

White Paper Blasts China Communists

WASHINGTON, Aug. 5 (AP)—Secretary of State Acheson today blasted the Chinese communists as tools of Russia and declared United States' willingness to help the people of China establish true independence.

The secretary reviewed U. S.-China relations at a news conference after issuance of a state department report in which he wrote off China's nationalist government as a total failure.

In a statement he laid down "basic principles" which he said should govern U. S. policy toward China.

He declared he was not in the least "defeatist" about the Chinese situation.

Acheson met correspondents one hour after the state department released a bitterly critical "white paper" on its relations with nationalist China.

Clear Field
The 1054-page book contained statements by Acheson showing he is convinced the nationalist regime is done for and the communists can sweep over all China anytime they choose.

As for his lack of defeatism, Acheson indicated in the 1900-word statement handed out at the news conference that it was based on a belief that the communists are in for serious difficulties in trying to govern the Chinese "in the interests of a foreign power"—Russia.

They are "committing themselves deeply on the basis of unproved assumptions as to the extent of their own strength and the nature of the reactions which they are bound to provoke in China and elsewhere," he said.

"The United States, for its part, will be prepared to work with the people of China and of every other country in Asia to preserve and to promote their true interest, developed as they choose an not as dictated by any foreign imperialism."

It was in a letter to President Truman, which he opened the white paper, that Acheson declared that the communist regime serves the interests "of Soviet Russia" and predicted eventually the Chinese people "will throw off the foreign yoke."

SP Brakeman Suffers Burns

A Southern Pacific brakeman was treated for burns at Klamath Valley hospital this morning, the result of his efforts to help extinguish a blazing load of creosoted poles.

Injured was Philip B. Hersey, 37. Hersey was on his regular freight run this morning when the carload of poles caught fire near Chemult. In his attempt to help put out the blaze, the brakeman was burned by scalding hot water pumped through a fire hose directly from the engine.

After treatment at the hospital he was released, and his injuries are painful, though not serious. Burns were confined to his shoulders and chest.

The freight train was met at the SP yard here and Hersey moved to Klamath Valley by Kaler's ambulance.

The fire in the poles was extinguished with little damage to the load.

Navy Icebreaker Breaks Propellor
SEATTLE, Aug. 5 (AP)—The navy icebreaker Burton Island limped toward Point Barrow, Alaska, today without its starboard propellor and part of its shaft as the coast guard cutter Northwest raced to its aid, the coast guard said.

The Burton Island is with the navy's supply mission to its vast petroleum reserve and other government agencies on the Arctic shores. The coast guard said the icebreaker gave its position as 60 miles east of Point Barrow. A brief message from the Burton Island gave no details of the mishap.

The Northwest left Shishmaref, a small village on the Seward peninsula, late last night. It expects to reach Point Barrow about 6:30 a. m. (PST) Saturday.

Ten Surrender In Morals Case
TACOMA, Aug. 5 (AP)—All 10 men accused of participating in an 11-hour sex orgy with a 22-year-old woman have surrendered to the sheriff's office and been released on \$1000 bond.

The voluntary surrender of three of the men last night completed the roundup within 24 hours after issuance of superior court warrants for their arrest.

The warrants were issued by Superior Judge W. A. Richmond after Prosecutor Patrick Steele had released the men on their personal recognizance on grounds a conviction would be difficult to obtain.

Each of the 10 is charged with rape. The woman had been released from a state hospital, but has since been returned.

Joe Ayoult began pouring the forms to the foundation of his new garage building the first of the week. The structure will be a frame building about 40 by 90 situated just south of Cooper's drive in. Besides regular mechanical work Ayoult plans to handle the John Deere line of farm machinery and parts for same, giving the farmers of the community a better break for repairs to this label of equipment than they have had heretofore.

Five cars made the trip to Cottonwood meadows last Sunday, July 31, taking local Girl Scouts to the summer Scout camp there where they will have a wonderful time. Local Scouts attending the camp are: Letta Perry, Barbara and Ann Hammerley, Dorothy Woods, Betsey Haner, Joan Carter and Dorothy Love. Those who took the girls and their luggage up last Sunday were: Mrs. Lee Perry, Mr. and Mrs. Lorraine Hammerley, Mr. and Mrs. Woods, Mr. and Mrs. John Haner, Mr. and Mrs. Al Carter. The local Girl Scout leader, Mrs. Fairy Hammerley, is also attending the two-weeks encampment.

A meeting of the fire district committeemen was held last week, and progress is being made to form a district on the Oregon side. Chairman Kelton Butler sent in a map of the proposed new district to have it registered and approved by the state fire marshal.

Rosella Ross, 7-year-old daughter of Mr. and Mrs. Frank Ross, was nearly killed when kicked by a young colt last Friday evening. The girl was unresponsive for five hours at the Lakeview hospital, and her life hung in the balance for several hours thereafter. On Tuesday her condition was improved considerably and unless the unexpected happens she is expected to pull through.

