Lake O' Woods Has Busy Week-end

Lake o' the Woods had another busy week-end, with cabin owners as well as day visitors crowding over the road both Saturday and Sunday.

Fishing and swimming were principal diversions. Jack Dutcher, resort operator at the lake, sent down a limit of rainbow trout, averaging about 14 inches, reporting that fish like those are being caught daily at the lake.

The road to the lake is in good condition but dusty.

Ice-cold cocoa is delicious on a hot day. For a party, top the cocoa with a little cocoa whipped cream. To make the cream put two tablespoons of cocoa in a bowl with two tablespoons of sugar and mix them together well. Add a cup of heavy cream and beat until it begins to get stiff.

The present-day method of simplifying the installation of small clay tiles by mounting them on large strips of paper is very similar to a technique originated in Asia Minor in the 13th century.
