New Pine Creek

Nineteen Youth club members motored to Sprague river to swim and have a nice outing last Sunday. They reported that at the resort where they went, a few miles from the other side of Bly, there were adequate accommodations and that the water was just the right temperature to have a good time.

Those making the trip were Patty Jo Riggs, Anna May Fisher, Dorothy Love, Marlene Ross, Milly McCane, Eugene Lawson, Allen Brown, Kenneth Butler, Barbara St. Clair, Norma Barken, Dwayne St. Clair, Carolyn Mulka, Barbara Fisher, Kay McLane and the chaperones, Mr. and Mrs. Jack Means and Mr. and Mrs. R. E. Fisher. Los Angeles, Calif. were over-night guests at the Art A. Leukert home last Monday night. The visitors left Tuesday morning continuing on for a trip into Canada.

Mr. and Mrs. Orville Riggs and wife from Oakland, Calif. have been visiting for a few days with Mr. and Mrs. George Perkins and other relatives and friends.

Mr. and Mrs. R. E. Croxson were overnight visitors with Mr. and Mrs. Clyde Cogburn on their way home to Lebanon.

The New Pine Creek post office has been moved into what was formerly the office of the Servier garage. A lobby, accessible day or night, has been provided in the new quarters which seems to meet with approval from the public. Some of the mail boxes were sprung in their hurried removal from the recent Faria store fire and do not seem to work just right. Postmaster Buna B. Faria would appreciate it if these instances are reported so that all boxes can be restored to smooth working order.

Mrs. Faria reports that practically all the mail boxes are now taken and that an effort is being made to secure a new section of boxes.

The remainder of the stock rescued from the fire has been moved over to the new Faria store quarters in the public garage building near the Faria motel. Although the building is in the process of being remodeled, Faria is gradually getting into shape to resume his store business.

Homer Tucker and wife arrived by bus Tuesday from Broken Bow, Okla. Tucker plans to make New Pine Creek his home. His son, Glen Tucker, and family have also moved back to New Pine Creek from over around Roseburg where he has been doing carpenter work.

Saturday, July 16, has been set as the big work day on the new fire house at Four Corners between here and Willow Ranch near the county barn. Everyone who can is urged to come and help get this project finished so that the new fire truck can be housed. The women in the vicinity will furnish a potluck dinner at noon. As the fire season is at hand, it is highly important that this work is completed as speedily as possible.

At a recent fire meeting held in the Grange hall a committee was elected to proceed with the work of establishing a fire district on the Oregon side of the line between here and Lakeview. Members of the committee are Kelson Butler, Earl Sanford, Darvin Robnett, Raymond Fisher and Richard Keller.

The committee will make arrangements for a special election to be held soon to give the people a chance to vote on whether they want a fire district and if so elect a fire chief, and vote a special tax levy to buy a fire truck.

Leona Robnett returned Tuesday from Eugene where she visited the University of Oregon campus and made arrangements to attend the University of Oregon this fall. She has secured living quarters in the new women's dormitory that is being completed on the campus and will be ready for occupancy this fall.

Ernest Cloud and family, and M. Miller of Joseph, were visitors at the Delbert Cloud home last week. Mr. and Mrs. W. E. Clark of Naples, Calif. visited with the Clouds over the Fourth. Delbert and Clara Cloud were

Sprague River

Lawn, trees and flowers are beginning to show signs of life again after three thirsty months. The American Box corporation has been furnishing water for laundry truck. Thanks are due the company and to Oscar Capellan, who gave full access to his fine artesian well located about five miles from Sprague River.

Mr. and Mrs. R. C. Passolt and daughter, Charlotte, and Mr. and Mrs. S. Shepherd, Eugene and Delores, all spent the holidays visiting Mrs. Shepherd's and Mrs. Passolt's parents, Mr. and Mrs. Wil-

Klamath Falls visitors several days last week.

Mrs. Walter Sanford, and Mr. and Mrs. Donald Frank of Grass Valley, Calif. were Fourth of July week-end guests at the Earle Sanford home.

The Happy Hour club met Tuesday afternoon, July 12, at the home of Mrs. Clara Cloud, with 10 members present, and three guests, Mrs. William Larkin, Mrs. Yelma Newcomb, and Mildred McLait. Ten children were present.

The meeting opened with roll call, and the minutes of the last meeting were read. After the business was one the hostess gave the ladies a guessing game about trees and vegetables. Myrna Barrows won first prize with a perfect score, and Eunice Cogburn won low prize. Refreshments of ice cream, angel cake and orangeade were served. The next meeting will be with Jessie McLain, on Tuesday, July 26.

New Styles In Burglary Shown

ELMIRA, N. Y., July 15 (AP)—Clerks in a department store office just laughed when two 12-year-old boys and an 11-year-old girl waved toy pistols at them and announced a stickup.

But \$465.95 the children had hidden in a field wasn't play money. Police quoted the kids as saying they took most of it from an open safe after the chuckling clerks had resumed typing and filing.

The clerks hadn't missed the money. Police said the youngsters, picked up for questioning yesterday about another theft, led them to the field, where the money was found in three wallets.

Authorities held the trio as juvenile delinquents.

OLD MILL RACE

EUGENE, July 15 (AP)—Alumni of old Oregon can take time out here—right now—to dream a little.

City council has set a date for opening bids aimed at diverting water again into the millrace romanticized in university songs about the campus sweetheart.

A citizens' committee has raised \$20,000 toward the project. The city will match the money for construction of a diversion dam and intake channel.

Second Look Reassures Driver

GALESBURG, Ill. (AP)—The best way to get set for a big Sunday meal is to do a stint of outdoor

work. That may be a sure-fire formula for others, but it backfired on Larry Guenther. Just before lunch time, he turned a crank on a cement mixer. The crank slipped and struck him on the hip. He lost two teeth and all interest in a chicken dinner.
