

Football Days Will Be Here Soon

Scenes like those on this page will be with us again in a few short weeks. The big picture was taken from the press box and shows play on Madoc field at the 1948 Klamath-Bend game on November 11. The Pelicans, in white, were throwing an offensive play at the Bears at the moment. Klamath won, 14-12. Smaller picture shows the Klamath band and twirlers.
