

Mac Refuses Invitation To Return To US

WASHINGTON, Aug. 16 (AP)—Gen. Douglas MacArthur has formally declined an invitation to return to the United States to give congress a report on the Far Eastern situation.

The senate foreign relations and armed services committees had voted 13 to 12 to ask MacArthur to come home from Tokyo to testify in connection with the administration's \$1,400,000,000 foreign arms aid bill.

Secretary of Defense Louis Johnson today made public the text of a reply from MacArthur in which the general said:

"For the best reasons set forth in my public statement of August 11, I believe I can best serve the national interest by remaining at my post of duty here."

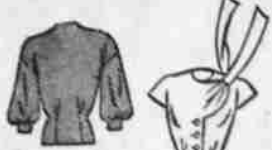

Johnson had forwarded the request of the senate committees to MacArthur and Vice Adm. Oscar C. Badger, also wanted for testimony on the Far Eastern situation. Johnson did not order either to return.

MacArthur in his reply to Johnson said that this statement of August 11 was as follows:

"I could not help but be deeply appreciative of the honor reflected in the desire expressed by certain distinguished members of the U. S. senate that I proceed to Washington to give my views for consideration by the congress on the issue of United States arms aid to the government of China."

No reply has been received from Admiral Badger.

Check Theft Suspect Held

ALTURAS, Calif., Aug. 15—Within 12 hours after Modoc county sheriff's officers received a report that the offices of the R. B. Goern Construction company at Cedarville, Calif. had been broken into, Leroy H. Jones was apprehended and charged with the theft of four signed checks and an undetermined number of blanks.

Jones was just entering the Alturas ball park when Undersheriff Jack Stark put him under arrest.

Jones readily admitted the theft of the checks, officers said, and turned the remainder in his possession over to authorities. He said he had destroyed most of them because he knew he couldn't pass them.

He is a former resident of Willows, Calif., and was working for the Guerin concern when he allegedly committed the theft.

He was lodged in the Modoc county jail in Alturas to await court action.

Air Force Unit To Meet Wednesday

A meeting of the air force reserve will be held Wednesday evening at 8 p. m. in the basement of the Hall hotel. Important information has been received from squadron headquarters, and all members are urged to attend.

Maj. John Runyan will present a lecture to the group.

TRAVELING DINERS Heliogabalus, Roman emperor, gave diners that required extensive traveling by the guests. The diners had to go to a different part of the city for each course.

HEATED WATER Hot water pipes have been fitted to the troughs from which express trains pick up water on the main line to Inverness, England, 1490 feet above sea level. The pipes prevent freezing.

Three Hurt In Accident

Two women and a five-month-old boy were treated for injuries in Malin early yesterday morning following an accident at the intersection of the Adams Point road and highway 39.

Juanita Kolkow and Ellen Brazzile of Malin suffered cuts about the face, and five-month-old Charles Brazzile was treated for bruises.

The accident occurred when a jeep driven by Elizabeth Laura Bunnell, 15, pulled onto the highway in front of the car in which the three were injured, and driven by Bernice May Kolkow.

The Kolkow auto went into a narrow pit along the road. Pauline Kolkow and Sharon Brazzile were also passengers in the car, but escaped unhurt.

James Albert Bunnell, father of the 15-year-old jeep driver, was charged with permitting an unlicensed minor to operate a motor vehicle.

LIFE ON VENUS? The Carnegie Institution of Washington once reported the presence of carbon dioxide on the planet Venus. This practically is proof that some form of life exists on that planet, it is said.

An average mile of natural gas pipeline costs about \$100,000.

Bride Drowns In Willamette River

NEWBERG, Aug. 16 (AP)—A young bride drowned in the Willamette river south of here yesterday when she became exhausted and sank before her husband could help her.

She was Mrs. Lawrence Charbonneau, 17, Gervais. She and her husband had started working in a hop yard and went swimming to cool off.

Mrs. Charbonneau swam to a logging raft, climbed on the logs for a rest and sank after starting back to shore. Firemen recovered her body.
