DORRIS, July 22—Earl Whitlock of Klamath Falls was ordered bound over to Judge James M. Allen's superior court at Yreka yesterday afternoon following a preliminary hearing in justice court here.

Whitlock is charged with driving an automobile while under the influence of alcohol with bodily harm to persons other than himself, a felony under California law.

He was involved in an accident north of Dorris July 2 in which three persons were injured.

Justice of the Peace C. E. Motschenbacher reduced the Klamath Falls mortician's bail from $10,000 to $5000.

Two main witnesses for the prosecution appeared during the hearing. A Dorris physician testified that when he examined Whitlock after the accident it was his opinion the Klamath Falls man was intoxicated, and State Patrolman Marvin Daniels, who investigated the accident, corroborated that testimony.

Two Fremont Areas On Closed List

Two areas in the Fremont national forest were closed to unregulated use at 12:01 a. m. today, according to Forest Supervisor Merle S. Lowden.

These two areas are the Summer lake area which roughly consists of the territory bounded by Winter rim and the Fremont highway, and the Lakeview logging area northwest of Lakeview.

Permits to enter the Summer lake rim area may be obtained at the Silver Lake and Paisley ranger stations and at the Currier camp and Dairy creek guard stations.

Permits to enter the Lakeview Logging company area may be obtained at room 207 of the post office in Lakeview, at the Dairy creek guard station, and at Shoestring and Round Pass lookouts.

Permits to enter these areas will be given only to those who have essential business within the areas, and they will be required to comply with the following requirements: (1) To refrain from smoking except in places designated as safe in the permit; (2) to build no open fires except in places designated as safe, and (3) to have as part of his or her equipment when using campfires, except when traveling as a pedestrian and/or camping at improved, designated and posted campgrounds, tools as specified suitable for extinguishing fires.

These closures were placed in effect by a proclamation signed by Governor Douglas McKay, and will remain in force until the 31st day of December, 1949, unless sooner released.
