

### Texan Waives Hearing In Larceny Case

The 22-year-old Texan, Ray Leonard Gable, accused of robbing Newberry's store late Monday afternoon and also assaulting the salesgirl who gave chase, waived preliminary hearing Tuesday in justice court on the larceny charge and pleaded not guilty to the misdemeanor charge of assault and battery.

Justice of the Peace J. A. Mahoney put him under \$1000 bail on the larceny count and bound him over to the grand jury. Gable was placed under \$50 bail on the misdemeanor.

Gable admitted to city police of taking five dollars from a Newberry cash register but denied knocking down the girl, Betty Nelson, 20, when she found him in a doorway of a Main street store a few minutes after the theft.

Miss Nelson was treated at Hillside hospital for an injured back and a badly-skinned arm.

Gable who has a past police record, simply explained his theft with the statement, "I was hungry."

### Racial Clash Injures Eleven

ST. LOUIS, June 22 (AP)—A racial clash between Negroes and whites flared in a St. Louis park yesterday over a non-segregation order.

Eleven persons were injured, two seriously.

Police redoubled their watch today to prevent a new outbreak.

The series of fights started over whites and Negroes using the same swimming facilities — a city owned pool in a North St. Louis park.

The Negroes were swimming in the pool under a new rule that opened the gates to them.

At the peak of the outbreak, an estimated crowd of between 4000 and 5000 was at the scene.

After the first report of violence, Mayor Joseph M. Darst rescinded the order allowing Negroes and whites to swim together.

### Drinkers Spending Less For Liquor

WASHINGTON, June 22 (AP)—Americans apparently drank less intoxicating liquor last year. It's certain they spent less on their drinking.

This was reported Monday by the commerce department, which said the total 1948 outlay for whiskey, beer and wine was an estimated \$8,000,000,000. The figure was 8.7 per cent below 1947, and marked the first time since 1938 that the nation's drinkers had spent less than they did the preceding year.
