Selling Pushes Grain Down

CHICAGO, Aug. 13 (AP)—Selling from commission houses and local traders pushed grain prices lower on the board of trade. Losses ran to around 2 cents in corn at times and dealings, slow at the start, picked up speed as prices slid late in the session.

Cash corn prices again worked lower as 120 cars of the grain arrived here today. Sales of No. 1 yellow corn were made at a premium of 6¼ cents over the September delivery. At the start of August the premium on this grade was 12¼ to 12¾ cents over September.

News dispatches stating lower support prices for grains would result from a revised parity formula, as proposed in a new senate farm bill, caused some of the liquidation. Traders also were concerned over the storage problem for both wheat and corn later in the year.

Wheat closed 1¾ to 2 cents lower, September $2.00⅞-½, corn was 2 to 3 cents lower, September $1.19¼-1.19, oats were ½-1¾ lower, September 65¼-⅜, rye was ⅜-1½ lower, September $1.47½, soybeans were ⅜-1½ lower, September $2.35¾-½, and lard was 8 to 18 cents a hundred pounds lower, September $12.27.

Wheat—	Open	High	Low	Close
Sept.	2.02	2.02¼	2.00½	2.00⅜-½
Dec.	2.06	2.06¼	2.04⅜	2.04⅜-⅜
March	2.06¼	2.06¼	2.04⅞	2.04⅞-2.05
May	2.01¼-2.01	2.01⅝	2.00¼	2.00¼-¼

Hogs Steady After Drop

CHICAGO, Aug. 13 (AP) — Hogs were quoted nominally steady today following yesterday's sharp price downturn. Sales were quoted in a range from $16.75 to $22.25. Cattle and sheep also held steady.

After moving to new highs for the year earlier in the week, the hog market went into a sudden collapse yesterday. One of the severest declines of the year washed out early gains and left barrows and gilts 50 to 75 cents lower than last week. Sows were down 25 to 75 cents.

Increased receipts, a slow wholesale pork trade and expectations of a considerable expansion of new crop hogs within a short time combined to cause the late weakness.

Choice steers advanced around 50 cents during the week and the top moved up to $28.75. Most good and choice fed steers and yearlings sold at $25.50 to $28.00. Steers again comprised the bulk of offerings. Steer and heifer beef rose about $1.00 in the wholesale trade this week.

All types of offerings weakened throughout the week in the sheep section. Spring lambs closed $1.00 to $2.00 lower. The decline came in the face of 25 per cent smaller receipts at 12 major terminals. Hot weather in the East, reducing demand for dressed lamb, was considered partly responsible for the slump.

Rail Rate Boost Damage Feared

SPOKANE, Aug. 13 (AP)—Pacific Northwest industries will be hurt by the 4 per cent freight rate increase granted western railroads, says James A. Ford, managing secretary of the Spokane chamber of commerce.

He asserted yesterday that the rates in this area are "already too high" and the West is at a competitive disadvantage with the East on freight charges.

Ford listed the apple, wheat, pine manufacturing, aluminum and frozen food industries as those which will be hardest hit. Permission to raise the rates was given the railroads Thursday by the Interstate Commerce commission.

The railroads announced today that increases will be effective September 1.

Shooting Leads To 35-Year Sentence

SPOKANE, Aug. 13 (AP)—A man accused of shooting his sister because he objected to her marriage was sentenced Friday to serve a maximum of 35 years in prison.

Herschel C. Yates, 38, pleaded guilty in superior court to first degree assault with intent to kill. His sister, Mrs. Darrell Davis, 31, was shot and seriously wounded August 2, the day after her marriage.

Deputy Prosecutor Dudley L. Wilson told the court that Yates "objected to her marriage and was insanely jealous."

Portlanders Up In Arms Over Park

PORTLAND, Aug. 13 (AP) — Park and sanitation officials argued hotly today over the condition of Laurelhurst park.

They agreed on only one thing: It's the rats.

That is, the rats thrive on whatever condition Laurelhurst park is in.

Frank D. Cramphin, inspector of the division of food and sanitation, said the park "is a cesspool with a decorative lighting system."

The lake there, he added, "is one of the consistency of sewage."

This drew outraged cries from the park officials, who insisted the lake was fed by fresh water, had an adequate drainage outlet and was cleaned regularly. They insisted there was no chance for sewage to get into the water.

Cramphin recommended, nevertheless, that the lake be condemned and drained. Only in this way could the number of rats there be controlled, he said.

Park officials admitted there were plenty of rats. They added that there also were too many at the city zoo. Both places have the problem of rats thriving on the food of visitors thrown away, they said.

Banks Bag Bauble

PORTLAND, Aug. 13 (AP)—The Banks Pioneers, who entered the tourney as a dark horse from a small Willamette valley town, won the Oregon state semi-pro baseball championship last night.

The Pioneers downed Reliance System of Portland 2-0 and won the right to enter the regional tournament in Bellingham, Wash., this week-end.

Reliance, one of the favorites throughout the tourney, gave Banks one of its runs on an error in the fourth. Manager Lenere Lyda, who pitched the game, scored the other run himself in the seventh.