Gran Riggs is still in the hospital suffering from an infected leg. He was taken there about two weeks ago, and it is feared that unless the malady clears up he may lose his leg. A last minute report as to his condition was not learned Tuesday.

Tom Dick was taken to the hospital Monday evening after cutting the end of his third finger off when splitting kindling. He had to have his ring cut off of the finger Tuesday.

A 4 pound 11 ounce baby girl was born to Mr. and Mrs. Walter Rowland July 27. Mrs. Rowland is a sister to Mrs. Gladys Cooper. Rowland is employed as a construction engineer for the state of Calif., stationed at present at Cedarville.

Mrs. Rowland and her baby were brought down Saturday night from the hospital, to the Cooper home. Mr. and Mrs. Henry Martindale and son, Burdus, of Covalo, Calif., visited Sunday with Mrs. Martindale's mother, Mrs. George Johnston, leaving early Monday morning for their home in Covalo. They were on a vacation trip having visited in Oregon and parts of Washington. They were accompanied by Mrs. Martindale's father, Arthur

John Shaffer and Ray Serch, who were injured in an automobile accident Monday night, were released from the hospital Tuesday and Wednesday respectively. Shaffer is employed on the John Short ranch and Serch on the Dayton Finchum ranch.

Lakeview Baby OK After Surgery
PORTLAND, Aug. 5 (AP)—A baby boy, born with his esophagus closed so that he could not swallow, was recovering today after a rare operation that enabled him to eat normally.

The child, Lee Zaloznik of Lakeview, was born 25 days ago, and flown to Doernbecher hospital here when his condition was discovered.

With the infant just three days old, a surgeon, who asked that his name not be used, performed a rare operation first tested in Boston ten years ago.

The upper part of the baby's esophagus ended in a closed sack. The lower part was fastened to a lung. The surgeon removed a part of the child's fourth rib and joined the two ends of the esophagus together.

The child is the son of Mr. and Mrs. Ray Zaloznik, Lakeview. A similar operation was performed successfully in 1947 on Duane Thompson, Lebanon, by the same surgeon.

The visitors also spent a few hours visiting with Mrs. Mary Miller, Martindale's brother, Charles Martindale, went to school with Mrs. Miller here years ago. Burdus and wife expect to return for a hunting trip this fall.

A baby boy was born to Mr. and Mrs. Vic Meyer at Empire, at the Keizer Hospital, July 29, weighing 8 pounds 6 ounces. His hair is black and eyes blue and his name is Deon Lyle Meyer. Mrs. Meyer is a former resident of New Pine Creek.

USBR Grants Lease For FFA Show

TULELAKE, Aug. 5 (AP)—The bureau of reclamation has granted a 10-year lease to the city of Tulelake for two and three-tenths acres of land adjacent to the new addition to the Future Farmers of America and the 4-H groups for a junior livestock show.

No decision has as yet been reached as to promotion of a show this year on the site since the time element for construction of buildings would prevent a sale and show there this fall.

However, Ivan Rose, chairman of the planning committee of Rotary club, sponsor of the proposed show and sale, working with other members of the committee and Verns Hemstreet, FFA leader, believe that a show can be arranged on the high school grounds in an outside arena. Several animals are being groomed for a sale.

Tulelake FFA and 4-H groups have in the past had no opportunity to exhibit animals raised here except at the Siskiyou county fair at Yreka or at the state fair at Sacramento.

Acetylene Torch Theft Reported

Theft of an acetylene torch and some tools from a tool shed at the E. C. Hall Construction company operation on the Willamette pass is being investigated by state police at Gilchrist.

E. W. Foder, foreman of the job, told police the shed was burglarized Monday or Tuesday. The torch and accessories, tools and tool box were valued at \$275.

Potato Festival Meeting Called

MERRILL, Aug. 15—The central committee for the 1949 Klamath Basin Potato Festival has called a meeting to be held at the recreation hall Friday, August 5, at 8 p.m.

General plans for the festival will be made at this time. Everyone is urged to attend.

New Meters Installed For Tests

Installation of 53 new parking meters is being completed today in the city. All the clockers are put in on a trial basis with the city receiving the entire revenue.

The 53 meters—49 of them manually operated and 13 automatic—are placed in the high-valued Main street district between Sixth and Ninth.

Areas which are getting meters for the first time (old meters moved from the Main street stretch) are Main between Eleventh and Twelfth, the west side of Seventh between Klamath and Oak, and Ninth between Walnut and Klamath.

The city dads are eyeing the proposal to install all new meters in the city. This move is felt necessary after last winter's severe weather proved the present meters to be inadequate.

Changsa Falls To Red Army

CANTON, Aug. 5 (AP)—The fortress of Changsha fell to the reds today and a credible report of a nationalist army revolt on that front may mean the road to Canton soon will be almost wide open.

