In mid-November the association is planning a state-wide invitational art exhibit with paintings from all Oregon artists included. Another plan for early winter months is courses in selected art fields with regular instructors and open to anyone interested.

## Vanport Building Funds Get Okay

WASHINGTON, June 10 (AP)—Use of up to \$10,000,000 in reserve funds for construction of emergency housing in the Vancouver-Portland flood area was approved by voice in the senate early today.

The resolution was introduced by Senator Gordon (R-Ore.) and a number of his colleagues.

It now goes to the house. Reps. Angell and Norblad, Oregon Republicans and Mack (R-Wash.), introduced a companion measure yesterday in the house.

It would permit coordination by the federal works administration of emergency activities in disaster areas. The administrator could extend emergency aid, including restoration of public utilities, and incur obligations for such relief up to \$10,000,000.

New Fire Warden—Frank H. McCormack has been appointed fire warden by the county court and may be contacted at telephone 7983, his home number, or at the KFFPA office.
