Cards Fatten National Lead Over Brooklyn

St. Louis Splits, Bums Blanked By Boston Red Sox

By The Associated Press
Should the St. Louis Cardinals' brilliant pennant drive end in failure, the blame could be traced to last January 29.

That was the day Robert Hannegan, then president of the Cards, sold Murray Dickson, a front line pitcher, to the Pittsburgh Pirates. The transaction brought \$125,000 in cold cash to St. Louis but no players.

Dickson has not fared well in Pittsburgh. The little righthander from Tracy, Mo., has been able to win only six games this season, but four of them have been over his former mates. He's made six starts against the Cards, and has yet to pitch a bad game.

The Redbirds faced a golden opportunity to open their biggest lead of the year over Brooklyn—two and a half games—yesterday. They had just whipped the Pittsburgh Pirates, 4-2, in the first game of a doubleheader while the Dodgers were losing to Boston, 5-0. That gave the front-running Cards a two-game bulge. A victory in the second game would increase their margin to two and a half games.

But they reckoned not with their former pitching star, Murry not only beat them but shut them out on two singles. The score was 8-0.

Fred Martin, a repatriate from the Mexican league, pitched the 4-2 win for the Cards.

Pete Castiglione and Dino Restelli sparked the Pirates in the second game. Castiglione had a two-run homer and double. Restelli hit a two-run homer and single. Harry Brecheen was the victim.

Bill Voiselle pitched the Braves to their shutout victory over the Dodgers.

Pete Reiser, whom the Brooks traded to Boston last winter, scored three of the six runs, and knocked in two with a single and home run. Don Newcombe, who has yet to beat Boston, dropped his sixth decision.

The Boston Red Sox closed in on the American league leading New York Yankees, cutting their first place margin to two and a half games by walloping Washington 4-0. Philadelphia helped the Red Sox by downing the Yankees 8-7.

Jack Kramer scattered seven Senators hits to post his fourth victory for the Red Sox.

Lefty Lou Brisale and First Baseman Ferris Fair helped celebrate "Connie Mack Day" at Yankee stadium, by leading the A's to their only win over the Yankees in the three-game set. Brisale went the route for his 12th victory. Fair drove in six runs with a double and a grand slam homer.

Third place Cleveland split a doubleheader with the White Sox in Chicago. The Indians came from behind to win the second game, 7-4, after Chicago had won the opener, 5-4.

St. Louis moved out of eighth place by splitting a twin bill with Detroit. Les Moss' two-run pinch hit single in the eighth beat the Tigers, 4-2, in the first game. Home runs by Vic Wertz, Pat Mullin and Paul Campbell won the second game for Detroit, 8-7.

PHILS DIVIDE

The Philadelphia Phils divided a doubleheader with the New York Giants. Kenny Heintzelman blanked Leo Durocher's crew, 4-0, for the Phils in the opener. The second game was forfeited to the Giants by Umpire Al Barlick in the ninth inning when the Philadelphia coaching men rained pop bottles and other missiles on the field in protest over a decision by Umpire George Barr.

Barr had ruled that Philly outfielder Richie Ashburn had trapped a drive off the bat of Joe Lafata. Ashburn argued that he caught it. The Giants were in front at the time, 4-2.

Cincinnati came back to get a split in its twin bill with Chicago, winning the second game 4-1, after the Cubs won the opener 5-4.

Other league business transacted included awarding the 1950 conference track, tennis and golf finals to the University of British Columbia May 19-20, appointment of Lee Irwin, Tacoma newspaper man, as league publicist, and making the eastern division winner host team for the conference baseball title.

Mary Harshman, Pacific Lutheran basketball coach, was announced as the new state representative to the National Association of Intercollegiate Basketball.

The first practical attempt at electrical cooking was made in England during 1896.

Bremerton Must Trounce Oakland Team

Puget Sounders Face Elimination In Legion Tourney

YAKIMA, Wash., Aug. 22 (AP)—It will be "win or out" tonight for Bremerton's Northwest regional champions in the American Legion junior baseball section D double elimination tournament.

The Bremerton Kerr Motors team soundly trounced in its opening game last night, losing to the Omaha, Neb., Metas, 12-2.

In tonight's single contest at 8 p. m. (PDT) the Oakland, Calif., Traderscoats, who rolled to a lopsided 12-4 victory over Omaha in the tourney curtain-raiser yesterday afternoon.

