Lifebuoy with its Purifying Ingredient

# GETS SKIN CLEANER

STOPS "B.O." as no other leading soap can!

DOCTORS PROVED with 820 scientific tests the truth of this amazing statement...

The cleaner you get your skin, the doctors found, the safer you are from "B.O." (body odor). Any soap will remove all the grime and perspiration you can see—yet leave "invisible dirt" on your skin to form a foothold for "B.O."

Doctors compared the effects of daily baths with different soaps. The results are amazing! When you bathe with any other leading soap, you are simply not as clean, not as safe from "B.O." as you are when you bathe with Lifebuoy. After 820 scientific tests doctors say Lifebuoy's purifying ingredient makes the difference! And it is this same purifying ingredient that makes Lifebuoy so mild.

Use Lifebuoy daily. It is made from a special oil blend that gives you such an abundant, refreshing lather. Remember: Lifebuoy gives you cleaner skin... stops "B.O." as no other leading soap can!

Be popular this summer! Remember that everyone perspires more in summer heat. Take a Lifebuoy bath daily. It means top protection from "B.O."... lasting protection 24 hours a day!

Lifebuoy is used in the homes of 40 million considerate Americans
