

Dykes' Job Rumor Hit

Bevos Push Seals Overtime

The Los Angeles Angels are building up a ninth-inning home run mix on the Hollywood Stars.

For the fourth time this season, the Angels last night beat the Stars with a last-inning over-the-fence.

It was Billy Schuster's solid sock over the centerfield fence—his seventh of the year—which gave Los Angeles the 6-5 decision.

Relief hurler Vernon Kennedy thus was victimized for his second beating in two nights. He bowed Tuesday as a starter. Red Lynn, also functioning in a relief role, was credited with his tenth win, the most in the Pacific Coast league.

Hollywood's second straight loss to the Angels stirred further talk that Manager Jimmy Dykes' job was getting shaky but this was denied vigorously by Business Manager Oscar Reichow.

Foes Of USBR River Project Attack Plans

Two Alternative Suggestions Left With Examiners

MEDFORD, June 10 (P)—Opposition to the reclamation bureau's Rogue river development program left the hearing examiner with two alternative suggestions today.

In yesterday's wind-up of the hearing on dams to provide irrigation, flood control and power, Sherman Smith, Grants Pass attorney, said a tributary project with units on the Evans, Little Butte and McNeil creeks and in the Howard prairie area would provide more water and power at less cost than would the bureau's projected Lewis creek dam on the main Rogue.

He said the bureau report, subject of the hearing, was inadequate and incomplete.

William Voight Jr., Denver, western representative of the Isaac Walton league, said the bureau should scrap its plans and take up another calling for integrated planning by all affected state and federal agencies to get full development without "destroying one of the natural resources."

Fishermen, backed by the U. S. fish and wildlife service and the state game commission, contend the reclamation bureau's program would seriously threaten sports fishing on the Rogue.

Wipe Out Fishing

J. C. Denman, Medford, said diversions dams proposed by the bureau would practically wipe out upper river fishing and irrigation dams through fluctuating and warming the water would adversely affect fish life.

He called the bureau report "speculative" and said the plan under which power would pay \$71,000,000 of the \$88,000,000 cost under the first of the bureau's two suggested programs was unsound.

Earlier statements that the decision properly rested with the people of the Rogue river valley were criticized by Denman. He said \$300,000 has been spent by people from Oregon and other states for Rogue fishing development.

Brig. Gen. Ralph P. Cowgill, Salem, who said he had fathered the law prohibiting further dams on the upper Rogue, protested that sports fishing groups' time at the hearing had been cut short.

It appeared for a time that the hearing would extend into today, but Harlan H. Barrows, Chicago, conducting the hearing, decided to wind it up last night.

Mills Team Takes Legion Opener

Altamont and Fremont teams opened the Junior Legion baseball season with a twilight tilt at the Altamont field yesterday which Mills took 17 to 5.

Mills scored their runs on 24 hits and 10 Altamont miscues, while Altamont got 11 hits and the benefit of seven Mills errors.

Bud Mullin homered for the losers, Long and Hafar for the winners.

On Saturday the Mills outfit plays Tulalake here and Altamont has a game at Merrill.

The Pony Express was not run by ponies, but by the most virile breed of horses.

Leave By Rail

BERKELEY, Calif., June 10 (P)—The University of California varsity and junior varsity crews left last night by rail for Madison, Wis., to meet the University of Wisconsin shells in two-mile races Tuesday. They will arrive tomorrow.

After the Badger competition the crewmen go on to Poughkeepsie, N. Y., for the three-mile races June 22.

Worth It

Curt Simmons, the Phils' \$60,000 rookie, is beginning to pay for himself. Last night he beat Cincinnati's Ewell Blackwell 3-2 in a pitching duel.

Phils' \$60,000 Rook Begins Paying Off

By The Associated Press

Apparently all that was troubling young Curt Simmons was a case of big league jitters.

Off to a poor start, the 19-year-old Egypt, Pa., high school graduate who received a record bonus of \$60,000 from the Philadelphia Phillies last summer, is beginning to pay dividends on the investment.

The solidly-built southpaw outpitched the great Ewell Blackwell as the Phillies defeated the Reds 3-2 in Cincinnati last night.

Simmons was tagged for nine hits, but in only two innings did he allow more than one hit. He struck out nine and now has a record of four victories and four defeats.

Dick Sisler, hard-hitting Philly first baseman, accounted for all Philadelphia's runs with his ninth home run of the season which came with two men aboard in the third inning.

The St. Louis Cardinals missed an opportunity to take over the first place when they suffered an 11-5 setback at the hands of the Boston Braves in a night game in St. Louis.

After presenting the Cubs with five unearned runs to drop an 8-7 decision in the opener, the Giants came back to win the nightcap 5-1.

Ralph Kiner's three-run homer highlighted a five-run first inning and gave the Pittsburgh Pirates a 6-4 victory over the Brooklyn Dodgers.

The Detroit Tigers came from behind twice to hang another defeat upon the skidding Athletics, 7-4 in a night game in Philadelphia. It was the A's fifth straight loss and dropped them into third place, a half-game behind the New York Yankees.