A Bremerton win would send all three teams into the Tuesday night finals with a 1-1 record, and necessitate a doubleheader to decide the sectional championship.

If the Puget Sound club loses it is eliminated, and Oakland would fight it out with Omaha for the crown.

A single win for the California squad would decide it, whereas the Midwesters would be forced to take a twin bill.

Slender Gene Hines handcuffed Bremerton all the way last night, shifting 17 and giving up only five hits. He had a two-hit shutout going into the seventh and Dave Hayford, a passed ball and Catcher Bill Thompson's error accounted for two runs.

Omaha, paced by Bill Falt's singles and double that drove in five runs, made the most of 10 hits and four Bremerton errors. Five runs in the sixth inning came in without a hit, on three walks and three bobbles.

Oakland ambled to its win over the Nebraskaans, scoring 12 runs on six hits, 14 bases on balls and two hit batsmen.

Big Jim Cops Open

GRAND RAPIDS, Mich., Aug. 22 (AP)—Big Jim Ferrer of San Francisco finally won a golf tournament yesterday and rewrote the record book in doing it.

Ferrer, the perennial runner-up in pro golfing circles this season, turned in a 263 score to cop \$2600 first prize money in the Grand Rapids open golf tournament at Cascade Hills Country club.

His performance bettered by a stroke the PGA tournament record of 264 for a par 72 course. That was set by Craig Wood in the Metropolitan open at New York in 1949.

The Australian-born Ferrer had to call on his golfing skill and luck to turn back the challenge of E. J. Dutoh Harrison of St. Andrews, Ill., who fired a brilliant eight under par 64 on the final round yesterday in an effort to catch him. Ferrer had a 65.

Lloyd Mangrum of Chicago turned in a three under par 69 for a 271 total and third place, four strokes behind Harrison.

Ted Nest of Walla Walla ended in a four-way tie for 18th place with his 71-74-67-70—282. He collected \$180.

Klamath-Pitt Breach Widens

Far West league games over the week-end gave the Pittsburgh Diamonds another half-game boost in their circuit lead and also proved that the last-place Medford Nuggets still must be reckoned with.

Pittsburgh played only one game, beating Marysville 11-4 yesterday to increase the Diamonds' bulge to three full games over the Klamath Falls Gems. The Gems lost a resounding 19-6 match to Medford Saturday night and won 6-3 yesterday.

The Willows Cardinals, who will come up against the Gems here tonight, divided two games with the Redding Browns. Saturday the Cardinals whipped up a 7-5 win and yesterday Ray Perry of the Browns hit his 44th homer as Redding won 9-6.

A crowd of about 1700 paid customers turned out Saturday night to see Mrs. Paul Pfeiffer, 5602 Denver, crowned the Gems' "most devoted fan." Mrs. Pfeiffer, who hasn't missed a game this year and regularly sits just back of the Gems dugout on the third base line, was a unanimous choice of the ball club.

In addition to the awards to Mrs. Pfeiffer, the fans were treated to something of a floor show with Vic Distas's orchestra playing and several members of the club entertaining.

CHASE LOPEMAN
The baseball game that night was all Medford. The Nuggets hit everything coming over and shelled Johnny Lopeman with a seven-run burst in the second inning. Jay Quigley, making his first appearance for Klamath Falls, worked two-thirds of an inning and second string catcher, Dick Descalso, took over on the mound from there.

Descalso, worried over his weak hitting, has been wanting to try pitching and finally got a chance. He didn't do badly at all. Once he struck out the side with the bases full and generally showed plenty of speed and a good curve.

Bill Pinkard and John McMillan homered for the Nuggets, both blows coming in the ninth inning.

Yesterday's game was quite the opposite, more of a pitching duel between left-handers Niles Jordan and George Pain. Jordan racked up his 16th win against six losses.

The Gems got to Pain for four runs in the third inning and scored twice more in the fourth. Medford picked up one run in the second and counted twice again in the ninth. Bill Reese hit his 14th homer of the season with none on in the fourth.

Tonight's game with Willows starts at 7:45.

PIONEERS COP NOCAL FLAG

The Klamath Pioneers grabbed the Northern California semi-pro league's bunting yesterday at Weed, defeating the Dunsuir Railroaders 4-3.

