Oddfellows Hold Picnic At New Park

A well attended picnic at Colliers state park was held last Sunday, July 31, when Oddfellows and their families, Rebekahs and Theta Rho girls gathered and poled potluck dishes and basket lunches for their annual summer-time affair. The three lodges of Merrill, Bonanza and Klamath Falls combined.

Lunch was served cafeteria style from one long table at noon, to make way for members of the IOOF ball team to be on hand at Chiliquin at 2 p. m. for a previously scheduled game between the fraternal order and Chiliquin. Those remaining at the park participated in games and contests, which had been planned by the Merrill committee, and for which prizes were given to the children.

A standing count was made, and Merrill topped the list with an attendance of 86, plus children. Late arrivals swelled the count to over 200. A partially overcast sky, kept it from becoming too warm, which made the day ideal.

Grange Honors Anderson At Memorial Rite

MERRILL, Aug. 2.—Memorial services for the late R. H. Anderson were held at Monday evening's meeting of Merrill Grange 717. The charter was draped, and Peggy Dillon sang "O Love That Will Not Let Me Go," accompanied by Mildred Petrik.

Home Economics Chairman Mrs. Murray Howard announced that at the Pomona meeting to be held August 12 at Olene, Merrill Grange will have a display booth. Mrs. Howard asked members to bring fancy work, candy, cookies, canned fruit, or pastry for the display. Lecturer Media Giacomini presented a movie through the courtesy of the Union Pacific railroad, which showed improved methods of planting and growing potatoes. Ellis Wilson was the projectionist. State Orange Representative House paid an official visit to the local organization.

Dr. and Mrs. Luther Taber and Mr. and Mrs. Lewis Kandra served refreshments at the conclusion of the meeting. The next regular meeting of Grange 717 will be August 22, as meetings are being held only once monthly during the summer.

Life Of Boswell To Be Made Public

NEW HAVEN, Conn., Aug. 2 (AP)—Intimate details of the life of James Boswell, who became famous by writing the "Life of Samuel Johnson," are to be made public by Yale university.

Publication is a long time in the future, but the first step—acquisition of Boswell's private papers—has been completed. A Yale announcement reported the purchase of the large collection from Lieutenant Colonel Ralph H. Isham of New York who spent 25 years and experienced several story book adventures gathering it together.

Yale calls it "the greatest collection of English literary manuscripts of the 18th century."

Mrs. Kirk Pays Official Visit

MOSCOW, Aug. 2 (AP)—Mrs. Lydia Selden Kirk, wife of the new U. S. ambassador to Moscow, Alan G. Kirk, has paid a social call on the wife of Soviet Foreign Minister Andrei Y. Vishinsky.

It was Mrs. Kirk's first such diplomatic visit since her arrival here last June. Diplomatic sources said the two chatted for some time in French.

The ambassador had suggested to Deputy Foreign Minister Andrei Gromyko that Mrs. Kirk would like to pay a call on Mrs. Vishinsky and the invitation came shortly thereafter. Mrs. Kirk is the sister of Selden Chapin, former U. S. minister to Hungary.

New Villanova football coach Jim Leonard, who played under Knute Rockne at Notre Dame, won football letters both as a back and a lineman.

Spokane Landlords Face Request

SPOKANE, Aug. 2 (AP)—Spokane landlords will be asked at a meeting Thursday to hold down rent increases voluntarily.

Wayne Durham, president of the Spokane Housing association, said property owners would make the request. They fear, he said, that rents will be controlled again in Spokane by the national housing expediter on "flimsy evidence."

Spokane was one of the first sizeable cities in the west to go off rent control.

Durham said he thought the housing expediter, Tighe Woods, would recontract rents "if he can."

Woods has "what he thinks is good evidence" that Spokane landlords "have doubled rents on about 2000 units," Durham said.

Landlords will be asked to hold increases to \$5 a unit, he said.

Separate Section Allotted For Negro Burial; NAACP Charges 'Discrimination'

Allocating a section in the Klamath Memorial Park cemetery for the burial of non-Caucasians was the unanimous answer of the city council last night to members of the National Association for the Advancement of Colored People, thus culminating weeks of torrid debate on the cemetery issue.

The decision of the city dade, handed out during the regular council session, was met with brief but caustic comment by Mrs. Ben Peters and Mrs. William Barnett, officials of the local NAACP.

The written statement of the council, signed by the councilmen and Mayor Robert A. Thompson, said in full: "After due deliberation and consideration of all problems involved in the present cemetery issue, it is the decision of this council that the cemetery committee be instructed to allocate a section of the Memorial Park cemetery for the burial of those of non-Caucasian race and that equal services be conducted in said allocated part as are conducted in other areas of the aforementioned cemetery."

Council President Darrell Miller, head of the judiciary committee, replied to NAACP President Mrs. Peter's charge of "discrimination" that "there is no discrimination shown because Negroes will have equal burial rights in their allo-

Brand-New \$20's Lead To Rumors

Fast-spreading rumors that the country is being flooded with bogus \$20 bills apparently stem from the circulation now of newly-printed and perfectly legal twenties that are slightly changed from the old.

No counterfeit money of that denomination has been uncovered here, but the new bills are beginning to flow in.

Elton Smith, teller at the U. S. National bank, reports that the new twenties differ from the old in the following respects, all on the back or green side of the bill:

President Truman's celebrated balcony is shown.

The words "The White House" replace "White House."

Windows of the structure appear to be open.

The flag on the new bill droops. Shrubbery on the new bill appears to be more dense.

The building shows four chimneys instead of two.

Both bills are good, legal and wholly desirable tender.

The Bronx zoo has had more than a hundred million visitors since it opened nearly 50 years ago.

The tests will be given on Friday, August 12, the final day of the classes, with the party scheduled for some time the following week. The exact date will be announced later.

Refreshments will be served and the children will be taken to Malin in private cars.

Scouts Plan Steak Fry

The Klamath district of the Modoc Area council has planned a Scouters' round table and steak fry for this Friday at 6:30 p. m. at the Moore park barbecue pit.

Age-change details for the proposed lowering of Boy Scouting ages by one year will be discussed in the round table, with troop, pack, and senior program notebooks for each unit.

Al Betach will act as master of ceremonies.

Steak, salad, and coffee will be furnished. All attending are asked to bring silverware, plate, and cup, as well as dessert.

The admission is 85 cents for adults and 40 cents for children under 12.

The official announcement of the 1950 Jamboree, slated for Valley Forge, will be made at this time.