Early Wynn registered his sixth victory as the fast-traveling Washington Senators whipped the St. Louis Browns 5-2 in another night game in Washington.

Rain forced the postponement of two games in the American league, Chicago at New York and Cleveland at Boston.

Ice Out Of East, Diamond

Anglers planning a trip to Paulina or East lakes in Deschutes county opening day, next Tuesday, probably will be in better shape to fish when they get to the lake if they carry chains and a shovel in the car.

The road is that bad, according to the game commission and all available "eye-witness" reports.

The road up to Paulina is negotiable without too much trouble, but the four miles or so on over to East lake is regarded as just "passable."

The latter was opened up through deep snow which is still melting. Ice is out of both lakes.

Diamond lake highway is still closed to the public although it was plowed out several weeks ago and some people have been to the lake. Work was going on this week on the dirt roads around to the summer home area and that was expected to be completed by Sunday.

Ice on Diamond lake has broken up.

Game commission crews are now working at both Diamond and East lakes taking trout eggs, an annual spring operation thrown late by the late ice break-up.

Half a million eggs were taken in the first few days of the work and the prospects are for enough eggs to fill the hatcheries.

The new Wizard Falls hatchery received a shipment of some 140,000 rainbow trout eggs from East lake. Fishing season on Diamond, East and Paulina will run from June 15 through September 14.

Vets Acquire Pair Of Wins

Softball game on Modoc field last night went about shifting a few dates on the city league schedule but the net result was to keep the various teams about where they were in the league standings.

The Four-Star Merchants and Ashley Chevrolet teams wrote their fourth wins into the record. Both are undefeated and lead the circuit at this juncture.

The Merchants jumped on Ellington's Mill outfit 13 to 1 and the Chevys beat Calhoun's 9-1. It was the fifth loss for Calhoun.

Weyerhaeuser's team gave a 1-0 forfeit to VFW in one of the early games and the VFW squad took Moose lodge into camp by 16-1 in a makeup game later in the evening.

AAU Track Clashes

PORTLAND, June 10 (P)—Oregon AAU track and field championships will be held here Friday and Saturday nights.

Track stars will begin performing at 7:15 p.m. each night. Entries will compete in three classes: boys, high school students and the open all age.

Toyly Aces No. Seven

Andy Toyly, playing in a four-some yesterday afternoon, turned in the first hole-in-one of the season at Reames country club.

Using a six-iron, he heced the 152-yard seventh hole.

He was playing with Jim Kerns Sr., Art Macken and Gus Anderson, who can testify to the shot. Andy's ball hit on the green, bounced once and rolled into the cup.

MATTER OF FINES NOW FACES PCC

MISSOULA, Mont., June 10 (P)—Today the day for the fireworks—if there are going to be any—at the Pacific Coast conference meeting.

The matter of compliance — or fines for non-compliance — with the conference code comes up before the faculty representatives.

Commissioner Victor O. Schmidt makes his report on the code, and there were reports that some favored announcing only the total fines levied against code violators. They didn't want the total broken down to show the individual violators.

That matter hadn't been decided as the final day's meeting began.

The faculty representatives and athletic directors did decide, however, to raise the prices for next season's football games.

The prices range up to \$7 for box seats at top games at UCLA and Southern California. Reserved seats will cost \$5 for the Notre Dame-UCLA, USC-UCLA, and Stanford-California games, \$4 for the Oregon State-Oregon and Washington-Minnesota games, \$3.60 for the USC-Oregon game, and \$3.50 for the Idaho-Oregon game.

Football coaches presented their recommendations on the number of daily practices during the early fall season, and other matters, to the directors.

Dean Stanley B. Freeborn of California, conference president, said he doubted the conference will finish all the business on its agenda.

Experts Predict Par Golf Will Win Open

LOS ANGELES, June 10 (P)—Favorite Ben Hogan and about as fine a competitive field as the country has to offer teed off today in the 48th U. S. open golf championship.

The pint-sized Hershey, Pa., star with the long, straight shots was the logical choice to lead the pack when the famed trophy is awarded at the 72-hole conclusion Saturday.

Hogan has played some of his hottest golf on the 7020 yard Riviera course, hard by the Pacific.

Riviera is the longest layout over which the national open has been played. Its par is 35-36-71.

Experts, those who play the shots themselves, voiced the opinion even par of 284 would be sufficient to win the title.

Byron Nelson, former champion, once the greatest of them all, looked it over and said 287 might take it. Lord Byron emerges from semi-retirement now to play in only a few favored tournaments a year. He will be just a spectator here.

Hogan, new PGA champion unwillingly on the spot as the man to beat, tackled the job today with the prediction that "282 will win it."

The links derby that will decide whether Lew Worsham of Oakmont, Pa., will retain the laurels he reaped a year ago at St. Louis.

erton team was generally conceded last year's mythical state championship, said today he definitely is interested in college coaching.

He said there are several other applicants for the job.

Scheyer Applies For Webfoot Post