The win put the Pioneers into the NoCal Shaughnessy playoff starting next week-end against the Yreka Indians. Dunsuir, by getting second place, will start the Shaughnessy playing the Hill Jets.

Fran Miller, Pioneers pitcher, doubled with two on base in the fifth to account for the win but

was tossed out of the game a few moments later when a fight resulted from a rundown play between second and third base.

Each team got 10 hits. Lyle Turpin, Dunsuir chucker, got a triple and went all the way to score on an error in the field.

Next Sunday's Pioneer-Yreka game will be played at Dunsuir.

Stars Are Not Shining Acorns Slap Twinks In Twin Bill; Rapp Raps Eleventh Homer

Oakland may be puffing toward another Pacific Coast league pennant unless the Hollywood Stars get up a new head of steam.

The league leaders suffered further humiliation at the hands of the Acorns Sunday, losing both ends of a doubleheader, 7 to 0 and 7 to 6.

When Earl Rapp homered to break a 6 to 6 deadlock in that second game, a great shout went up from the overflow multitude of 14,500 Oakland citizens. It was Rapp's 11th round tripper of the season, and left the Oaks just three games out of first place.

Veteran Charley Gassaway twirled a masterful six hitter to shut out Hollywood in the regulation opener. Oakland, taking the series five games to two, now has won the last five series in its surge upward.

Sacramento, which had been tied for second, dropped back to third by splitting with San Diego. The Solons took the opener, 5 to 2, but the Padres came back for a 9 to 2 triumph in the afterpiece. The teams also split the eight game series.

Portland replaced San Francisco in seventh place by dropping two to the invading Seattle Rainiers, while the Seals annexed a pair from last place Los Angeles.

The Rainiers pounced on Portland starting Pitcher Hal Saltzman and Believer Bill Fleming for seven hits and six runs in the seventh inning of the first game. The outburst broke a 1 to 1 deadlock and launched Seattle to a 10 to 1 triumph. The Rainiers tucked away the nightcap, 2 to 1, on two unearned runs, taking the series, 5 to 2.

Lefty O'Doul's boys, meanwhile, won 8 to 3 and 6 to 2 at Los Angeles. The outcasts ran the Seals' winning streak to five straight and gave them six out of seven in the series.

Coast league parks will be dark Monday while the teams travel. Hostilities will continue on Tuesday evening.

Milkmaids Test Texas Truckers

WICHITA, Kas., Aug. 22 (AP)—The Weimar, Tex., Truckers test their strength against a top-ranking team in the national semi-pro baseball tournament tonight.

They meet the Mount Vernon, Wash., Milkmaids in the feature of a three-game card at 7 p. m. (PDT).

The Milkmaids placed third in last year's tournament. They showed last night they are just about as potent this season—beating the Great Falls, Mont., east air base, 15-1.

Washington Lad Favored In Shoot

VANDALIA, O., Aug. 22 (AP)—The championship chips go down today in the golden anniversary grand American trapshoot. Shooters from practically everywhere have fired more than a quarter million practice shots the last three days in tune-up events.

Another million targets will be blasted before the final shot roars across the Miami valley next Saturday.

Today's program, expected to attract some 700 marksmen, is the introductory 200-target race at 15 yards. A half dozen minor championships will be decided on the first 100.

Bill Inlow of Tonasket, Wash., a 17-year-old high school student, is an odds-on favorite to take the inaugural junior champions of champions crown. The West Coast youngster has broken 994 of 1000 registered targets this year, the first mark ever made by a junior shooter. He broke 199 of 200 in the recent Sun Valley shoot and won his state title with 97 of 100, one of his lowest scores of the year.

Cincinnati came back to get a split in its twin bill with Chicago, winning the second game 4-1, after the Cubs won the opener 5-4.

Other league business transacted included awarding the 1950 conference track, tennis and golf finals to the University of British Columbia May 19-20, appointment of Lee Irwin, Tacoma newspaper man, as league publicist, and making the eastern division winner host team for the conference baseball title.

Robinson May Be Only 3-2 Favorite

NEW YORK, Aug. 22 (AP)—Welterweight Champion Ray Robinson was figured to step into the Yankee stadium ring a 2-1 favorite to beat Steve Bellosa when they clash Wednesday night in a non-title 10-rounder.

But that was when the two started training. Now the betting man's isn't so sure, and it wouldn't surprise many experts if Robinson was no more than 3-2 or 7-5 at ringtime.
