were the candle lighters, Nancy Dale Lambo and Hazel Jean Bennett, also of Klamath Falls.

Best man was Joe Paulazzo of San Francisco, formerly a resident of Pine Ridge. Ushers were Dwight Eagle of Merrill and Frank Lambo of Klamath Falls.

Mrs. Ed Ray played the traditional wedding marches and accompanied Mrs. A. C. Grimes who sang "I Love You Truly" and "At Dawning."

A reception at the Michel residence followed the ceremony.

Mrs. Coleman has been employed in Klamath Falls the past few years and is a graduate of Chiloquin high school. The groom is also a former Chiloquin resident.

The couple will be at home in Klamath Falls following a wedding trip south.

Soroptimists Hold Anniversary Meet

It was over 10 years ago that a small group of Klamath Falls business women first came in contact with Soroptimism and its ideals. They were so impressed with the genuine feeling of friendliness and opportunities for service that they felt that an organization which participated in civic enterprises and movements for the general good of humanity, would be of great service to the community.

Thus it was that 10 years ago the Soroptimist club of Klamath Falls was given its charter with 15 executive business women as its charter members. This charter was presented to the charter president, Laura Bertram who so rightly deserved this honor in recognition of the excellent and extensive work she had done in helping to organize this group of outstanding businesswomen.

Members of the Soroptimist club of Portland, including Mrs. Fred Meyer and Mary Boyle, who are still very active in the Portland group, installed the officers. This was the second Soroptimist club to be formed in Oregon, and two years ago achieved the distinction of receiving the service award for being the outstanding club in the United States in its population group.

Last Friday evening the Klamath Falls group held its 10th birthday party in the Pelican dining room. Rita Whisenant, one of the charter

members, gave a summary of how the club was organized, and a brief biological sketch of each of the charter members. She introduced active charter members who were present, Clara Shaw and Olive Cornett. Ida Odell was unable to attend because she is on an extensive trip in the East.

Catherine Brumbaugh read letters from Effie Garcelon, Sophie Kenotfel, Lucie Hauger and Gwendolyn Wright, all charter members who have moved to another locality, extending their congratulations and expressing their regrets that they were unable to attend. She read a congratulatory letter from Sylvia McClelland who is a member-at-large now residing in Auburn, Calif.

President helma Henry presented

Laura Bertram, who was guest of honor, with a huge birthday cake.

Guests of the evening were members of the Lakeview and Ashland Soroptimist clubs, both of which were organized by the Klamath Falls club. Members attending from Lakeview were Irma Clause, president, Grace North, Yvonne Dahan, Beatrice Getty and Eva Arthur. Those attending from Ashland were Frances Wirth, president, Amy Reed, Mary Rath, Marjory Clark, Lillian Cavanaugh and Blanche Huffman.

An impressive installation ceremony was conducted by Kathleen Thompson when she installed the newly-elected officers who will take

office on July 1. Doris Peyton will be the new president, Esther Lowler, first vice president; Olive Cornett, second vice president; Vivian Owens, treasurer; and Pauline Gilmore, secretary. Phyllis Slater, who was unable to attend, will become corresponding secretary. Blanche Lundy presented each of the incoming officers with a blue and gold corsage

and a very fitting response was given by Doris Peyton.

Pretty Tea

TULELAKE—Tulips were at their loveliest and the sun shone for the annual tulip tea, spring highlight of the Tulalake Garden club's yearly program. The affair was held Sunday at the William Hooper home on the Alturas highway where hundreds of tulips were in full bloom. Guests were particularly intrigued with the display of peony tulips, a variety new to this region.

Thirty guests called between the hours of 2 to 5 o'clock.

The tea table was centered with an arrangement of white tulips from the equally lovely garden of the Frank Mosebarrs.

Assisting at the tea table were Mrs. Sadie Smith, Mrs. M. V. Max-

Safeway Trims It Before Weighing

...SO YOU SAVE MONEY

We'll Give You 2 Rib Roasts
(THEY WON'T COST YOU A PENNY!)

If ever you get a Safeway Rib Roast not trimmed this money-saving way

**END SECTION OF
SHORT RIBS REMOVED**

by Safeway before we weigh your rib roast (we sell these short ribs separately, at a lower price per pound). Your Safeway rib roast includes only the tender center portion that will roast just right

**HEAVY CHINE
BONE REMOVED**

by Safeway (and replaced with a layer of fat, light in weight, to seal in meat juices) before we weigh your rib roast on the market scales. It gives you a roast that cooks and carves better

Wherever you buy meat you are entitled to money-savings that result from proper trimming of each cut *before it is weighed*. Insist that your butcher trim this way. If he refuses, why not buy at a market where this kind of trimming is done?

YOU SEE ABOVE how Safeway removes excess bone and waste from rib roasts *before* weighing. We prepare other cuts in similar fashion — each according to its special requirements. This waste-free cutting is part of Safeway's Guaranteed Meats plan. We regularly trim our meats this way.

When you compare meat prices, remember that Safeway's prices always are on the TRIMMED cut, free of excess bone, waste and fat, ready for cooking.

If ever you're not satisfied that the meat you buy at Safeway is trimmed the money-saving way we say, just

show it to the manager of the Safeway store where you bought it. If your Safeway rib roast (for example) is *NOT* trimmed as shown above — you get *TWO* rib roasts without a penny's extra cost (and without quibble or argument!)

Safeway buys nothing less than the top government grades of beef (all beef sold at Safeway is U.S. Government graded). . . nothing less than the top grades of lamb, pork and veal.

Come prove for yourself — there's more good-eating at less cost in Guaranteed Meats from Safeway!