Loss of Changsha, 365 miles to the north, was bad news enough for the nationalists. But the reds in another lunge southeast of Changsha were only 215 miles from this refugee capital.

Both these reversals were admitted officially.

Unofficial but credible reports said Gen. Chen Ming-jen, new governor of Hunan province, the bread basket province, had revolted.

General Chen only recently replaced Gen. Cheng Chien. The government charges Cheng fled from Changsha and went over to the reds Monday. The government ordered Cheng's arrest, accusing him of trying to arrange a local peace with the communists.

The unofficial accounts said General Chen, close friend of his predecessor, also went over to the reds taking at least one of his three armies with him. His armies totaled 90,000 men.

Defection of the Hunan general would create a serious situation. It conceivably could compel Gen. Pai Chun-hsi, the commander in the south, to withdraw his troops southwestward into Kwangsi province. This would leave the road to Canton open for a swift and easy communist advance.

The communist timetable calls for the capture of Canton by August 15. The revolt of the two generals would explain why the reds have been shadow boxing on the Changsha front lately.

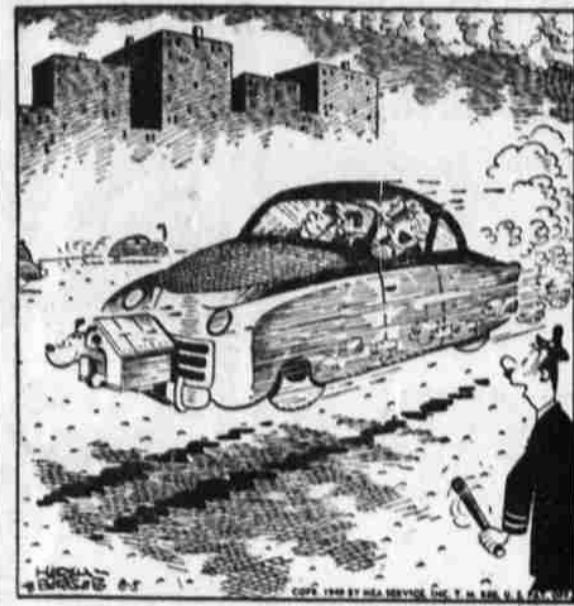

India Presents Elephant To Japs

CALCUTTA, India, Aug. 5 (AP)—The elephant which Prime Minister Nehru is sending to Japan as a gift to the children of Tokyo arrived here yesterday.

The 15-year-old pachyderm, which was captured in a South Indian forest in 1947, will be shipped on the Japanese freighter Encho Maru, due August 25.

The elephant has been renamed Indira, after Nehru's daughter.

Jury Finds Slayer Guilty

REDWOOD CITY, Calif., Aug. 5 (AP)—A jury early today convicted Kermit O. Frazier of second degree murder for slaying the mother of the girl he wanted to marry.

The 34-year-old former air force officer will be sentenced this afternoon.

He shot and killed Mrs. Mary L. Thompson in her nearby Atherton home last March. He wounded her twin daughters, Doris, whom he loved, and Sharie, 29.

The jury of six men and six women also convicted the former North Carolinian of felonious assault in wounding the twins.

Under California law, the penalty for second degree murder is five years to life.

Frazier, who wept frequently during the trial, testified he "loved Doris more than life."

The defense argued he intended to kill himself last March and shot the Thompsons when his mind went blank.

Eugene Boy Taken Down With Polio

LEWISTON, Idaho, Aug. 5 (AP)—Eddie Bosshard, 11, of Eugene, Ore., has spinal polio, but should recover within 10 days, his physician said yesterday.

His case was diagnosed yesterday after he had been admitted to the hospital Tuesday complaining of backache. He came here with his parents, Mr. and Mrs. Paul Bosshard, on a vacation trip.

The boy's father still wears a spinal brace as the result of a polio attack five years ago.

Federal Aid To Education Action Sought

WASHINGTON, Aug. 5 (AP)—President Truman called democratic congressional leaders to the White House today in an effort to get passage on a controversial federal aid to education bill.

The controversy over whether public funds should be made available to parochial and other private schools for auxiliary services has blocked efforts to get the measure to the floor in the house.

Chairman Lestinski (D-Mich.) of the house education and labor committee refused to say, after the conference, whether he will call his committee back into session to consider it.

Rep. McCormack of Massachusetts, the democratic floor leader in the house, told reporters that Mr. Truman was very urgent in his appeal for passage of the bill at this session, to redeem one of his 1948 campaign pledges.

50,000 Carloads Of Fruit Shipped

OLYMPIA, Aug. 5 (AP)—Approximately 50,000 carloads of certified fresh fruits and vegetables were shipped from Washington during the year ended June 30. Additional amounts were shipped without being certified.

William H. Shaw, supervisor of the state division of horticulture, said the state, when requested, certifies as to the grade, quality and condition of the fruits or vegetables.
