## Seems Lovely Lass Won Hollow, Costly Victory

KELSO, Wash., Aug. 26 (AP)—The "victory" won by Libby Aldrich when she was named Miss Washington was indeed hollow. The Kelso chamber of commerce charged today.

The chamber declared that a promised \$5000 wardrobe has not been furnished, that a promised statewide tour has not been arranged, and that money has not been furnished to reimburse the Kelso chamber or to buy rail tickets for Miss Washington and her chaperone to attend the Atlantic City pageant.

Clothing furnished Miss Washington has a value of about \$300, according to Chamber President Max Moore.

The chamber awaited further word today after being informed that C. F. Lloyd-Young of Seattle will underwrite Miss Aldrich's expenses on her trip.

That expense payment would be welcome, the chamber indicated. It also said that Miss Washington herself has been under a heavy financial strain.

Her father has been seriously ill, her younger sister suffered a bad injury in an accident recently, and she herself has been unable to work all summer because of the call for her to attend various fairs and community celebrations.

**Two Baby Boys—**Mr. and Mrs. Rolfe F. Petty and Mr. and Mrs. Evan R. Petty of Grants Pass are proud parents of boys born recently. Rolfe and Evan are sons of Mr. and Mrs. C. E. Petty of this city. The Rolfe Petties have named their boy Rolfe Fred Jr., while the Evan Petties' baby is named Raymond Rolland.

**No Meeting—**Officers and committee chairmen of the Klamath county committee of the home extension service will not meet Monday, August 29, as previously announced. Instead the group will meet September 12 at 1:30 p.m.

**Returned—**Mr. and Mrs. H. M. Clark have returned to Oakland, Calif., after visiting her with Mrs. Clark's sister and brother, Mrs. W. P. Howard, and G. C. Tatzman.

**Food Sale—**Theta Theta Rho girls club will hold a food sale at Pine Street market all day Saturday.

**Not Same Morris—**The Ray Morris whose name appeared in the municipal court misdemeanor records yesterday is not the Ray Morris who works for Dumbat Motors.

**Resigned—**Fran Miller has resigned his position as deputy in the office of County Assessor Otis Metsker.

**Visit Seattle—**Mr. and Mrs. R. J. Welles, 621 Washington, are leaving today for Seattle on their vacation.

## Restaurant Dishwashing Improved

Restaurants and soda fountains showed some improvement in dishwashing methods, according to reports of a survey conducted by the county health department and the mobile laboratory of the Oregon state board of health.

About one-third of the restaurants in the county were tested, according to John Edge, county sanitarian, and the results indicate a 28 per cent increase in efficiency of dishwashing methods.

Fourteen of the 60 tested showed acceptable bacteria counts on all types of utensils tested and 1 showed no acceptable bacteria counts on any types.

Fifteen establishments met standards on two of the three types of utensils and 18 only one of three.

Results of the swab-rinse sampling will be followed up with visits to each establishment to correct faulty dishwashing methods and to improve methods of handling and storing dishes and utensils.

## MORE TROUBLE

PORTLAND, Aug. 26 (AP)—Edna May Benedetti, 40, Roseburg, will be turned over to Douglas county authorities to face forgery and larceny charges, police said today. The woman was sentenced to 90 days in jail Wednesday for drunkenness, and police later learned warrants were out against her in Douglas county.
