## Roll-Call For Scouts Slated Through Area

Klamath District Commissioner Paul Tanner of the Modoc Area council of the Boy Scouts, has announced plans for an all-unit roll call to be held throughout the district during the last week of September.

According to Tanner, a national roll call is being held during that time, conducted in each district by the commissioner's staff.

The announcement was made at the annual Klamath district Scouters round table and steak fry held at Moore park Friday evening when more than 120 Scouters and their families gathered around the barbecue to watch Al Betsch act as master of ceremonies of the program.

Also on the program, Training Chairman Jim Pnninger presented awards to two Scout trainers of the area.

Neighborhood Commissioner Barney Simon received the third Scoutmaster's key ever presented by the council.

## Former Clark Aide Lowers Boom On Boss

WASHINGTON, Aug. 10 (AP)—O. John Rogge, a former assistant attorney general under Tom Clark, said today his former boss "has neither the stature, integrity nor ability" demanded of a supreme court justice.

Rogge, whose legal activities since he left the government led to sharp questioning, appeared before the senate judiciary committee in behalf of Henry Wallace's progressive party.

The committee is considering President Truman's nomination of Clark to the high tribunal.

Rogge had been allotted 20 minutes to testify. But he remained on the stand for more than an hour after launching a bitter attack on Clark's part in carrying out the administration's loyalty program.

Rogge called the lists of subversive organizations which Clark has issued under that program unconstitutional "black lists," intended to imply "guilt by association."

He said Clark had conducted a "loyalty witch-hunt" among federal employes until many Americans are "afraid to think for themselves."

Senator Ferguson (R-Mich.) interrupted to ask Rogge how he would have protected government secrets and confidential matters against subversives and communists.

Rogge said he would assume that most Americans were loyal.

"You are not that gullible," Ferguson told Rogge.

Six witnesses—including spokesmen for four organizations Clark has listed as subversive—were waiting to testify when the committee wound up its morning session. As a result a night meeting was ordered.

## Stewart Wedding 'Almost' Up To Quiet Rite Wanted

HOLLYWOOD, Aug. 10 (AP)—James Stewart, who gained film fame portraying the average guy, had an average American wedding—except for the crowd and the star-studded audience.

The actor married Gloria Hatrick McLean late yesterday and the ceremony almost fulfilled his hopes for a small quiet wedding untainted by the Hollywood touch.

The couple took their vows in the Brentwood Presbyterian church before 50 friends of the film colony while an orderly crowd of 500 waited outside.

Like the average bridegroom, Stewart was nervous. He fidgeted as he watched his sociable bride walk down the aisle in a cocktail dress of grey satin, carrying white orchids and a prayerbook.

Stewart's replies to Rev. Dean Osterberg could hardly be heard.

"I got a frog in my throat," he said afterwards.
